

Hms Victory Pocket Manual 1805 Admiral Nelson S F

Peter Goodwin

HMS Victory Pocket Manual 1805 Peter Goodwin,2015-12-10 This new addition to the best-selling Conway pocket-book range features Admiral Nelson's fully preserved flagship HMS Victory, the most tangible symbol of the Royal Navy's greatest battle off Cape Trafalgar on October 21st 1805. In the *HMS Victory Pocket Manual*, Peter Goodwin adopts a fresh approach to explain the workings of the only surviving 'line of battle' ship of the Napoleonic Wars. And, as Victory was engaged in battle during only two per cent of her active service, the book also provides a glimpse into life and work at sea during the other ninety-eight per cent of the time. This volume presents answers to questions such as: 'What types of wood were used in building Victory?'; 'What was Victory's longest voyage?'; 'How many shots were fired from her guns at Trafalgar?'; 'How many boats did Victory carry?'; 'What was prize money?'; 'What was grog?'; 'When did her career as a fighting ship end?', and 'How many people visit Victory each year?'. It gives a full history of the world's most famous warship through a highly accessible pocket-book format. The book Includes a pertinent and varied selection of contemporary documents and records to explain the day-to-day running of a three-decker Georgian warship. The leading historian of the sailing man of war, Peter Goodwin was technical and historical advisor to HMS Victory in Portsmouth for more than 20 years, and is in a unique position to investigate and interpret not only the ship's structure but also the essential aspects of shipboard life: victualling, organisation, discipline, domestic arrangements and medical care.

Nelson's Navy Philip Haythornthwaite,2012-04-20 Despite the many celebrated victories of the British Army during the Napoleonic Wars, the role of the Royal Navy should never be overlooked. The 'wooden walls' formed the country's first and most important line of defence, and ranged throughout the world to protect Britain's trade-routes and in support of the land forces and overseas possessions. This book covers the huge variations in uniforms not just in the Navy but the Royal Marines and Infantry regiments which served alongside naval crews. It also looks at the organisation, training and recruitment of the force and corrects a number of misconceptions regarding impressment and training.

Nelson's Victory Peter Goodwin,2004 With the approach of the 200th anniversary of the Royal Navy's greatest battle off Cape Trafalgar on October 21st 1805, much attention will be given to our most tangible symbol of that most ferocious engagement, Nelson's fully preserved flagship HMS Victory.

A Short History of H.M.S. "Victory" William James Lloyd Wharton,1904

A Nelson Companion C. Maynard,2004 This concise yet detailed handbook provides the nautically inquisitive or historically minded reader with, arguably, everything he or she needs to know about the Royal Navy or Commander Jack Aubrey—protagonist of Patrick O' Brian's best selling series set during the era of the Napoleonic wars—and of Admiral Horatio Nelson, the greatest of all Britain's naval commanders. Decorated with line illustrations, many of them contemporary, and packed with detail,A Nelson Companion is an essential guide to the Royal Navy of Jack Aubrey's time, and its unrivalled history.

A Short History of H.M.S. "Victory," ,1908

The Life of Nelson Alfred Thayer Mahan,1968 The most detailed and noteworthy research biography of Lord Nelson's maritime career, his life at sea, battle strategy, ship innovations, and tours of duty. It remains today, one of the most frequently referenced works on the subject of Britain's late 18th- and early 19th-century naval power. This is the first high-quality facsimile edition ever produced, including reproductions of original pull-out maps (one in two-color). It is also the only single-volume reproduction available.

An Authentic Narrative of the Proceedings of His Majesty's Squadron, Under the Command of Rear-Admiral Sir Horatio Nelson. Sir Edward Berry,1798

Nelson's Surgeon Laurence Brockliss,John Cardwell,Michael Moss,2005-10-06 Despite the significant role played by the health and fitness of the British crews in Nelson's defeat of the Combined Fleet in 1805, little has been written hitherto about the naval surgeon in the era of the long war against France. This book is intended to fill the gap. Sir William Beatty (1773-1842) was surgeon of the Victory at Trafalgar. An Ulsterman from Londonderry, he had joined the navy in 1791. Before being warranted to Nelson's flagship, Beatty had served upon ten other warships, and survived a yellow fever epidemic, court martial, and shipwreck to share in the capture of a Spanish treasure ship. After Trafalgar, he became Physician of the Channel Fleet, based at Plymouth, and eventually Physician to Greenwich Hospital, where he served until his retirement in 1838. As the book makes clear in drawing upon an extensive prosopographical database, Beatty's career until 1805 was representative of the experience of the approximately 2,000 naval surgeons who joined the navy in the course of the war. The first part of the biography provides a detailed and scholarly introduction to the professional education, training, and work of the naval surgeon. But after 1805 Beatty became a member of the service elite, and his career becomes interesting for other reasons. In the final decades of his life, Beatty was far more than a senior naval physician. As a Fellow of the Royal Society, director of the Clerical and Medical Insurance Company, and director of the London to Greenwich Railway, he was a prominent figure in London's business and scientific community, who used his growing wealth to build a large collection of books and manuscripts. His later life is testimony to the much wider contribution that some naval and army medical officers made to the development of the new Britain of the nineteenth century. In Beatty's case, too, the contribution was original. By publishing in 1807 his carefully crafted *Authentic Narrative of the Death of Lord Nelson* , he was instrumental in forging the myth of the hero's last hours, which has become a part of the national consciousness and has helped to define for generations the concept of Britishness.

Cumulated Index to the Books ,1943
