Until the End (Skulduggery Pleasant, Book 15) Derek Landy,2023-02-02 The second cycle of the internationally bestselling Skulduggery Pleasant series comes to a thrilling end. You are not ready... The Faceless Ones have returned to our universe. The bad guys have won. With the end of everything just days away - and no longer able to rely on Valkyrie Cain - Skulduggery must make allies of enemies if he's going to stand any chance of saving what's left of the world. And just when things are looking their bleakest, they manage to get even worse, with Omen Darkly suddenly having to step up when his brother, the Chosen One, falls. There's a lot going on. Most of it is bad. Sorry about that.

Midnight (Skulduggery Pleasant, Book 11) Derek Landy,2019-06-04 Skulduggery Pleasant and Valkyrie Cain are back in their most gripping story yet, as book 11, Midnight, picks up where Resurrection left off – and runs.

Dark Days Derek Landy,2010 Skulduggery is gone. All our hopes rest with Valkyrie. The world's weight is on her shoulders, and its fate is in her hands.

Playing With Fire Lacey Dancer,2017-12-16 “Run,” Randi whispered. Lucy sprinted for the door, fearing that at any moment she would hear a gunshot, killing the only family she had. Randi, her best friend, her sister of the heart had put herself between the man with the gun and her. She ran for help, to Archer, the man Randi loved. Alex, Archer beside him, caught her as she leapt off the porch and into his arms, words pouring out of her. The men moved into action as the gunman dragged Randi from the house and into a pasture housing a cantankerous donkey. The animal attacked. Randi escaped. When it was over, Lucy sat in the living room, trying to relax as her world changed with each breath she drew. For Randi’s sake, she had come to Live Oak. She was wearing boots and they weren’t the dressy kind. These were real boots with mud on them. She woke up to cows mooing and that damn donkey that just saved Randi’s life braying. The man beside her, Archer’s best friend, Alex Weston was a fine example of the male of the species and if he hadn’t been Archer’s friend, she just might have taken him up on the challenge he represented. However, he was a farmer and she was a city girl. Live Oak was an okay place to visit if she didn’t mind giving up lattes, her shoe boutiques, and expensive restaurants. Yes, Alex had picked her up in his own plane when he had brought her north from South Florida. In spite of driving a tractor in his own fields, he didn’t match her idea of a farmer. Although handsome as a sexy film star, he was still not her type of man. She was not a woman built for home and hearth. His roots were buried deep in the north Florida soil. What’s a woman to do? Especially when that woman had to rebuild her life from the ground up in a new city, with a new job in an area of the state about which she knew very little. Add in finding and making a new home and her plate was overflowing with complications. Alex was the biggest complication of all. He made her question her life and all her decisions. He challenged her and she so loved a challenge. Most important of all, he understood the games she played and showed her just how well he could play games too.
