Maternal Desire Daphne de Marneffe, 2019-05-14

Esteemed psychologist Daphne de Marneffe examines women's desire to care for children in an updated reissue of her "fascinating analysis that's a welcome addition to the dialogues about motherhood" (Publishers Weekly). If a century ago it was women's sexual desires that were unspeakable, today it is the female desire to mother that has become taboo. One hundred years of Freud and feminism have liberated women to acknowledge and explore their sexual selves, as well as their public and personal ambitions. What has remained inhibited is women's thinking about motherhood. *Maternal Desire* is the first book to treat women's desire to mother as a legitimate focus of intellectual inquiry and personal exploration. Shedding new light on old debates, Daphne de Marneffe provides an emotional road map for mothers who work and mothers who are at home. De Marneffe both explores the enjoyment and anxieties of motherhood and offers mothers in all situations valuable ways to think through their self-doubts and connect to their capacity for pleasure. Drawing on a rich tradition of writers, such as Simone de Beauvoir, Adrienne Rich, Carol Gilligan, and Susan Faludi, as well as her experience as a psychologist and mother of three, de Marneffe illuminates how we express our desire to care for children. By treating maternal desire as a central feature of women's identity—rather than as an inconvenient or slightly embarrassing

detail—we can look with fresh insight at controversial issues, such as childcare, fertility, abortion, and the role of fathers. An “absorbing look at the enormous personal pleasure that women derive from mothering...Maternal Desire is a stirring book that celebrates women’s love for their children and mothering while also supporting their interest in careers and other pursuits” (Booklist).

I Love You, Mom Carter Brown,2013-03-03 Mothers are indescribably wonderful. They have loved us unconditionally, from the very day we entered their womb, and love us even more the first day they set their eyes on us and carry us in their arms. No other women will ever take their place in our hearts.This suspenseful novel focuses on Solomon, a young man whose devotion to his mother is matched only by his lust for wealth. A single mother who has worked tirelessly to educate her only child Solomon and provide him with everything he needed. Solomon is now in college and doing well. But each night he watch his mother enduring sleepless nights with threatening letters from banks and bill collectors pile up, frightens Solomon. In trying to provide for his mom and satisfy his thirst for money, Solomon decides to give school a break and descends into a life of crime, breaking her heart. But, strong and determined, she still refuses to give up hope on her only son, confident that he'll one day return to a righteous path.

My Mother's Daughter Nicky Singer,1998 How would you feel if you discovered that the person you've always assumed to be your mother is not your mother at all? *The Gift* is a hot summer tale of secrets, of loving too much and of not being able to say 'no'. It is about the thin line between sensuality and sexuality, love and lust, white lies and black, what we choose to remember and what to forget. It's about what parents will do for and to their children. Most of all it's about what it is that makes a mother.

If Mom's Happy Brandy Fox,2017-05 Erotic moms know what makes them happy? and what turns them on.They might be exhausted, over-touched and under-appreciated, but they're problem solvers who know how to get their ?self-care? on. In these stories, we hear from women waiting for their child's arrival; mothers of infants, toddlers and teenagers; straight, queer, partnered and single mothers. We hear from mothers who like it vanilla and others who want some kink. They lust after their longtime partners and near strangers, in public and in private, alone or with another? or a few others. No matter where, when, or how, these stories capture the complex and profound --and ultimately satisfying--task of attending to your own desires while tending to children.

The Good Mother Sue Miller,2001-03-01 Her lover or her child - who will she choose? A powerfully

compelling novel of love and lust, and the conflict between maternal love and erotic love. Anna is a divorcee, a piano teacher, and a devoted mother. She was brought up in a family which valued achievement and self-discipline above almost everything else, but what Anna has always longed for is to be more passionate and expressive, both in her music and in her life, than she seems capable of being. Then she falls in love with Leo, an artist, and in many ways the kind of wild, impulsive person Anna has always wanted to be. Their relationship is intensely sexual and it is this, ultimately, which threatens to destroy all that Anna holds dear.

What's a Mother to Do? Lowell W.

Eaton, 2010-10-22 Frank Harley, a small-town PI, has big-time problems. A major crime figure wants to kill him, his philandering preacher father has run off with the organist again, when he engages in his hobby of drawing pin-ups, his lipstick lesbian wife, Mavis, seduces his models, and he's been hired to protect a stripper named Autumn from Buddy Omaha, the same crime figure who wants to kill him. And all he ever wanted was to be a good guy...

Reveals unexplored links between Shakespeare's plays and the work of Eugene O'Neill

Maternal Desire De Marneffe, 2007-04 This is an important and exciting addition to the debate about children, love and the inner life. Does identifying and talking about maternal desire feed old notions about women's nature and justify restrictions of their rights? Or is it an

opportunity to understand women more deeply? *Maternal Desire* shows that the iconic images of motherhood - from the sacrificial mother to the supermom - and the endless debates about what's best for children, obscure the profound meaning of mothering - and the desire to mother. Here is a book that gives a common voice to mothers and examines motherhood as an active and transforming experience.

A Single Mother's Craving Anthony George, 2022-11-08

Stories to Hide from Your Mother Tess

Fragoulis, 1997 The modern tales in *Stories to Hide From Your Mother* provide directions for conduct in a difficult world, filled with hysterical wedding parties, abusive lovers, and judgmental mothers. In *Stories to Hide From Your Mother*, the body plays a central role--a site of lurid spectacle and misplaced lust; and the various characters--a woman who obsesses over a young man on a bus, another who regularly confronts her lover's wife in dreams--wear their moral ambiguities on their sleeves as sacrificial signs of life. The women in Fragoulis' intense, visceral stories are outsiders--social outlaws redeemed by their fixations and temptations, informed and infested by tradition, etiquette, and transgressive fluids. Fraught with danger, these *Stories to Hide From Your Mother* will leave you shaking to the core.

Lust For Mother Introduction

In the digital age, access to information has become easier than ever before. The ability to download Lust For Mother has revolutionized the way we consume written content.

Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Lust For Mother has opened up a

world of possibilities. Downloading Lust For Mother provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching,

and reading on the go. Moreover, the cost-effective nature of downloading Lust For Mother has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal

opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Lust For Mother. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge.

These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Lust For Mother. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors,

publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Lust For Mother, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Lust For Mother has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide.

However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
