Blasphemy Douglas Preston,2008-01-08 In Douglas Preston's Blasphemy, the world's biggest supercollider, locked in an Arizona mountain, was built to reveal the secrets of the very moment of creation: the Big Bang itself. The Torus is the most expensive machine ever created by humankind, run by the world's most powerful supercomputer. It is the brainchild of Nobel Laureate William North Hazelius. Will the Torus divulge the mysteries of the creation of the universe? Or will it, as some predict, suck the earth into a mini black hole? Or is the Torus a Satanic attempt, as a powerful televangelist decries, to challenge God Almighty on the very throne of Heaven? Twelve scientists under the leadership of Hazelius are sent to the remote mountain to turn it on, and what they discover must be hidden from the world at all costs. Wyman Ford, ex-monk and CIA operative, is tapped to wrest their secret, a secret that will either destroy the world...or save it. The countdown begins... Unveiling India Anees Jung,2000-10-14 The women in this book are not extraordinary or famous, and yet their stories and testimonies, narrated here by one of India's best-known women journalists, provide a passionate, often deeply touching, revelation of what it means to be a woman in India today. The women tell of marriage and widowhood, unfair work practices, sexual servitude, the problems of bearing and rearing children in poverty, religion, discrimination, other forms of exploitation ... Yet they also talk of fulfilling relationships, the joys of marriage and children, the exhilaration of breaking free from the bonds of tradition, ritual, caste, religion ... Interwoven with all this is the story of one woman's journey--of how Anees Jung, the author, brought up in purdah, succeeded in shaking off the restricting influences of her traditional upbringing to become a highly successful, independent career woman, still a comparatively rare phenomenon in India. As such, the book is essential reading for anyone wishing to understand the women of India--the silent majority that is now beginning to make itself heard.

Timepass Protima Bedi,2000 Few lives have been more eventful and controversial than Protima Bedi's, and *Timepass*, derived from her unfinished autobiography, journals and her letters to family, friends and lovers, is a startlingly frank and passionate memoir. Protima recounts with unflinching honesty the events that shaped her life: her humiliation as a child at being branded the ugly duckling, repeated rape by a cousin when she was barely ten, the failure of her 'open' marriage with Kabir Bedi, her many sexual encounters, and the romantic relationships she had with prominent politicians and artistes. She writes, too, of her intense involvement with dance, her relationship with her guru and fellow dancers, the difficult mission of establishing Nrityagram, and the suicide of her son--a tragedy from which she never fully recovered. In a moving epilogue to the book, her daughter, Pooja Bedi, describes her last days and the circumstances of her death. Illustrated with over fifty photographs, *Timepass* is the story of a remarkable woman who had the spirit, the courage and the intelligence to live life entirely on her own terms. I have broken every single rule that our society has so carefully constructed. doing and never given a damn. I have flaunted my youth, my sex, my

intelligence, and I have done it shamelessly. I have loved many, been loved by some...

My Name Is Parvana Deborah Ellis, 2023-02-02 The fourth book in the internationally bestselling series that includes *The Breadwinner*, *Parvana's Journey* and *Mud City*. In this stunning sequel, Parvana, now fifteen, is found in a bombed-out school and held as a suspected terrorist by American troops in Afghanistan. The army major thinks she may be a terrorist working with the Taliban. Parvana does not respond to questions in any language and remains silent. As she waits for foreign military forces to determine her fate, she remembers the past four years of her life. Reunited with her mother and sisters, she has been living in a village where her mother has finally managed to open a school for girls. But even though the Taliban has been driven from the government, the country is still at war, and many continue to view the education and freedom of girls and women with suspicion and fear.

The Prophet's Hair Salman Rushdie, 2016-05-02 A Vintage Shorts "Short Story Month" Selection Secular moneylender and manic collector of treasures, Hashim lives a life of gentle honor until he discovers, washed up to his private quay, a great relic: a silver pendant bearing a strand of the Prophet's hair. From one of the most controversial novelists of the last century, world-renowned master of invention and allusion Salman Rushdie, "The Prophet's Hair" vibrates with fantastical promise, smashing together cultures and worlds, fantasy with reality, into breathless and lush allegorical fable. Selected from Rushdie's collection of nine enchanting short stories, *East West*. An ebook short.

A Life Less Ordinary Baby Halder, 2009-10-13 When she was very young, Baby Halder was abandoned by her mother and left with a cruel, abusive father. She was married off at twelve to a man twice her age who beat her. At fourteen, she was a mother herself. Her early life was marked by overwhelming challenges and heartbreak until, exhausted and desperate, she fled with her three children to Delhi, to work as a maid in some of the city's wealthiest homes. Expected to serve her employers' every demand, she faced a staggering workload that often left her no time to care for her own children. But she never complained, for such is the lot of the poor in modern-day India. Written without a trace of self-pity, *A Life Less Ordinary* is a shocking look deep inside a world of poverty and subjugation that few outsiders know about—and an inspiring true story of one remarkable woman's strength, courage, and determination to soar above her circumstances.

