**The Vagina: A Literary and Cultural History** Emma L. E. Rees,2013-08-01 From South Park to Kathy Acker, and from Lars Von Trier to Sex and the City, women's sexual organs are demonized. Rees traces the fascinating evolution of this demonization, considering how calling the 'c-word' obscene both legitimates and perpetuates the fractured identities of women globally. Rees demonstrates how writers, artists, and filmmakers contend with the dilemma of the vagina's puzzlingly 'covert visibility'. In our postmodern, porn-obsessed culture, vaginas appear to be everywhere, literally or symbolically but, crucially, they are as silenced as they are objectified. The *Vagina: A Literary and Cultural History* examines the paradox of female genitalia through five fields of artistic expression: literature, film, TV, visual, and performance art. There is a peculiar paradox - unlike any other - regarding female genitalia. Rees focuses on this paradox of what is termed the 'covert visibility' of the vagina and on its monstrous manifestations. That is, what happens when the female body refuses to be pathologized, eroticized, or rendered subordinate to the will or intention of another? Common, and often offensive, slang terms for the vagina can be seen as an attempt to divert attention away from the reality of women's lived sexual experiences such that we don't 'look' at the vagina itself - slang offers a convenient distraction to something so taboo. The *Vagina: A Literary and Cultural History* is an important contribution to the ongoing debate in understanding the feminine identity

*What's Up Down There?* Lissa Rankin, MD,2010-09-28 In this funny, outrageous and empowering book, Dr. Lissa Rankin answers all the secret gynecological questions that most women wonder about, but have always been afraid to ask. Suppose you had a wise, warm, funny best friend—who just happened to be a gynecologist. You're out with the girls for cocktails and the conversation turns to sex, and then to girly parts. One by one, you start asking her all the questions you've secretly wondered about—and discover that you have a lot in common. If you were to write those questions down, then you'd have *What's Up Down There?*, a life-changing little book that answers: - Do old ladies have saggy vaginas? - How do male gynecologists have a sex life without feeling like they're stuck at the office? - Is it normal for your inner labia to hang out of your outer labia? - Can the baby feel its mom having sex during pregnancy? - How common is it for one's boobs to be two totally different sizes? And so much more! As outrageously funny as it is empowering, this book reveals how to love yourself and your body—and will have you recommending it to every woman you know. From off-the-wall sex questions to serious topics of women's sexual health, *What's Up Down There?* provides answers to women of all ages and stages.

*The Wonder Down Under* Nina Brochmann,Ellen Støkken Dahl,2018-03-06 A joyful and indispensable guide filled with astonishing, important, and little-known information about the vagina that will equip a new generation to make informed choices about their sexual health and happiness. The *Wonder Down Under* is a comprehensive guide to a miraculous and complex part of the body that too few of us (regardless of gender) are all that familiar with--the vagina. With wisdom, humor, and scientific aplomb, medical student Ellen Støkken Dahl and Dr. Nina Brochmann take readers on a fascinating journey of female sexual organs and sexual health--from the clitoris to contraception to cervical cancer. More than a user's manual, this book is the funny, frank tribute to the vagina that we have been waiting for. The *Wonder Down Under* is filled with astonishing, essential, and little-known information--relayed with both medical expertise and genuine empathy. Did you know, for instance, that female and male sex organs are merely variations on the same basic structure? Or that there's no such thing as a virginity test--because examining the hymen cannot meaningfully indicate whether or not someone's had sex? Brochmann and Dahl have written a tour-de-force about the biology, anatomy, and reality of the female body, examining the many ways in which widespread misinformation and silence about the vagina have been harmful to women over time. The *Wonder Down Under* makes crucial contributions to the discussion: the book was an instant bestseller that sold out in its native Norway in just three days. Since then it has been acquired by publishers in more than two dozen countries around the world. The *Wonder Down Under* is a joyful and indispensable book that will educate readers of all kinds and equip a new generation to make informed choices about their sexual well-being.

**The Penis Book** Aaron Spitz, M.D.,2018-02-20 What's the weirdest thing you've ever wanted to know about the penis but were afraid to ask? Dr. Aaron Spitz has that answer—and many more. Let Dr. Spitz—who served as assistant clinical professor at UC Irvine's Department of Urology for 15 years and who is a regularly featured guest on *The Doctors*—become your best friend as he fearlessly guides you through the hairiest and the scariest questions in *The Penis Book*. An unflinching, comprehensive guide to everything from sexually transmitted infections to the science of blood flow, *The Penis Book* prominently features an easy-to-follow holistic five-step plan for optimum penis health, including plant-based eating recommendations, information on some penis-healthy foods, and suggested exercises for penis wellbeing. **Vagina** Naomi Wolf,2012-09-11 One of our bestselling and most respected cultural critics, Naomi Wolf, acclaimed author of *The Beauty Myth* and *The End of America*, brings us an astonishing work of cutting-edge science and cultural history that radically reframes how we understand the vagina—and, consequently, how we understand women. A “New Biography,” *Vagina* is at once serious, provocative, and immensely entertaining—a radical and endlessly fascinating exploration of the gateway to female consciousness from a remarkable writer and thinker at the forefront of the new feminism.

*The Little Book of Pussy* Dian Hanson,2013 Welcome to *The Little Book of Pussy*, a petite little kitten that puts those up-close-and-personal pictures in proper perspective. Through 100 years of photos, we trace the exhibitionistic pleasure with which models present their feminine pulchritude.

**Vagina** Naomi Wolf,2013 The embarrassment and alienation we often feel when the word 'vagina' comes up in conversation is fairly new. In this book, Naomi Wolf

explains why the vagina deserves an understanding of its own cultural lineage and ancestry because, what is true of the female body in general, is more true of the vagina than of any other feminine aspect.

**Vagina** Naomi Wolf, 2019-07-23 Eine radikale und faszinierende Entdeckungsreise durch den Körper und die Seele von Frauen – von der Leitfigur des amerikanischen Feminismus. Die Vagina ist die Essenz der Weiblichkeit, davon ist Naomi Wolf überzeugt. Sie widmet sich nicht nur ihren sexuellen, sondern auch den kulturgeschichtlichen Aspekten. Welche Rolle spielt die Vagina in der Kunst? Inwieweit hat Pornografie unseren Blick auf den weiblichen Körper verändert? Welche Auswirkungen hat sexuelle Gewalt auf das Gehirn von Frauen? Weshalb muss heute die Vagina bestimmten Schönheitsidealen entsprechen? Naomi Wolf entschlüsselt, wie sehr der Umgang mit dem weiblichen Körper auch für den Umgang mit Frauen in unserer Gesellschaft steht.

*The Little Penis: A Finger Puppet Parody Book* Craig Yoe, 2013-01-08 Meet Little Penis, the cute dinky winky you bring to life when you put your finger in the puppet in this delightfully crass and hilarious parody board book for adults. This board book parodies children's finger puppet books with its bold colors and simple illustrations, but this book is not for children! Instead, put your finger in the hole in the back of the book, and follow the adventures of Little Penis as he goes swimming (poor shrinking Penis!); gets out of bed early, so big and tall; gets a gentle kiss and hug (along with a good hard tug); head to a bar, gets drunk, and hooks up; and more—getting bigger and bigger with the turn of each page. Sometimes he's up and sometimes he's down, but there's a happy ending as he finds his snug, warm place called home!
