

Aron Playground

Don Martin

Playground Aron Beauregard,2022 Three low-income families have been given a handsome retainer to join Geraldine Borden for a day at her cliffside estate. All the parents must do to collect the rest of their money is allow their children to test out the revolutionary playground equipment Geraldine has been working on for decades. But there's a reason the structures in the bowels of her gothic castle have taken so long to develop--they were never meant to see the light of day. When a band of dysfunctional children is suddenly thrust into a diabolical realm of violence, they must grow up instantly to have a chance at survival. Will they find a way to put their differences aside, or be swallowed up by the insidious architecture all around them?--Back cover.

The Slob Aron Beauregard,2020-11-18 SOME STAINS DON'T COME OUT... Raised in a household so filthy it was stomach-spilling, Vera involuntarily evolved into a neat freak. Upon discovering she and her disabled husband Daniel are expecting, she needs fast cash. Her obsession with cleanliness sprouts the concept that her skills can be put to use in a unique way. She takes a stab at the booming door-to-door vacuum sales business of 1988. All is going well until she arrives at the steps of a house that will change her forever. The steps of an evil that resurrects the ghastly memories she so desperately tried to wash away. Nothing will prepare you for the nastiness, disorder and sickening horror brought forth by... The Slob.

playground Jane Shemilt,2019 Over the course of a long, hot summer in London, the lives of three very different married couples collide when their children join the same tutoring circle, resulting in illicit relationships, shocking violence, and unimaginable fallout. There's Eve, a bougie earth mother with a well-stocked trust fund; she has three little ones, a blue-collar husband and is obsessed with her Instagrammable recipes and lifestyle. And Melissa, a successful interior designer whose casually cruel banker husband is careful not to leave visible bruises; she curates her perfectly thin body so closely she misses everything their teenage daughter is hiding. Then there's Grace, a young Zimbabwean immigrant, who lives in a high-rise housing project with her two children and their English father Martin, an award-winning but chronically broke novelist; she does far more for her family than she should have to.

All Smiles Until I Return Aron Beauregard,2021-12-17 A MOST DREADFUL DELIVERANCE Andy's last day on Earth came sooner than he ever imagined. After becoming entangled in a random act of violence, what began as another mundane day in a cubicle abruptly transitions into an otherworldly odyssey. This macabre and perverse journey shatters religious dogmas, answers impossible questions, and pulls back the curtain on man's true twisted purpose. How will Andy's sickening epiphany affect his trajectory? More importantly, does it even matter? This volume contains 17 interior illustrations. WARNING: This book contains graphic content. Reader discretion is advised.

Yellow Aron Beauregard,2021 WHAT WOULD YOU DO IF THEY TOOK EVERYTHING? Oliver Fitch has a troubling issue; he lives in a state of constant terror. After purchasing a convenience store in a once civil society, the streets around him have rapidly devolved into utter lawlessness. They're now festering with sinister gutter scum that only live to harass and intimidate him. His pathetic profits are gouged under the threat of violence and there isn't a damn thing he can do about it. Because in a city with no rules, where the sun never shines, the authorities are no help. In fact, they're an equal part of the problem. The relentless fear of confrontation is so obvious that even Oliver's wife Lydia has grown to resent his spineless existence. The absence of bravado opens the door to a horrific home invasion that leaves the miserable pair savagely maimed. From there, things only get worse until the criminal leeches have taken everything. Until there's nothing left inside but hate and the gnawing hunger for revenge. Until a switch finally flips and Oliver realizes that they all have to die.

Playground Day Jennifer Merz,2007-09-17 Intricate and charming collage illustrations crafted from torn and cut paper and found materials shine in this exuberant celebration of imagination and play. When a young girl packs her stuffed animals into her wagon and heads off to the park, she is inspired by both her toys and the playground equipment, and soon she is hiding like a squirrel, climbing like a monkey, sliding like a penguin, and so on--all relayed in catchy rhymed couplets. Each page offers clues to a friendly preschool guessing game and captures the unique pleasures of a day spent at the playground.

Manners on the Playground Carrie Finn,2007 Discusses polite, respectful behavior on the playground.

The Death of the Playground Kurt Philip Behm,2009-02-26 The Death Of The Playground talks about the tragic loss of 'Free-Play' in America. Our Public Playgrounds were the places where it all happened, where developing boys could learn together to, : First sit and watch and learn from those older : Truly become an important part of a group and fit in : Make up their own games and improvise : That to have friends you must first be a friend : Handle disappointment and that life isn't always fair : Realize that all great things take time : To become part of something bigger than just themselves THIS ONE WAS MOST IMPORTANT ! On the Playground, they did all of this without DIRECT Parent or Adult supervision. They made up their own rules of play, picked their own games, decided for themselves what was fair, and learned to live with the consequences. All of this doesn't mean Parents weren't involved; they were. They just weren't over-involved! Kids raised with their parents doing everything for them, then 'grow up' and want their government to do the same thing. I think we all know where that road leads. America's Corporations desperately need the developing titans, like the ones that fought and won two World Wars, created the powerful multi-national corporations, and wrote the great books of the 20th century. The chain connecting boyhood to manhood is now broken. Let me take you back to find the missing link. Revisit with me the Playground of my childhood, and share with me the pure joy and magic of my 8 years of 'Free-Play.' It's not too late to recapture that magic for our children, but we have to act and we have to act soon. The Playground Problem Margaret McNamara,2022-05-03 The boys will not let the girls play soccer with them on the playground during recess. Emma figures out a plan to get them to change their minds.

