Each week you will be guided with questions applying biblical truth to your relationship with your spouse. And you'll finish the week with a time of reflection, thanksgiving and prayer. Couples of the Bible will teach you how God guided couples in the past and will encourage you to trust in his faithfulness for your marriage.

Waiting While Dating Lindsey Holder,2017-09-01 Dating in modern times can be confusing and seem more complicated than ever. How do you date and get close to someone while keeping God first? When meeting someone new, there are many questions and scenarios to be thought about. Should he pursue first? How often should you spend time together? When should you start attending church as a couple? Should you serve in the same area? When into the relationship should you hold hands or kiss? What do social media boundaries look like? While these specific questions are not directly answered in the Bible, it is comforting to know six couples who kept God first in the relationship and yet each had different answers to these questions and more. Waiting While Dating interviews six Christian couples who had different backgrounds and situations, some had been previously married and some had not. The couples span from meeting in their twenties, to thirties and forties. Each couple opens up and gives personal insight on what attracted them to their current spouse, how they held each other accountable, what leadership from the man looked like in the relationship, what patience looked like from the female perspective and many more intimate details. Whether you're heading out on that next first date, are pondering about your current relationship, or whether you're in the engagement phase, let Waiting While Dating open up some questions to help you keep God first while on your journey to finding your forever.
