Becca Puglisi,Angela Ackerman

The Rural Setting Thesaurus: A Writer's Guide to Personal and Natural Places

Becca Puglisi, Angela Ackerman, 2016-06-06 Within the pages of a book exists a world drawn from a writer's deepest imaginings, one that has the ability to pull readers in on a visceral level. But the audience's fascination will only last if the writer can describe this vibrant realm and its inhabitants well. The setting achieves this by offering readers a unique sensory experience. So much more than stage dressing, the setting can build mood, convey meaning through symbolism, drive the plot by creating challenges that force the hero to fight for what he wants, and trigger his emotions to reveal his most intimate feelings, fears, and desires. Inside this volume you will find:

- A list of the sights, smells, tastes, textures, and sounds for over 100 settings revolving around school, home, and nature
- Possible sources of conflict for each location to help you brainstorm ways to naturally complicate matters for your characters
- Advice on the many effective ways to build mood, helping you steer both the character's and readers' emotions in every scene
- Information on how the setting directly influences the plot by acting as a tuning fork for what a character needs most and by testing his dedication to his goals
- A tutorial on figurative language and how different descriptive techniques can bring settings alive for readers while conveying a symbolic message or deeper meaning
- A review of the challenges that arise when writing description, as well as special considerations that apply specifically to rural and personal settings

The Rural Setting Thesaurus takes "show-don't-tell" to new heights. It offers writers a roadmap to creating fresh setting imagery that impacts the story on multiple levels and keeps readers engaged from the first page to the last.

The Urban Setting Thesaurus: A Writer's Guide to City Spaces Becca Puglisi, Angela Ackerman, 2016-06-06 Making readers care and feel like they're part of the story should be the number one goal of all writers. Ironically, many storytellers fail to maximize one of fiction's most powerful elements to achieve this: the setting. Rather than being a simple backdrop against which events unfold, every location has the potential to become a conduit for conveying emotion, characterizing the cast, providing opportunities for deep point of view, and revealing significant backstory. Inside this volume, you will find:

- A list of the sights, smells, tastes, textures, and sounds for over 120 urban settings
- Possible sources of conflict for each location to help you brainstorm ways to naturally complicate matters for your characters
- Advice on how to make every piece of description count so you can maintain the right pace and keep readers engaged
- Tips on utilizing the five senses to encourage readers to more fully experience each moment by triggering their own emotional memories
- Information on how to use the setting to characterize a story's cast through personalization and emotional values while using emotional triggers to steer their decisions
- A review of specific challenges that arise when choosing an urban location, along with common descriptive pitfalls that should be avoided

The Urban Setting Thesaurus helps you tailor each setting to your characters while creating a realistic, textured world your readers will long to return to, even after the book closes.

The Emotion Thesaurus: A Writer's Guide to Character Expression (2nd Edition) Becca Puglisi, Angela Ackerman, 2019-02-19 The bestselling *Emotion Thesaurus*, often hailed as "the gold standard for writers" and credited with transforming how writers craft emotion, has now been expanded to include 56 new entries! One of the biggest struggles for writers

is how to convey emotion to readers in a unique and compelling way. When showing our characters' feelings, we often use the first idea that comes to mind, and they end up smiling, nodding, and frowning too much. If you need inspiration for creating characters' emotional responses that are personalized and evocative, this ultimate show-don't-tell guide for emotion can help. It includes:

- Body language cues, thoughts, and visceral responses for over 130 emotions that cover a range of intensity from mild to severe, providing innumerable options for individualizing a character's reactions
- A breakdown of the biggest emotion-related writing problems and how to overcome them
- Advice on what should be done before drafting to make sure your characters' emotions will be realistic and consistent
- Instruction for how to show hidden feelings and emotional subtext through dialogue and nonverbal cues
- And much more!

The Emotion Thesaurus, in its easy-to-navigate list format, will inspire you to create stronger, fresher character expressions and engage readers from your first page to your last.

