**100 Christmas Wishes** New York Public Library,2018-10-16 A treasure trove of vintage Christmas cards, 100 Christmas Wishes is the perfect holiday treat from the New York Public Library. Every year as the days grow shorter, amidst the holly, cookies, and carols there is another timeless holiday tradition—sending and receiving Christmas cards to and from those you love. 100 Christmas Wishes is a collection of vintage holiday cards, all from the archives of the New York Public Library. The Library houses one of the greatest collections of early Christmas postcards from around the world with thousands of cards depicting every imaginable holiday scene. Archivists selected one hundred of the best cards from the extensive collection to share in 100 Christmas Wishes. From the elegant, gilded Santa Clauses and statuesque angels, to yuletide still lifes, tumbling tots and puppies with bows round their necks, each card is a beautiful celebration of

the holiday season. The book also includes six perforated postcards with reproductions of the designs so you too can share a vintage Christmas wish with friends and family on your list. As Rosanne Cash, a patron and friend of the Library as well as a devoted fan of Christmas cards, says in her introduction “This collection of early Christmas postcards, housed for a century in the New York Public Library archives, distills those abiding wishes for the holidays from revelers from long ago and faraway, in a wish for peace, joy, magic, bounty, family, and for light to be shone ‘round the world at Christmas, past and future.”

Measures for Avoiding Unions in the Public Sector Stephen R. Johnston, 1980

Study in Black and White Tanya Sheehan, 2018-11-26 In this volume, Tanya Sheehan takes humor seriously in order to trace how photographic comedy was used in America and transnationally to express evolving ideas about race, black emancipation, and civil rights in the mid-1800s and into the twentieth century. Sheehan employs a trove of understudied materials to write a new history of photography, one that encompasses the rise of the commercial portrait studio in the 1840s, the popularization of amateur photography around 1900, and the mass circulation of postcards and other photographic ephemera in the twentieth century. She examines the racial politics that shaped some of the most essential elements of the medium, from the negative-positive process to the convention of the photographic smile. The book also places historical discourses in relation to contemporary art that critiques racism through humor, including the work of Genevieve Grieves, Adrian Piper, Lorna Simpson, Kara Walker, and Fred Wilson. By treating racial humor about and within the photographic medium as complex social commentary, rather than

a collectible curiosity, *Study in Black and White* enriches our understanding of photography in popular culture. Transhistorical and interdisciplinary, this book will be of vital interest to scholars of art history and visual studies, critical race studies, U.S. history, and African American studies.
