Rob Laidlaw

*Shelter in Place* Nora Roberts, 2018-05-29 From Nora Roberts comes the #1 New York Times bestseller *Shelter in Place* (June 2018)—a powerful tale of heart, heroism...and propulsive suspense. It was a typical evening at a mall outside Portland, Maine. Three teenage friends waited for the movie to start. A boy flirted with the girl selling sunglasses. Mothers and children shopped together, and the manager at video game store tended to customers. Then the shooters arrived. The chaos and carnage lasted only eight minutes before the killers were taken down. But for those who lived through it, the effects would last forever. In the years that followed, one would dedicate himself to a law enforcement career. Another would close herself off, trying to bury the memory of huddling in a ladies' room, helplessly clutching her cell phone-- until she finally found a way to pour her emotions into her art. But one person wasn't satisfied with the shockingly high death toll at the DownEast Mall. And as the survivors slowly heal, find shelter, and rebuild, they will discover that another conspirator is lying in wait--and this time, there might be nowhere safe to hide.

**Shelter in Place** David Leavitt, 2022-04-14 'Very funny and unexpected, a material response to our times, plush as velvet' Rachel Cusk 'A wickedly funny and emotionally expansive novel' Jenny Offill It is the Saturday after the 2016 presidential election, and in a plush weekend house in Connecticut, a group of New Yorkers has gathered to recover from what they consider the greatest political catastrophe of their lives. Liberal and like-minded, the friends have come to the countryside in the hope of restoring the bubble in which they have grown used to living. Moving through her days accompanied by a carefully curated salon, Eva Lindquist is a generous hostess with an obsession for decorating. Yet when, in her avidity to secure shelter for herself, she persuades her husband to buy a grand if dilapidated apartment in Venice, she unwittingly sets off the chain of events that will propel him to venture outside the bubble and embark on an unexpected love affair. A slyly comic look at the shelter industry, *Shelter in Place* is a novel about house and home, safety and freedom and the insidious ways in which political upheaval can undermine even the most seemingly impregnable foundations.

Shelter Lloyd Kahn, 2000 Shelter is many things - a visually dynamic, oversized compendium of organic architecture past and present; a how-to book that includes over 1,250 illustrations; and a Whole Earth Catalog-type sourcebook for living in harmony with the earth by using every conceivable material. First published in 1973, Shelter remains a source of inspiration and invention. Including the nuts-and-bolts aspects of building, the book covers such topics as dwellings from Iron Age huts to Bedouin tents to Togo's tin-and-thatch houses; nomadic shelters from tipis to housecars; and domes, dome cities, sod iglus, and even treehouses. The authors recount personal stories about alternative dwellings that illustrate sensible solutions to problems associated with using materials found in the environment - with fascinating, often surprising results.

**In the Shelter** Pádraig Ó Tuama, 2021-03-23 From master storyteller and host of On Being's Poetry Unbound, Pádraig Ó Tuama, comes an unforgettable memoir of peace and reconciliation, Celtic spirituality, belonging, and sexual identity. It is in the shelter of each other that the people live. Drawing on this Irish saying, Ó Tuama relates ideas of shelter and welcome to our journeys of life, using poetry, story, biblical reflection, and prose to open up gentle ways of living well in a troubled world. In the Shelter introduces Corrymeela, the Northern Ireland peace and reconciliation community Ó Tuama led for many years, and throughout the book he reveals the power of storytelling in communities of conflict. From the heart of a poet comes a profound look at the landscapes we all try to inhabit even as we always search for shelter, a place we can call home. An instant spiritual classic in Ireland and Britain, now brought to a US readership.

*Time Shelter* Georgi Gospodinov, 2023-03-30 WINNER OF THE INTERNATIONAL BOOKER PRIZE 2023 A GUARDIAN AND FINANCIAL TIMES BOOK OF THE YEAR 'The most exquisite kind of literature... I've put it on a special shelf in my library that I reserve for books that demand to be revisited every now and then.' OLGA TOKARCZUK, author of Drive Your Plow Over the Bones of the Dead 'Could not be more timely... It's funny and absurd, but it's also frightening, because even as Gospodinov plays with the idea as fiction, the reader begins to recognise something rather closer to home... A writer of great warmth as well as skill' GUARDIAN 'In equal measure playful and profound, Time Shelter renders the philosophical mesmerizing, and the everyday extraordinary. I loved it' CLAIRE MESSUD, author of The Woman Upstairs 'A genrebusting novel of ideas... Gospodinov's vision of tomorrow is the nightmare from which Europe knows it must awake. And accident, in combination with the book's own merits, may just have created a classic' THE TIMES 'Gospodinov is one of Europe's most fascinating and irreplaceable novelists, and this his most