The Occupation Thesaurus: A Writer's Guide to Jobs, Vocations, and Careers Becca Puglisi, Angela Ackerman, 2020-06-19 Compelling fiction starts with characters who have well-crafted layers that make them memorable, relatable, and fascinating. But trying to convey those layers often results in bulky descriptions that cause readers to skim. Occupations, though, can cover a lot of characterization ground, revealing personality traits, abilities, passions, and motivations. Dig deeper, and a career can hint at past trauma, fears, and even the character's efforts to run from—or make up for—the past. Select a job that packs a powerful punch. Inside *The Occupation Thesaurus*, you'll find: *

Informative profiles on popular and unusual jobs to help you write them with authority *

Believable conflict scenarios for each occupation, giving you unlimited possibilities for adding tension at the story and scene level * Advice for twisting the stereotypes often associated with these professions * Instruction on how to use jobs to characterize, support story structure, reinforce theme, and more * An in-depth study on how emotional wounds and basic human needs may influence a character's choice of occupation * A brainstorming tool to organize the various aspects of your character's personality so you can come up with the best careers for them Choose a profession for your character that brings more to the table than just a paycheck. With over 120 entries in a user-friendly format, The Occupation Thesaurus is an entire job fair for writers.

The Positive Trait Thesaurus: A Writer's Guide to Character Attributes Becca

Puglisi, Angela Ackerman, 2013-10-21 It's a writer's job to create compelling characters who can withstand life's fallout without giving up. But building authentic, memorable heroes is no easy task. To forge realistic characters, we must hobble them with flaws that set them back while giving them positive attributes to help them achieve their goals. So how do writers choose the right blend of strengths for their characters—attributes that will render them admirable and worth rooting for—without making it too easy for them to succeed? Character creation can be hard, but it's about to get a lot easier. Inside The Positive Trait Thesaurus, you'll find: * A large selection of attributes to choose from when building a personality profile. Each entry lists possible causes for why a trait might emerge, along with associated attitudes, behaviors, thoughts, and emotions * Real character examples from literature, film, or television to show how an attribute drives actions and decisions, influences goals, and steers relationships * Advice on using positive traits to immediately

hook readers while avoiding common personality pitfalls * Insight on human needs and morality, and how each determines the strengths that emerge in heroes and villains alike * Information on the key role positive attributes play within the character arc, and how they're vital to overcoming fatal flaws and achieving success * Downloadable tools for organizing a character's attributes and providing a deeper understanding of his past, his needs, and the emotional wounds he must overcome If you find character creation difficult or worry that your cast members all seem the same, The Positive Trait Thesaurus is brimming with ideas to help you develop one-of-a-kind, dynamic characters that readers will love. Extensively indexed, with entries written in a user-friendly list format, this brainstorming resource is perfect for any character creation project.

The Emotional Wound Thesaurus: A Writer's Guide to Psychological Trauma Becca Puglisi ,Angela Ackerman,2017-10-25 Readers connect to characters with depth, ones who have experienced life's ups and downs. To deliver key players that are both realistic and compelling, writers must know them intimately—not only who they are in the present story, but also what made them that way. Of all the formative experiences in a character's past, none are more destructive than emotional wounds. The aftershocks of trauma can change who they are, alter what they believe, and sabotage their ability to achieve meaningful goals, all of which will affect the trajectory of your story. Identifying the backstory wound is crucial to understanding how it will shape your character's behavior, and The Emotional Wound Thesaurus can help. Inside, you'll find: * A database of traumatic situations common to the human experience * An in-depth study on a wound's impact, including the fears, lies, personality shifts, and dysfunctional behaviors that can arise from different painful events *

An extensive analysis of character arc and how the wound and any resulting unmet needs fit into it * Techniques on how to show the past experience to readers in a way that is both engaging and revelatory while avoiding the pitfalls of info dumps and telling * A showcase of popular characters and how their traumatic experiences reshaped them, leading to very specific story goals * A Backstory Wound Profile tool that will enable you to document your characters' negative past experiences and the aftereffects Root your characters in reality by giving them an authentic wound that causes difficulties and prompts them to strive for inner growth to overcome it. With its easy-to-read format and over 100 entries packed with information, The Emotional Wound Thesaurus is a crash course in psychology for creating characters that feel incredibly real to readers.

