My One Night Stand with Mr. Arrogant

Blue_Hisbiscus,2023-12-22 After getting drugged by her best friend at a party, Amelia ends up having a one night stand with a stranger. That stranger turned out to be Liam Grayson the ruthless, arrogant, and most successful CEO in their country. It was just a stand think of it as a gift from me to you Liam pointed out and in the next second Amelia grabbed his index finger that was pointing at her. It might be a stand but not all girls are dying to be on your bed especially not me Amelia replied through gritted teeth. Liam caught hold of her neck I can be scary, don't try to act special, I will compensate you for your loss he muttered as he stared at the red stain on the bed sheet. Amelia met his eyes Well I'm not scared of you Mr. arrogant She pulled his hand off her neck and left the room. Liam narrowed his eyes at her retreating, no one ever spoke back to him instead they cowered back in fear...

Mr. Arrogant Peyton Banks,2022-11-08 There's a reason for the nickname... Sofie Carter hated him. His smile. His cockiness. His swagger. Everything about him made her want to choose violence. Jaxon Keith should come with a warning label stamped on his forehead. His arrogance made her see red, but apparently, women loved him and what he had to offer. But Sofie wanted nothing to do with him. She only had to be around him because his

twin was married to her best friend. They even shared godparent duties of the couple's new baby, so there was no way she could avoid him. Sofie could never be with a man like him. At least that's what she told herself. She also told herself she wouldn't think about the night they shared. Okay, the few nights where she indulged in what Jaxon offered. She'd had a taste. It was official. She was addicted.

Aaron was his first love and First hate and The only one who destroyed his emotions but somehow Aaron rudeness was the main reason for Inventing undefeatable Man called Mr. Tomas charl, The Most Arrogant CEO, Rude, The Most Wealthy Businessman on earth.m most of all, he is 'The Hottest Smartest Billionaire' on Forbes. Finally, he was ready to take revenge with No Mercy.

Mr. Arrogant Alexis Gold, 2015-11-30 Naomi Bradshaw has just landed a job that will change her life in more ways than one... Billionaire CEO Jonathon Cross is incredibly handsome, extremely

smart and astonishingly powerful. Unfortunately, he is also the most ARROGANT man that Naomi has ever met and now she has landed a high paying job as his personal assistant. A job that Naomi is determined to be very professional about despite what temptations might arise when working close with a well known playboy. Little does she know, her indifference towards him is actually driving him to want her as more than an assistant and now he is willing to do anything to make it happen. What Jonathon Cross wants, Jonathon Cross gets. Or so he will say...

Her Arrogant Boss S.E. Roberts,2022-07-13 It was supposed to be one night... Ian: It was supposed to be one night of mindless sex. I don't do relationships and I never hook up with the same woman twice. I've been burned before, leaving me with permanent scars. But I can't seem to forget the leggy, nameless, blonde. That is until she shows up at my office needing a job. I try to deny her like the arrogant man I am, but Maddison soon crawls so far under my skin there's no going back for me. We'll have a little no-strings fun and then we can both move on. Easy enough, right? Maddison: I moved to the city for a fresh start, but it's hard for me to get motivated when I can't take my mind off the man who gave me a mind-blowing night and then tossed me out on the street. Imagine my surprise when he happens to be my new boss. I want to run away with my tail between my legs when he tries to refuse me a job, but Ian Wright quickly becomes a vital part of my life. We agree that nothing serious will happen between us, but when I find out I'm pregnant I'm not sure what he'll think. Will he run back to his playboy ways or can I tame my arrogant boss?

Dirty Rich One Night Stand Lisa Renee Jones,2017-10-17 DIRTY, RICH ONE NIGHT STAND. That's all it was supposed to be. Her. Him. Pleasure. And then a fast goodbye. He's a stranger. And yet, he's not. She knows him even though he doesn't know her. He's the powerful attorney, now world-renowned after coming off the trial of a century which was publicized across the country. And I'm one of the reporters that sat in his courtroom. I watched him,

studied him, got to know him from afar which isn't hard since I know his exact brand of confidence, arrogance, and wealth. I know his type. I've dated his type. Which is why when I happen to come face to face with him, when sparks fly and heat simmers between us, I know what happens if I say yes to Reese Summer. I know he'll taste like sin and sex, even before he kisses me. I know he'll feel like pleasure and passion, even before he touches me. I know he'll demand more than I wants to give, and yet, because I dare to give myself to him, the result will be deliciously hot. I know that I will not leave his bed without being utterly, completely sated. And I know that I will leave the next morning anyway. And so, I do. And so, he follows. And as the chase begins my question becomes: Is Reese Summer THE one or is he really just a dirty, arrogant lie that should have stayed a one night stand?

Arrogant CEO Be Good: I'm Pregnant Ma La,2020-01-18 In A city, all the rich and powerful men knew that Serving Emperor Club was specifically used to sell women on their first night in the market!

