Full Moon Michael Light,Andrew Chaikin,1999 The most thrilling of all journeys--the missions of the Apollo astronauts to the surface of the Moon and back--yielded 32,000 extraordinarily beautiful photographs, the record of a unique human achievement. Until recently, only a handful of these photographs had been released for publication; but now, for the first time, NASA has allowed a selection of the master negatives and transparencies to be scanned electronically, rendering the sharpest images of space that we have ever seen. Michael Light has woven 129 of these stunningly clear images into a single composite voyage, a narrative of breathtaking immediacy and authenticity that begins with the launch and is followed by a walk in space, an orbit of the Moon, a lunar landing and exploration, and a return to Earth with an orbit and splashdown. Graced by five 45-inch-wide gatefolds that display the lunar landscape, from above the surface and at eye level, in unprecedented detail and clarity, Full Moon conveys on each page the excitement, disorientation, and awe that the astronauts themselves felt as they were shot into space and then as they explored an alien landscape and looked back at their home planet from hundreds of thousands of miles away. Published on the thirtieth anniversary of Apollo 11--the first landing on the Moon--this remarkable and mesmerizing volume is, like the voyages it commemorates and re-creates, an experience both intimate and monumental.

Fool Moon Murray Edmond,2004-09-01 The four phases of the moon are the organizing theme of this poetry collection from a lively and irreverent New Zealand writer. Faraway places, conversations with friends, word games, theatrical elements, and encounters with other writers are among the subjects explored in this entertaining and surprisingly affirmative poetry. Found poems, elegies, and free verse reflections include sardonic and satirical glimpses of modern life.

Fool's Moon Diane A.S. Stuckart,2018-11-08 Two tarot-savvy cats and their tenderhearted human outwit a cruel criminal in this animal-centric whodunit. Most days, Ruby Sparks feels like the sign that says Tarot Card Reader Extraordinaire should say Tarot Card Reader Fairly Competent. But as challenging as it is to take care of her half-sister's New Age shop—and her growing menagerie of enchanted pets—Ruby never worries that she's bitten off more than she can chew...until a customer wants her to divine the truth about a murder. When her own life is threatened with a double dose of danger, Ruby begins to wonder if she's being played for a fool. Luckily, she has Ophelia and Brandon—sibling black cats with a talent for tarot—and a feisty pit bull friend who all lend a paw in collaring the culprit before Ruby finds herself taking her final cat nap. Praise: [Stuckart] writes throughout with charm and warmth. Anyone with a pet will enjoy.—Kirkus Reviews Lighthearted and quirky, this will enchant cozy readers and animal lovers.—Publishers Weekly Diane A.S. Stuckart strikes the perfect balance of quirky and charming with murder and sleuthing hijinks. Ruby handles the human matters with plenty of sass and a quiriness that pairs well with murder-solving pets. While Ophelia, Brandon, and Zuki handle their own investigation in a realistically animal way, they show their innocent nature and their heartfelt determination.—Seattle Book Review Fool's Moon is an enjoyable cozy mystery; it's the cat's meow for animal lovers and a purr-fect debut for her new series.—Lansing State Journal

Full Moon Dougal Butler,2012-06-19 With Chris Trengove and Peter LawrenceIn 1967 Peter 'Dougal' Butler became a roadie for The Who and their mercurial genius drummer Keith Moon. Soon he would be Moon's personal assistant, chauffeur, and all-purpose wingman. The ride lasted a tumultuous ten years, ending just prior to Moon's untimely death in 1978. Full Moon is Butler's memoir of that ride: essential reading for Who fans, and a masterclass in the mayhem caused by rock 'n' roll excess. 'The most candid insight into the Who star's life.' Daily Star 'Written in a wonderful fast, racy style, Runyonesque and full of good jokes.' Girl About Town 'A welcome change from the usual bland rock book reportage... Butler clearly has a deep and lasting affection for Moon.' Andy Gill, NME 'Certainly outrageous, sometimes funny, but mostly a sad account of life with a talented neurotic.' Daily Mirror

A Fool's Moon Enid Aames,2014-03-25 A Fool's Moon, is a collection of poems that were written between circa 2004 and 2006, when I was in my mid-to-late 20s. My work is mainly based on past life experiences that have affected me so greatly that they served as literary inspiration to me,

for better or for worse. The book title itself is in reference to a poem that's included in my book, on page 78.

Almost a Full Moon Hawksley Workman,2016-09-06 Almost a Full Moon is a warm-hearted story of family, community, food and home. A boy and his grandmother host a gathering in their small cabin in the middle of winter. Friends travel from near and far, and some new friends even turn up. The walls of the cabin are elastic and the soup pot bottomless; all are welcome. Based on the lyrics of Hawksley Workman's song from his holiday album Almost a Full Moon, this book evokes both the cold and the coziness of a winter's night: crisp clean air, sparkling snow, the light of the moon, welcoming windows, glowing candles, family and friends. The spare text is beautifully complemented with the rich illustrations of Jensine Eckwall, a new talent to Tundra. She brings beauty and a hint of magic to Workman's evocative lyrics; together, they create a world and a night that will enchant readers of all ages.

Full Moon on the Reservation Gloria Bird,1993 Poetry. American Indian Studies. FULL MOON ON THE RESERVATION is a collection of poetry by Gloria Bird, a North American Native Author's First Book Award Winner: In Gloria Bird's auspicious first collection, present and past, personal and communal, coalesce to form a story simultaneously present and stretching back in time. Each poem is a making, a hard won moment of change which reclaims the self that is the story. The result is a poetry both grounded and in flux, a poetry of unblunted edge and great beauty. Stunning in the fleet recognition, never static, always changing, Gloria Bird's poems observe both the survival and rebirth of her story rendered by that very sense as she says 'of the mountain Loowit rearranging her molecules into something else-then change' -Maxine Scates.