Clinician's Thesaurus Edward L. Zuckerman, 2019-03-20 Hundreds of thousands of students and early-career professionals have relied on this authoritative report-writing tool, now updated for DSM-5/ICD-10-CM and newer types of evaluations. In a convenient 8 x 10.5 format, the book covers nearly all areas of concern addressed in intakes, evaluations, treatment plans, progress notes, and closing summaries. The user seeking the right wording for a clinical document can skim and select from thousands of technical terms, behavioral descriptors, and standard statements. Also provided are interview questions for almost every symptomatic behavior, a huge collection of mental status questions, a reproducible Mental Status Evaluation summary form, and links to hundreds of internet resources. The companion website offers all the URLs from the book, the reproducible forms, and a handy reference on current psychiatric medications. New to This Edition *A list of all psychiatric ICD-10 diagnoses (all of the codes in DSM-5, plus many more), including Z

codes essential to a comprehensive biopsychosocial evaluation. *Sample evaluation report keyed to the book's chapters. *Sections on additional clinical issues: intimate partner violence, gender identity, human trafficking, recovery-oriented language, and more. *Many more Internet links, including a wide variety of screening and assessment tools. See also *The Paper Office for the Digital Age, Fifth Edition*, by Edward L. Zuckerman and Keely Kolmes, which provides the essential record-keeping and risk-reduction tools that every psychotherapy practice needs.

The Compact Reference Set Merriam-Webster, Inc. Staff,1993-10-01 A reliable reference set for clear, effective communications. Includes Webster's Compact Dictionary, Webster's Compact Dictionary of Synonyms, Webster's Compact Writers Guide, & Webster's Compact Dictionary of Quotations.

The Compact Reference Set Merriam-Webster, Inc. Staff,1992-09-01 An attractive, reliable reference set for clear communications. Includes Webster's Compact Dictionary, Webster's Compact Dictionary of Synonyms, Webster's Compact Writers Guide, & Webster's Compact Dictionary of Quotations.

The Well-Spoken Thesaurus Tom Heehler,2011-02-01 The Well-Spoken Thesaurus is designed to help you improve your communication skills by expanding your vocabulary. The book includes over 200 words, arranged in easy-to-use categories, such as positive emotions, negative emotions, intellectual terms, and descriptive terms. Each entry includes a definition, synonyms, antonyms, and usage examples. The Well-Spoken Thesaurus is particularly useful for writers who want to improve the precision and impact of their language. By providing a range of synonyms for common words and phrases, the book

helps writers avoid repetition and clichés, while also encouraging them to use language that is more vivid, specific, and memorable. Some of the benefits of using The Well-Spoken Thesaurus include: Making a stronger impression: By choosing words that are more precise and impactful, you can help your writing stand out from the crowd and make a stronger impression. Demonstrating your communication skills: Using a wide range of vocabulary can demonstrate that you are articulate, sophisticated, and able to communicate effectively. Conveying your personality: Includes a range of descriptive terms that can help you convey your personality and character traits in your writing Overall, The Well-Spoken Thesaurus can be a valuable resource for anyone who wants to improve their writing and communication skills.

Modus Operandi Mauro V. Corvasce, Joseph R. Paglino, 1995 Find out how to give your mystery and detective novels that necessary grit of authenticity.

The Negative Trait Thesaurus: A Writer's Guide to Character Flaws Becca Puglisi, Angela Ackerman, 2013-10-21 Crafting likable, interesting characters is a balancing act, and finding that perfect mix of strengths and weaknesses can be difficult. Not only does a well-drawn protagonist need positive attributes to help him succeed, he must also have flaws that humanize him and give him something to overcome. The same is true of villains and the rest of the story's supporting cast. So how can writers figure out which flaws best fit their characters? Which negative traits will create personality clashes and conflict while making success difficult? Nothing adds complexity like character flaws. Inside The Negative Trait Thesaurus you'll find: * A vast collection of flaws to explore when building a character's personality. Each entry includes possible causes, attitudes, behaviors, thoughts, and

related emotions * Real examples from literature, film, or television to show how each flaw can create life challenges and relational friction * Advice on building layered and memorable characters from the ground up * An in-depth look at backstory, emotional wounds, and how pain twists a character's view of himself and his world, influencing behavior and decision making * A flaw-centric exploration of character arc, relationships, motivation, and basic needs * Tips on how to best show a character's flaws to readers while avoiding common pitfalls * Downloadable tools to aid writers in character creation

The Negative Trait Thesaurus sheds light on your character's dark side. Written in list format and fully indexed, this brainstorming resource is perfect for creating deep, flawed characters readers will relate to.

