A Divine Madness Avigdor Miller,2013 Rabbi Avigdor Miller's last word about the origins of the Holocaust. Though the Rabbi often alluded to this book in his lectures, it remained unpublished for over forty years. At last, this remarkable work is available, describing as only Rabbi Miller could the shocking, disturbing origins of the Holocaust. Read the riveting story a nation estranged from its Creator, slipping farther and farther from Torah observance and towards its own annihilation. See pre-war Europe through the eyes of a Torah sage who was there.

Baderech Rabbi Judah Mischel, 2021-09-07 Embark on a path of teshuvah... □□□□, a path toward greater self-actualization, joy, and faith is one that brings us closer to the source of light within, our neshamah, our soul. With every step of this journey, we uncover more and more of who we are and what we can be. □□□□, on this path, we discover the great treasures that lie within: our abilities, potential, strengths, and essential holiness. □□□□, with Reb Zusha of Anipoli... The beloved tzaddik Reb Zusha was an embodiment of unassuming righteousness, sincerity, and down-to-earth holiness, who revealed a derech of teshuvah – a systematic path of “return.” Rooted in positivity, Reb Zusha’s real-world advice empowers us to advance personally and spiritually. This road map is not merely instruction in “how to do

teshuvah” but heartfelt and valuable guidance for living consciously in the Presence of Hashem in every area of our lives. Replete with powerful stories and illuminating, practical wisdom of the tzaddikim, Baderech is a vital companion for spiritual “travelers” at every stage, yearning to uncover their own path toward teshuvah.

*Duties of the Heart* Bahya ben Joseph ibn Paḳuda, 1970

The Hidden Hand Yaakov Astor, 2007 Did you know...?... that on D-Day -- the decisive day of battle in World War II -- Hitler overslept?... that a few stray bombs led to Germany's defeat in the Battle of Britain?... that the Watergate scandal saved Israel during the Yom Kippur War??... that a misstatement by a government official caused the collapse of the Berlin Wall? These and many other bizarre ?coincidences? of history are the subject of this book. This is not a Jewish history book. It is a book about history -- specifically, 20th century history -- from a Jewish, Torah-based perspective. Yaakov Astor reveals the hidden hand of G-d in many of the remarkable ?twists of fate? of 20th century history, while also shedding light on some of the valuable Torah messages we can derive from studying it.

To Remain a Jew It[is]khak Zil'ber, 2010 In the biting, forbidding winds of Communist Russia, one man staunchly refused to submit. Not through terrible imprisonment, and not under the threat of mortal peril. In this magnificent story, Rav Yitzchak Zilber's devotion and sacrifice for Torah Judaism under oppression shines through in the

bleakness of what was. The father to countless unfortunate Jews in the Soviet Union and Eretz Yisrael, and an extraordinary figure in the kiruv movement in Eretz Yisrael and in the Diaspora, Rav Yitzchok was renowned for standing up for his beliefs and encouraging hundreds of others to do the same. With photographs, anecdotes, and a compelling tone, this autobiography, comprised of accounts Rav Zilber told during his lifetime, this is truly an uplifting read. Translated from the original Russian and Hebrew editions.