Something Unexpected Vi Keeland,2023-07-03 A new, sexy standalone from #1 New York Times Bestseller, Vi Keeland. When my grandmother found out she didn't have long to live, she embarked on a crazy trip—jumping out of airplanes and scuba diving with sharks. After I repeatedly voiced my concern, Gram blocked me—her own grandson—on text and social media, leaving me only her travel companion Eleanor's number. Eleanor started sending me pictures of Gram's adventures. At first she seemed nice, but when I attempted to persuade her to talk some sense into her friend, she told me where I could stick my advice. After that, photos arrived with snarky comments, and Eleanor and I got into it on more than one occasion. When I heard Gram's upcoming plans were more dangerous than ever, I hopped on a plane. Since I arrived late, I headed to the bar for a drink, figuring I'd surprise her in the morning. To my delight, I met a gorgeous woman looking for a no-strings-attached night. Nora was just what I

needed. She invited me back to her room, telling me to give her a ten-minute head start. But when I went to pay her bar tab, I realized how much she'd had to drink. As much as I wanted to ignore it, I couldn't. So I stood Nora up. I knew she'd be pissed, but I also knew I'd never see her again. Except never came a little early. Namely, the next morning when I went to meet my grandmother and her evil-spinster friend. Because old Eleanor turned out to be young Nora from last night. And if I thought the woman disliked me before, that was nothing compared to how ticked-off she was now. Or how unhappy she was going to be that their party of two was about to become a party of three.

The Rivals Vi Keeland, 2020-07-13 A sexy, enemies-to-lovers standalone novel from #1 New York Times Bestseller, Vi Keeland. The feud between Weston Lockwood and me started at the altar. Only neither of us attended the wedding, and the nuptials happened decades before either of us was born. Our grandfathers had been best friends and business partners, at least up until my grandfather's wedding day—when his bride-to-be blurted out she couldn't marry him because she was also in love with Weston's grandfather. The two men spent years fighting over Grace Copeland, who also happened to be their third business partner. But in the end, neither man could steal half of her heart away from the other. Eventually, they all went their separate ways. Our grandfathers married other women, and the two men became one of the biggest business rivals in history. Our fathers continued the family tradition of feuding. And then Weston and I did, too. For the most part, we kept as much distance as possible. Until the day the woman who started the feud died—and unexpectedly left one of the most valuable hotels in the world to our grandfathers to share. Now I'm stuck in a hotel with the man I was born to hate, trying to unravel the mess our families inherited. As usual, it didn't take long for us to be at each other's throats. Weston Lockwood was everything I hated: tall, smart, cocky, and too gorgeous for his own good. We were fire and ice. But that shouldn't be an issue. Our

families were used to being at war. There was just one minor problem, though. Every time Weston and I fought, we somehow wound up in bed.

Mud, Maul, Mascara Catherine Spencer, 2020-02-06
Longlisted for William Hill Sports Book of the Year 2020 'This pioneering memoir . . . engagingly balances the highs of captaincy and grand slams with striking emotional honesty as to her regrets' Guardian Books of the Year 'Her struggle is that of women's rugby and it is told here with great honesty' Sunday Times Books of the Year Catherine Spencer was the captain of the England women's rugby team for three years. She scored eighteen tries for England, won six of the eight Six Nations competitions she took part in, and captained her team to three championship titles, a European cup,

two Nations Cup tournament victories and the World Cup final held on home soil in 2010, which thrust women's rugby into the limelight. All of this while holding down a full time job, because the women's team, unlike the men's, did not get paid for their sport. Mud, Maul, Mascara is an effort to reconcile alleged opposites, to show the woman behind the international sporting success. Painfully honest about the mental struggles Catherine faced during, and after, her career as an elite athlete, it is also warm, funny and inspirational – a book for anyone who has ever had a dream, or self-doubt, or a yearning for a really good, mud-proof mascara.

Mr. Hotness Peyton Banks, 2021-11-02 Would one night be enough? Alana Thorton had watched her new neighbor move in across the hall. Women came and went. Each one who left his apartment had a satisfied smile on her lips. London Keith was a player—bad news. Spying on him became her favorite pastime. It earned him a nickname...Mr. Hotness. Alana swore she'd never give in to a guy like him. He would do nothing but break her heart. But curiosity got the best of her. What was so alluring about London? Then she saw him with his shirt off. Heard his sexy accent, and she completely forgot she'd vowed to steer clear. Alana had been celibate too long, but London could fix her problem. She might as well let him try. It would only be one night. It was quite obvious the man had skills. Still, she didn't expect her neighbor to be quite so...addicting. Please note: Mr. Hotness was previously featured in the Tangled Sheets anthology. This is the extended version of the story. It is a steamy BWWM romance as only Peyton Banks can write.
