**The Big Exit** David Carnoy, 2012-10-11 The acclaimed author of *Knife Music* delivers “a thriller set in California’s Silicon Valley that has it all . . . [an] exceptionally satisfying murder puzzle” (Publishers Weekly, starred review). Richie Forman made his name and his fortune in dot-com marketing . . . but that was before he went to prison for a crime he swears he didn’t commit. Now that he’s been released, Richie wants to rebuild his life in the Bay Area. By day, he works at a law firm dedicated to freeing innocent men from prison. By night, he makes a living impersonating Frank Sinatra. But then his ex-best friend is found hacked to death in his garage, and Richie becomes the prime suspect. “Colorful characters abound” in this murder mystery with more intricate twists than a microchip. *The Big Exit* is a “first rate crime caper” (Kirkus).

**The Write Stride** Suyog Ketkar, 2017-06-13 Writing is never as hard as a writer shows it to be. But, it is not as easy and effortless as others think it is. Writing what you have in your mind is one of the most difficult things to do. The words must flow; the expressions must come the right way; the soul must remain intact over the edit iterations; the edits must contribute to the quality; and, the sequences must fall in place until the conclusion. If only all this was were so easy! That’s why writing about writing makes even more sense. For most of us, the focus is on the sellability of the content. But, we forget to check whether the content helps relieve the pains of the readers. Does the content bring any value to the readers? Does the content make the readers’ lives better? Does the content reduce their troubles? *The Write Stride: A Conversation with Your Writing Self* is an attempt to address such issues in writing. The book is a collection of the writing methodologies that I have designed to help me write clearly. And, I hope that they help you, too, do the same. To find out more about the methodologies, read the book.

This technological innovator led a fascinating, astounding and ultimately too short life, that irreversibly impacted how we communicate. Steve Jobs is a visual celebration and comprehensive study of ‘The Maverick’ and his work; and a must-have for any fan of Apple products.

**Schiit Happened** Jason Stoddard, Mike Moffat, 2015-06-14 For everyone who didn't win the venture capital lottery, for everyone who wasn't born with a trust fund, for everyone who doesn't have rich relatives... This is the story of how real start-ups work. This is how to turn a dream into a multi-million dollar business-without selling out, without spending a mint on marketing, and without losing your sense of humor. Meet Schiit Audio, a company born in a garage that went on to change the face of high-end personal audio-challenging the idea that everything must be made in China, rejecting old ideas about advertising and social awareness, and forging our own unforgettable brand. This is our (improbable) story. Here's to your own stories-and your success!

It’s a profile only his ailing mother could love—but it makes him perfect for one thing . . . The bait: Billionaire Nelson Scott wants Schmitt to seduce his wife—setting off a prenuptial clause that will keep her hands off his money. The job pays a million bucks just for trying. Another four if Schmitt pulls it off. All he has to do is say yes . . . The switch: Next thing he knows, he’s dealing with a lot more than he bargained for. Like Scott’s gorgeous, stiletto-sharp lawyer. A couple of shady suits who may or may not be Feds. And a few more dead bodies than he’s used to. But in the big leagues of money and power, Schmitt happens.
