Darkblood Academy G K DeRosa,2019-06-04 Welcome to Darkblood-oops, I mean Darkhen Academy. There are three rules to survive the elite supernatural school: 1. Do not talk or even look at The Seven, the uber-powerful supes that rule the academy. 2. Never go into the Fae forest on a full moon... or else. 3. And most definitely do not fall for one of the extremely hot and unattainable instructors. Too bad I've never really been a rule follower... A year ago the supernaturals came out of the closet on primetime TV, and about a minute ago I, Luna Hallows, found out I was one of them--well, a half-blood anyway. So here I am at Darkhen Academy, the only human and no magical abilities to speak of. The only reason I'm here is because of my father--a man I didn't even know existed until now. He's crazy powerful, and they think I could be too. But what could I possibly contribute to an exclusive squad of dragon shifters, fae, witches, and vampires? I guess we're about to find out because the merging of the supernatural and human realms isn't going as smoothly as planned. If word gets out that humans are no longer safe from the supes, our worlds will once again be closed off. It's up to us to stop that from happening. ***This is an upper YA/NA crossover with schmexy supernatural guys and is best suited for age 16 and over. Be warned, the steaminess factor does increase through the course of the series! ***Darkblood Academy is set within the world of Hitched but it's not necessary to read that series first to enjoy this one.

Four Trials Kelsey Soliz,2021-07-13 We took down the Night, but I'm not sure it was worth it, since it cost me two of my mates Feeling Balfour and Foster ripped from our bond was horrifying, and now they don't even know who I am. To get them back, the goddess has given us four tasks to complete before she can re-brand them, but what if we can't get a hold of her? The goddess has been oddly distant, and my mates and I have a lot on our plates trying to sort out the council we've started leading. Can we find the time to make a triple bond before it's too late? and what exactly will it take to make our world safe again?

Half-Blood Academy A.K. Thorne,2023-01-24 The wrath of the gods will erupt at this academy. I'm Penelope DeLuna, and my mother is missing. After an astonishing revelation came out about me last semester, I've been the academy's biggest target. Nowhere is safe, and enemies are watching my every move. I need answers on my mother's disappearance. To do so, I'll dive deeper into my past lives, and grow my demigod powers beyond imagining. This time, I'm going to stop the prophecy for good-- that is, if I make it out alive. I refuse to lose the people I love. If they're going to take everything from me, I'll hit them back with all I've got. Half Blood Academy is the second book in a steamy

Academy of Sorcery: Term 1: Unleashing Trials Athena Phoenix, Alexa B. James, 2019-09-21
Magic is dangerous. I should know. It got me a thirty-year sentence scrubbing toilets for a scumbag wizard. My only hope is the Unleashing, a ceremony that unlocks the dormant powers of magical descendants when we turn eighteen. Since my mom was a lowly psychic, I don't expect to be blessed with much more than the ability to forecast the weather. But when the sorcerers unlock my magic, all hell breaks loose. Turns out, I'm not a wizard, witch, or even a sorcerer. I'm...something else. Because of my unique abilities, I'm required to attend the Academy of Sorcery until I learn to harness and control my magic. Not only that, but the three sexiest and most powerful sorcerers on campus are assigned to guard me night and day. Jackpot, right? Not quite. Turns out these guys aren't too happy with the arrangement, and they show it by making my life hell. That's just the beginning of my troubles. The mean-girl squad declares open season on me, a mysterious woman attacks me every time I step off campus, and my professor is too hot for his own good. And when it's time to find a weapon to help me master my abilities, my magic chooses... a spork. It's going to be a long year.*This is a Reverse Harem series perfect for readers who enjoy: +light bully romance & enemies-to-lovers+college academies+student-teacher forbidden romance+badass heroine who holds her own against alpha males+fun, fast-paced reads intended for ages 18+

The Lightning Thief Rick Riordan, 2009-05-02 Percy Jackson is a good kid, but he can't seem to focus on his schoolwork or control his temper. And lately, being away at boarding school is only getting worse-Percy could have sworn his pre-algebra teacher turned into a monster and tried to kill him.

Half-Blood Jennifer L. Armentrout, 2017-09-15 Originally published October 2011 Now includes bonus novella DAIMON The Hematoi descend from the unions of gods and mortals, and the children of two Hematoi-pure-bloods-have godlike powers. Children of Hematoi and mortals-well, not so much. Half-bloods only have two options: become trained Sentinels who hunt and kill daimons or become servants in the homes of the pures. Seventeen-year-old Alexandria would rather risk her life fighting than waste it scrubbing toilets, but she may end up slumming it anyway. There are several rules that

students at the Covenant must follow. Alex has problems with them all, but especially rule #1: Relationships between pures and halves are forbidden. Unfortunately, she's crushing hard on the totally hot pure-blood Aiden. But falling for Aiden isn't her biggest problem-staying alive long enough to graduate the Covenant and become a Sentinel is. If she fails in her duty, she faces a future worse than death or slavery: being turned into a daimon, and being hunted by Aiden. And that would kind of suck.

Darkblood Academy G K DeRosa,2019-11-21 There are three things I've learned in my time at Darkblood-I mean Darkhen Academy: Always make sure a demon is dead before walking away from the body. All magic comes with a price. Nothing stays buried for long-not secrets, not feelings and definitely not dark lords. Just when I thought my struggles with Luxora were finally over, the dark lord decides to rise from the ashes. Guess who she's got her sights set on? Yup, me. As if that wasn't bad enough, the Coven Council has discovered my little warlock secret. And they're pissed. With enemies coming at me from all sides, how am I supposed to concentrate on schoolwork? Not to mention my love life. I thought last year was tough, but now with Ryder back I'm torn between my old love and a new possibility. But none of that matters if Luxora has her way and swoops me down to the darkest depths of the Underworld. So what is a poor, human-warlock, half-blood supposed to do? Kick some butt. That's what.
