The Secrets of Vesuvius Caroline Lawrence,2010-12-09 It's the summer of AD 79 and Flavia Gemina and her friends, Jonathan, Nubia and Lupus, set sail for the Bay of Naples where they are going to stay with Flavia's uncle near Pompeii. Once they arrive, they are soon absorbed in a quest to solve a riddle that may lead to treasure. But then tragedy strikes: Mount Vesuvius erupts and the friends must flee for their lives! Not just a mystery - this is an absolutely thrilling action adventure that brings history to life!

Cruelty and Civilization Roland Auguet,2012-11-12 Roland Auguet examines the Roman taste for blood and considers what the games, that strange combination of Cruelty and Civilization, reveal about the Roman mentality. He shows how the great spectacles became a part of city life - they were awaited with impatience, everyone discussed them, some applauded the action in the arena, while others booed frantically. This book provides an exciting history of gladiators, chariot racing and other games as well as an investigation of their function and significance within society. It is essential reading for anyone who is interested in the Romans' violent form of entertainment.

01 The Thieves of Ostia Caroline Lawrence, 2010-12-09 The first in Caroline Lawrence's internationally bestselling Roman Mysteries series, re-issued with a fantastic new cover look. Flavia Gemina is a natural at solving mysteries. The daughter of a ship's captain living in Ostia, the port of Rome, in AD79, she and her three friends, Jonathan, a Jewish boy (and secretly a Christian); Nubia, an African slave girl; and Lupus, a mute beggar boy, must work together to discover who is beheading the watchdogs that guard people's homes, and why. A talented storyteller, Caroline Lawrence has created a delightfully readable and accessible series that children will want to read time and time again.

Naumaquia Jordi Nogués, 2020-05-20 Naumaquia se sitúa en el año 80 d. C. El Anfiteatro Flavio está acabado y el nuevo emperador, Tito, promulga cien días de juegos y festejos a la ciudadanía de Roma como evidencia de su gran poder y magnificencia. El máximo y más sublime espectáculo anunciado será una Naumaquia, una batalla naval que evocará las antiguas leyendas que han convertido a Roma en Caput Mundi. Sin embargo, la mejor gladiadora del Imperio está dispuesta a dejar en jaque a la misma Roma en una controvertida jugada que puede

arruinar la Naumaquia, y no cesará en su empeño de demostrar que el espectáculo de las gladiatrix puede ser mejor que el de sus compañeros masculinos. Y, además, la vida de un brillante auriga griego pende de un hilo: será ejecutado durante los juegos si no consigue demostrar su inocencia antes de la inauguración del Coliseo. Con pulso firme pero a la vez con una narrativa ágil y amena, Jordi Nogués nos introduce en el mundo romano del espectáculo como nunca antes se había narrado en una novela histórica.

ROMAN MYSTERIES: 07 The Enemies of Jupiter Caroline Lawrence,2010-12-09 Jonathan's father, Doctor Mordecai, is summoned to Rome to help the plague victims. The four young detectives are wanted too, as the Emperor Titus believes that they can find the mysterious enemy who seeks Rome's destruction. Can the friends prevent disaster? And what is Jonathan's secret mission?

Mirrors Eduardo Galeano,2009-05-26 Throughout his career, Eduardo Galeano has turned our understanding of history and reality on its head. Isabelle Allende said his works invade the

reader's mind, to persuade him or her to surrender to the charm of his writing and power of his idealism. *Mirrors*, Galeano's most ambitious project since *Memory of Fire*, is an unofficial history of the world seen through history's unseen, unheard, and forgotten. As Galeano notes: Official history has it that Vasco Núñez Balboa was the first man to see, from a summit in Panama, the two oceans at once. Were the people who lived there blind?? Recalling the lives of artists, writers, gods, and visionaries, from the Garden of Eden to twenty-first-century New York, of the black slaves who built the White House and the women erased by men's fears, and told in hundreds of kaleidoscopic vignettes, *Mirrors* is a magic mosaic of our humanity.

I, Claudius Robert Graves, 2014-03-06 “One of the really remarkable books of our day”—the story of the Roman emperor on which the award-winning BBC TV series was based (*The New York Times*). Once a rather bookish young man with a limp and a stammer, a man who spent most of his time trying to stay away from the danger and risk of the line of ascension, Claudius seemed an unlikely candidate for emperor. Yet, on the death of Caligula, Claudius finds himself next in line for the throne, and must stay alive as well as keep control. Drawing on the histories of Plutarch,

Suetonius, and Tacitus, noted historian and classicist Robert Graves tells the story of the much-maligned Emperor Claudius with both skill and compassion. Weaving important themes throughout about the nature of freedom and safety possible in a monarchy, Graves's Claudius is both more effective and more tragic than history typically remembers him. A bestselling novel and one of Graves' most successful, *I, Claudius* has been adapted to television, film, theatre, and audio. "[A] legendary tale of Claudius . . . [A] gem of modern literature." —Publishers Weekly (starred review)

The Pirates of Pompeii Caroline Lawrence, 2010-12-09 It is AD 79 and Mount Vesuvius has erupted, destroying Pompeii. Among the thousands of people huddled in refugee camps along the bay of Naples are Flavia Gemina and her friends, Jonathan the Jewish boy, Nubia the African slave-girl, and Lupus the mute beggar boy. When the friends discover that children are being kidnapped from the camps, they start to investigate and soon solve the mystery of the pirates of Pompeii. A terrifically exciting and dramatic story packed with superb historical detail.

The Colossus of Rhodes Caroline Lawrence, 2006-05-30 In 80 A.D., ten-year-old Roman sleuth Flavia and her friends sail from

Corinth to Rhodes to try to stop a mysterious man who is kidnapping children and selling them into slavery.