expansive, soulful and mind-bending book' DAVE EGGERS, author of *The Circle* 'Touching and intelligent' NEW YORK TIMES 'A powerful and brilliant novel: clear-sighted, foreboding, enigmatic' SANDRO VERONESI, author of *The Hummingbird* 'An immensely enjoyable book which achieves depth with an affable narrative voice' IRISH TIMES *In Time Shelter*, an enigmatic flâneur named Gaustine opens a 'clinic for the past' that offers a promising treatment for Alzheimer's sufferers: each floor reproduces a decade in minute detail, transporting patients back in time. As Gaustine's assistant, the unnamed narrator is tasked with collecting the flotsam and jetsam of the past, from 1960s furniture and 1940s shirt buttons to scents and even afternoon light. But as the rooms become more convincing, an increasing number of healthy people seek out the clinic as a 'time shelter', hoping to escape from the horrors of our present - a development that results in an unexpected conundrum when the past begins to invade the present. Intricately crafted, and eloquently translated by Angela Rodel, *Time Shelter* cements Georgi Gospodinov's reputation as one of the indispensable writers of our times, a major voice in international literature. Georgi Gospodinov is one of Europe's most acclaimed writers. Originally from Bulgaria, his novels have won his country's most prestigious literary prize twice and have been shortlisted for more than a dozen international prizes - including the 2015 PEN Literary Award for Translation, the Premio Gregor von Rezzori, the Premio Strega Europeo, the Bruecke Berlin Preis, and the Haus der Kulturen der Welt Literaturpreis. **Emergency Air** F.J. Bohan, 2013-04-01 From the author of *Living on the Edge and Barbed Wire*, *Barricades*, and *Bunkers* comes another information-packed guidebook for today's survivalists, *Emergency Air: For Shelter-in-Place Preppers and Home-Built Bunkers*. This new book offers a breath of fresh air on a subject about which very little information is available. It won't matter how well you plan or how much food, water, and other supplies you have stored and waiting for your neighborhood to become a nuclear fallout zone. Without breathable air, you will die! Leaving it for others to compile the lists of bullets, beans, and Band-Aids in their disaster-relief books, F.J. Bohan details how to safely ventilate an underground bunker or shelter-in-place room, sealed with duct tape and plastic sheeting, so you can escape the airborne particulate threats of anthrax, nuclear fallout, dirty bombs, biological and pandemic agents, or other airborne threats. This book educates you about all the variables involved in providing fresh air to your shelter before the need arises, including passive and active ventilation, air pumps, plumbing the bunker, air filters, and gas masks. After studying *Emergency Air*, you can breathe easier knowing you have done all you can to ensure your family's emergency air supply during a chemical, biological, -radiological, or nuclear emergency.

**Shelter in Place** Alexander Maksik, 2016-09-15 Set in the Pacific Northwest

in the jittery, jacked-up early 90s, from one of America's most thrillingly defiant contemporary storytellers, *Shelter in Place* is a stylish literary novel about the hereditary nature of mental illness, the fleeting intensity of youth, the obligations of family, and the consequences of all-consuming love. Joseph March, a twenty-one-year-old working class kid from Seattle, is on top of the world. He has just graduated college, his future beckons, unencumbered. Joe's life implodes when he starts to suffer the symptoms of severe bipolar disorder, and, shortly after, his mother kills a man she's never met with a hammer. Joe moves to White Pine, Oregon, where his mother is in jail and his father has set up house to be near her. He is joined by Tess Wolff, a fiercely independent woman with whom he has fallen passionately in love. The lives of Joe, Tess, and Joe's father fall into the slow rhythm of daily prison visits and beer and pizza at a local bar. Meanwhile, Anne-Marie March, Joe's mother, is gradually becoming a local heroine as many begin to see her crime as a furious, exasperated act of righteous rebellion. Tess, too, has fallen under her spell. Spurred on by Anne-Marie's example, Tess enlists Joe in a secret, violent plan that will forever change their lives.

**Sanctuary: Kip Tiernan and Rosie's Place, the Nation's First Shelter for Women** Christine McDonnell, 2022-03 Relates the story of social activist Kip Tiernan and her efforts to open Rosie's Place, the nation's first homeless shelter for women, in Boston.

**The Gringa** Andrew Altschul, 2020-03-10 A gripping and subversive novel about the slippery nature of truth and the tragic consequences of American idealism ... Leonora Gelb came to Peru to make a difference. A passionate and idealistic Stanford grad, she left a life of privilege to fight poverty and oppression, but her beliefs are tested when she falls in with violent revolutionaries. While death squads and informants roam the streets and suspicion festers among the comrades, Leonora plans a decisive act of protest—until her capture in a bloody government raid, and a sham trial that sends her to prison for life. Ten years later, Andres—a failed novelist turned expat—is asked to write a magazine profile of “La Leo.” As his personal life unravels, he struggles to understand Leonora, to reconstruct her involvement with the militants, and to chronicle Peru’s tragic history. At every turn he’s confronted by violence and suffering, and by the consequences of his American privilege. Is the real Leonora an activist or a terrorist? Cold-eyed conspirator or naïve puppet? And who is he to decide? In this powerful and timely new novel, Andrew Altschul maps the blurred boundaries between fact and fiction, author and text, resistance and extremism. Part coming-of-age story and part political thriller, *The Gringa* asks what one person can do in the face of the world’s injustice.

*Shelter* Lawrence Jackson, 2022-04-19 \*A Kirkus Best Book of 2022\* A stirring consideration of homeownership, fatherhood, race, faith, and the history of an American city. In 2016, Lawrence Jackson accepted a new job in Baltimore, searched for schools for his sons, and bought a house. It would all be unremarkable but for the fact that he had grown up in West Baltimore and now found himself teaching at Johns Hopkins, whose vexed relationship to its neighborhood, to the city and its history, provides fodder for this captivating memoir in essays. With sardonic wit, Jackson describes his struggle to make a home in the city that had just been convulsed by the uprising that followed the murder of Freddie Gray. His new neighborhood, Homeland—largely White, built on racial covenants—is not where he is

“supposed” to live. But his purchase, and his desire to pass some inheritance on to his children, provides a foundation for him to explore his personal and spiritual history, as well as Baltimore’s untold stories. Each chapter is a new exploration: a trip to the Maryland shore is an occasion to dilate on Frederick Douglass’s complicated legacy; an encounter at a Hopkins shuttle-bus stop becomes a meditation on public transportation and policing; and Jackson’s beleaguered commitment to his church opens a pathway to reimagine an urban community through jazz. Shelter is an extraordinary biography of a city and a celebration of our capacity for domestic thriving. Jackson’s story leans on the essay to contain the raging absurdity of Black American life, establishing him as a maverick, essential writer.