Writing the Romantic Comedy Billy Mernit, 2001-07-31 From the slapstick shenanigans of Hepburn and Grant in *Bringing Up Baby* to the sexy repartee of Shakespeare in *Love*, romantic comedies have delighted filmgoers -- and challenged screenwriters -- since Hollywood's Golden Age. Whether you're a first time screenwriter, or an intermediate marooned in the rewriting process, this thoroughly charming and insightful guide to the basics of crafting a winning script will take you step by step from cute meet all the way to joyous defeat. You'll learn the screenwriting secrets behind some of the funniest scenes ever written; how to create characters and dialogue that set the sparks flying; why some bedroom scenes sizzle and others fall flat; and much more. *Writing the Romantic Comedy* features case studies drawn from beloved romantic comedies such as *When Harry Met Sally*, *Annie Hall*, *Tootsie*, and *The Lady Eve*, as well as field-tested writing exercises guaranteed to short-circuit potential mistakes and ensure inspiration.

Draft No. 4 John McPhee, 2017-09-05 The long-awaited guide to writing long-form nonfiction by the legendary author and teacher Draft No. 4 is a master class on the writer's craft. In a series of playful, expertly wrought essays, John McPhee shares insights he has gathered over his career and has refined while teaching at Princeton University, where he has nurtured some of the most esteemed writers of recent decades. McPhee offers definitive guidance in the decisions regarding arrangement, diction, and tone that shape nonfiction pieces, and he presents extracts from his work, subjecting them to wry scrutiny. In one essay, he considers the delicate art of getting sources to tell you what they might not otherwise reveal. In another, he discusses how to use flashback to place a bear encounter in a travel narrative while observing that "readers are not supposed to notice the structure. It is meant to be about as visible as someone's bones." The result is a vivid depiction of the writing process, from reporting to drafting to revising—and revising, and revising. Draft No. 4 is enriched by multiple diagrams and by personal anecdotes and charming reflections on the life of a writer. McPhee describes his enduring relationships with *The New Yorker* and Farrar, Straus and Giroux, and recalls his early years at *Time* magazine. Throughout, Draft No. 4 is enlivened by his keen sense of writing as a way of being in the world.

Clinician's Thesaurus, 7th Edition Edward L. Zuckerman, 2012-03-12 This book has been replaced by *Clinician's Thesaurus, 8th Edition*, ISBN 978-1-4625-3880-5.

Robert's Rules in Plain English 2e Doris P. Zimmerman, 2005-09-20 A revised edition of the bestselling *Robert's Rules in Plain English*, which still stands as the most concise, most-user friendly guide to parliamentary procedure on the market today. If you've

ever had to run a meeting according to parliamentary procedures, you know just how difficult it is to keep track of all the rules, much less follow them. Figuring out what to say and how to say it seems an impossible task. Robert's Rules in Plain English, 2nd edition, is the solution to that problem. Not only does it provide you with the essential, basic rules in simple, straightforward English, it also includes summaries, outlines, charts, and sample dialogues so you can see exactly how these rules work in practice. With an extended glossary and new chapters on electronic meetings and internet usage, Robert's Rules in Plain English, 2nd edition, is an authoritative, modern guide to running a meeting successfully and keeping it on track.

The Setting Sun and the Rolling World Charles Mungoshi, 1989 Moving and provocative short stories that explore the strained relations between parent and child, husband and wife, brothers, and friends, as traditional values of rural Africa clash with ambitions of urban life.

Roget's Thesaurus of Words for Students David Olsen, Michelle Bevilaqua, Justin Cord Hayes, Burton Jay Nadler, 2014-03-18 The ultimate tool for students! Tired of using the same few phrases in all your presentations? Can't find the right expression to begin your college admissions essay? Stuck with a drab, uninspiring conclusion at the end of your research paper? Roget's Thesaurus of Words for Students will help you find the perfect words and phrases for any writing assignment. Unlike other titles that simply list related terms for each entry, this volume offers a pronunciation guide, definition, and a sample sentence for every word you look up, as well as for each of the synonyms under that entry. It also features hundreds of useful terms every student should know, making it the most

essential tool on your desk when you're working on an essay or presentation. With Roget's Thesaurus of Words for Students at your side, you'll impress your teachers and advance straight to the head of the class!

Writing Your Journal Article in Twelve Weeks Wendy Laura Belcher, 2009-01-20