The Book of Aron Jim Shepard,2015-05-12 The acclaimed National Book Award finalist—"one of the United States' finest writers," according to Joshua Ferris, "full of wit, humanity, and fearless curiosity"—now gives us a novel that will join the short list of classics about children caught up in the Holocaust. Aron, the narrator, is an engaging if peculiar and unhappy young boy whose family is driven by the German onslaught from the Polish countryside into Warsaw and slowly battered by deprivation, disease, and persecution. He and a handful of boys and girls risk their lives by scuttling around the ghetto to smuggle and trade contraband through the quarantine walls in hopes of keeping their fathers, mothers, brothers, and sisters alive, hunted all the while by blackmailers and by Jewish, Polish, and German police, not to mention the Gestapo. When his family is finally stripped away from him, Aron is rescued by Janusz Korczak, a doctor renowned throughout prewar Europe as an advocate of children's rights who, once the Nazis swept in, was put in charge of the Warsaw orphanage. Treblinka awaits them all, but does Aron manage to escape—as his mentor suspected he could—to spread word about the atrocities? Jim Shepard has masterfully made this child's-eye view of the darkest history mesmerizing, sometimes comic despite all odds, truly heartbreaking, and even inspiring. Anyone who hears Aron's voice will remember it forever.

Fun At The Playground! Julia Lassa,2017-12-12 Don't you just love the playground? Swings, slides and lots of fun! And that's exactly what Ladi, Liz and Cam are hoping for on their trip to the playground - lots of fun. But poor Liz isn't enjoying the day as much as the other two, she's too scared to join in! Then Ladi and Cam get into a spot of bother and it's left to Liz to help them out. Can she overcome her fears? A third delightful picture book in the Ladi, Liz & Cam series. Julia Lassa's writing is paired, to great effect, with another set of fun illustrations by Merve Terzi.

The Playground Pals Rita Perkins,2019-09-13 Playground Pals was developed to help in the Education of children ages Pre-K - 1st grade in all basic areas including Language, Math, Science, and Social Studies. The premise behind the book series is to show that we can all be friends no matter what our physical differences are, in addition to learning a skill. Each book will begin with the introduction of 12 children who have met and

play on a playground. Many of the characters names are based from children in my life through teaching or family. There is a lot of research, and having first hand knowledge when I was a teacher, that states that children learn better from their peers, which is how the concept of the characters came to be. Each character will represent a boy and girl from six backgrounds - European American, African American, Native American, Asian American, South American and Middle-Eastern American. The Playground Pals series is also a tool to use for beginner readers using simple text and storylines.

Let's Build a Playground Michael J. Rosen, 2013-04-23 An inspirational true story by the national nonprofit organization dedicated to providing healthy play areas for children traces the efforts of a group of kids and adults from an Indianapolis community who worked with KaBOOM! to build a playground that became the site of endless imaginative adventures.

The Children at the Playground Tracey M. Cox, 2015-06-21 The Children at the Playground is a fun picture book set to the rhythm of The Wheels on the Bus. Perfect for active story times or to read before, after, or during a playground visit.

Dark Assembly Aron Beauregard, 2020-06-10 TAKE PRIDE IN YOUR DYSFUNCTION: This assembly of putrid tales will drag you into the darkest regions of humanity. It will push extremes and test the mental and moral boundaries of those who choose to participate. Meet a woman who carries a dead baby inside her womb and also the belief that her stillborn fetus will somehow find life again. Connect with a nomadic punk-rocker who's out to make a quick buck when he's presented with a sickening conundrum. Join two teenage psychopaths as they bring hell to the suburbs on Devil's Night. Follow a child of the streets who finally steered away from a life of crime only to be drawn back by a bizarre new drug. Take part in a gruesome and nefarious ritual that can restore one's innocence, or worm your way into the dark web beside a sadistic pedophile with a bottomless desire to kill and destroy. How should you feel after digesting these admittedly obscene and repulsive stories? Ask yourself if enjoying them makes you a horrible person or if hating them somehow justifies your journey into this storm of violence and perversion. For the sick and willing, please join in our Dark Assembly...

The Playground Don Martin, 2015-12-31 This collection of poems explores the little voices within us all. The irreverent humor we dare not speak. The big questions we are too afraid to ask. The answers we are not sure we want. This debut by poet Don Martin explores the idea that inside every adult is a child that has never quite grown up.
