The Frankies Spuntino Kitchen Companion & Cooking Manual Frank Castronovo, Frank

Falcinelli, Peter Meehan, 2010-06-14 From Brooklyn's sizzling restaurant scene, the hottest cookbook of the season... From urban singles to families with kids, local residents to the Hollywood set, everyone flocks to Frankies Spuntino—a tin-ceilinged, brick-walled restaurant in Brooklyn's Carroll Gardens—for food that is completely satisfying (wrote Frank Bruni in *The New York Times*). The two Franks, both veterans of gourmet kitchens, created a menu filled with new classics: Italian American comfort food re-imagined with great ingredients and greenmarket sides. This witty cookbook, with its gilded edges and embossed cover, may look old-fashioned, but the recipes are just what we want to eat now. The entire Frankies menu is adapted here for the home cook—from small bites including Cremini Mushroom and Truffle Oil Crostini, to such salads as Escarole with Sliced Onion & Walnuts, to hearty main dishes including homemade Cavatelli with Hot Sausage & Browned Butter. With shortcuts and insider tricks gleaned from years in gourmet kitchens, easy tutorials on making fresh pasta or tying braciola, and an amusing discourse on Brooklyn-style Sunday sauce (ragu), *The Frankies Spuntino Kitchen Companion*

& Kitchen Manual will seduce both experienced home cooks and a younger audience that is newer to the kitchen.

Simply Scratch Laurie McNamara, 2015-11-17 From the popular blogger behind Simply Scratch comes a debut cookbook showing how to home-cook absolutely everything from scratch. For Laurie McNamara, growing up on a farm in the country had major perks: her mother cooked with vegetables

from the family garden, they collected fresh eggs from the chicken coop, and absolutely everything--from ketchup to casseroles--was made 100 percent from scratch. When she moved away from home, though, McNamara was too busy working full-time and raising two kids to prepare from-scratch meals. Like most Americans, she relied on boxed brownie mix, canned soup, bottled dressings, and frozen dinners to make home cooking quicker and cheaper. But she soon learned that these so-called shortcuts were in fact both more expensive and light-years less healthy than simply making everything herself. Eventually, she'd had enough and vowed to remake her kitchen into a from-scratch kitchen. Now, four years later, McNamara has helped hundreds of thousands of home cooks prepare from-scratch meals with whole food ingredients through her blog, *Simply Scratch*. McNamara's highly anticipated debut cookbook, *Simply Scratch*, takes her home-cooking know-how to the nation, with 120 wholesome, mouthwatering recipes along with stunning photography, entertaining anecdotes, and personal musings. This book offers easy recipes for delectable concoctions such as Buckwheat Pancakes and Creamy Roasted Tomato Soup. *Simply Scratch* will be the must-have bible to cooking

beyond the box and can. Featuring everyday ingredients, a down-to-earth approach, and family recipes, *Simply Scratch* proves cooking from scratch can be affordable, simple, fun, and--of course--absolutely delicious--