Women Writing Violence Shreerexha Subramanian, 2013-01-24 *Women Writing Violence* engages with select contemporary novels in which women characters resist violence and redefine notions of community by imagining bonds with the exiled and the disempowered. The author interweaves the literary landscapes of African-American writer Toni Morrison with the oeuvre of South Asian writers Mridula Garg, Tahmina Durrani, Amrita Pritam, Bapsi Sidhwa, and Mahasweta Devi. This results in the opening of a new gateway into the thinking about violence and survival through a feminist, transnational lens. Subramanian places women's literary imaginary at the margins of both the nation-state and the patriarchal community. She creates a specifically female language and emphasizes the ingenious ways in which women characters in novels restore dignity and agency to their kin and beloved. The book focuses on voice and narrative techniques within the novel and transgresses the confines of the Enlightenment discourse to reckon with conceptual categories such as community and belonging.

Umrao Jan Ada Mirza Muhammad Hadi Ruswa, 2018-12-03 Translated from the Urdu by Khushwant Singh. *Umrao Jan Ada* is perhaps one of the most enigmatic and forgotten female figures

in South Asian Literature. The question of her existence, her beauty, her scholarly abilities and her poetic gift remain a mystery. The book is an account of Umrao's life as a Lucknawi courtesan, a nautch girl, delivered in first person by Umrao herself, and documented by a close friend. Written more than a hundred years ago, the novel recreates the gracious ambience of old Lucknow and takes the reader on a fascinating journey through the palaces of wealthy nawabs, the hideouts of the colorful vagabonds and the luxurious abodes of the city's courtesans.

Purdah and Polygamy Iqbalunnissa Hussain, 2019-06-20 Originally published in 1944 by Hosali Press, Bangalore, this book is believed to be one of the first full-length English language novel by an Indian Muslim woman in the pre-Partition era. It has clear links with the biting criticism in the feminist Urdu fiction of writers such as Ismat Chughtai and Rashid Jahan. It mounts a scathing attack on the traditional systems of purdah and polygamy in which a man is treated as a virtual god and women, who are often barely literate, as chattel. Through its ironic tone, the novel demonstrates the corrupting influence of this patriarchal system and its power to warp the lives of the women who live under it. For this historically significant work, Jessica Berman of the University of Maryland, Baltimore County, USA, has written the Introduction and provided contextual footnotes for the text. Also included are essays by literary critic Muneeza Shamsie (International Advisory Board, Journal of Postcolonial Writing) and academics, Suvir Kaul (University of Pennsylvania) and Arif Zaman (London School of Business and Management).

The Battle for Pakistan Shuja Nawaz, 2020-04-10 The Battle for Pakistan showcases a marriage of convenience between unequal partners. The relationship between Pakistan and the United States since the early 1950s has been nothing less than a whiplash-inducing rollercoaster ride. Today, surrounded by hostile neighbors, with Afghanistan increasingly under Indian influence, Pakistan does not wish to break ties with the United States. Nor does it want to become a vassal of China and get caught in the vice of a US-China rivalry, or in the Arab-Iran conflict. Internally, massive economic and demographic challenges as well as the existential threat of armed militancy pose huge obstacles to Pakistan's development and growth. Could its short-run political miscalculations in the Obama years prove too costly? Can the erratic Trump administration help salvage this relationship? Based on detailed interviews with key US and South Asian leaders, access to secret documents and operations, and the author's personal relationships and deep knowledge of the region, this book untangles the complex web of the US-Pakistani relationship and identifies a clear path forward, showing how the United States can build better partnerships in troubled corners of the world.

SONG OF DRAUPADI (HB) Ira Mukhoty, 2021-05-05

Against White Feminism: Notes on Disruption Rafia Zakaria, 2021-08-17 A radically inclusive, intersectional, and transnational approach to the fight for women's rights. Upper-middle-class white women have long been heralded as "experts" on feminism. They have presided over multinational feminist organizations and written much of what we consider the feminist canon, espousing sexual liberation and satisfaction, LGBTQ inclusion, and racial solidarity, all while branding the language of the movement itself in whiteness and speaking over Black and Brown women in an effort to uphold privilege and perceived cultural superiority. An American Muslim woman, attorney, and political philosopher, Rafia Zakaria champions a reconstruction of feminism in *Against White Feminism*, centering women of color in this transformative overview and counter-manifesto to white feminism's global, long-standing affinity with colonial, patriarchal, and white supremacist ideals. Covering such ground as the legacy of the British feminist imperialist savior complex and "the colonial thesis that all reform comes from the West" to the condescension of the white feminist-led "aid industrial complex" and the conflation of sexual liberation as the "sum total of empowerment," Zakaria follows in the tradition of intersectional feminist forebears Kimberlé Crenshaw, Adrienne Rich, and Audre Lorde. Zakaria ultimately refutes and reimagines the apolitical aspirations of white feminist empowerment in this staggering, radical critique, with Black and Brown feminist thought at the forefront.
