En Garde - Fencing Training and Competition Journal Andrei Filonov,2019-11-30 This training journal is not just a notebook or collection of score sheets, but this is a secret weapon for fencers who want to improve their skills and reach a new heights. Journal starts with a handy competition schedule where you can plan upcoming competitions and record your results to have a quick overview of your recent events. The schedule is followed by 60 ruled blank pages for the training notes. As our fencing coach recommends, write down a quick summary after every personal lesson about what's new skills you learnt, when to use those and what needs some work. Second part of the journal is a collection of competition scoring sheets to keep track of pools and direct elimination rounds with a space for notes about each pool and DE bout. This section will have pages for 20 competitions. Write down what was good, which of those new skills worked, what opponent moves gave them a point against you. Those notes will come handy to review after the competition and maybe discuss with your coach. Keep track of your training and competitions, review your wins and losses and you will see improvement in your fencing skills and your competition results Pages for training notes, competition schedule and detailed competition results Paperback journal for fencers 6x9 - easy to carry but large enough to fit pool tables Designed by fencers for fencers

Apex Fencing Journal 2nd Edition Jinsong Burch,Brian Baxter,2018-06-22 Do you know what world-class fencers do to become their best? This Fencing Journal helps you turn a simple practice into a deliberate practice and turbo-charge your improvement by: Setting clear and focused intention for each practice; Ensuring quality practice through self and coach evaluation; Encouraging daily practice and cross training; Recording and reflecting on lessons learned from your coaches. And new to the second edition, training your mind through a 6-month game plan. With deliberate practices, you will become your very best this fencing season. En Garde!

#fencing Fencing Journals,2019-05-18 Created around the idea that becoming your own coach and being brutally honest with yourself is the best way to improve your game - this fencing journal is designed to help you improve faster than average. Designed to give you some structure to your practice, as well as a great fencing log to look back on.

Fencing Andrew Sowerby,2014-06-30 Crowood Sports Guides provide sound, practical advice that will make you a better sportsperson, whether you are learning the basic skills, discovering more advanced techniques or reviewing the fundamentals of your sport. This book is illustrated in full colour throughout with photographs showing technique sequences, correct positions and competition situations. It covers fencing techniques in a logical progression, starting with the absolute beginner and culminating with the advanced competition fencer, and supplies detailed 'key points' as well as tips and advice on competition fencing. It discusses how to approach fencing as a left-hander and how to deal with left-handed opponents, and includes a valuable section on tactics which explains how to apply techniques in a fight situation. Presents footwork exercises and bladework training drills and provides an introduction to epee and sabre fencing. Aimed at fencers of all levels of ability and those considering taking up the sport and fencing coaches. Superbly illustrated with over 200 colour photographs showing technique sequences, correct positions and competition situations.

Fencing Ed Rogers,2003 Fencing is a sport that demands a high degree of discipline, concentration, and co-ordination, not to mention considerable skill. In this book, Ed Rogers has provided a range of training exercises to enable fencers to practice skills in a logical and progressive manner. Covering foil, sabre, and épée in turn, the exercises work from the basics of on guard and control of the weapon, through simple attacks, to parries, ripostes, counter-ripostes, and compound attacks. The exercises can be used by two fencers of similar ability, or by coach and pupil, thereby offering an invaluable aid for students and coaches alike.

Fundamentals of Fencing and Mental Training Naci KALKAN,2020-01-28

The Science of Fencing William M. Gaugler,1997 The Military Fencing Masters Program, established in 1979, is where aspiring fencers go to earn legitimate degrees as teachers of the art of fencing. This internationally recognized course -- which covers all aspects of fencing -- has produced more than a few accomplished fencing masters since its inception. It is, to date, the only successful long-term program of its kind in the United States. A comprehensive fencing training manual for both the fencing master and his students. The only book that includes lesson plans for foil, sabre and epee instruction. -- The most comprehensive text available -- Complete basic, intermediate and advanced Foil, Sabre and Epee lessons -- A companion volume to On Fencing by Aldo Nadi

Learning Fencing Berndt Barth,Katrin Barth,2017-11-01 This book, written in a style easily comprehended by a child and containing motivating illustrations, was written with the youngest of athletes in mind. By inviting kids to complete individual tasks, to solve puzzles, to answer questions and to complete drawings, the book achieves the feel of an activity book. The little cartoon character Foily" accompanies the reader throughout the book, as he offers tips and invites the child to practice independently. The contents correspond to the most basic level of fencing training. It is intended as a teaching tool for fencing instructors and trainers, to help promote understanding of the sport of fencing for fencing students, and to improve independence in training. For the parents of fencing children it is an

important motivational companion to fencing instruction.

Sabre Competition and Scouting Journal Lisa Campi-Sapery,2018-04-15 So how will this journal help me? Instead of just pool sheets and direct elimination pages, this book is designed to help you organize, evaluate, and scout during your day of competition. You will be able to: document a tournament, do some quick scouting during your pool, detail more-formal scouting for future use, and evaluate your performance as a whole.

Foil Fencer R. Pearce Wilson,2012-08-01 A collection of fencing lessons for beginner to intermediate foil fencers. Designed for the competitive fencer, the lessons combine training in basic fencing, combat sport psychology, plus a little bit of silliness to teach an exciting sport and remind the student not to take things too seriously. Ample use of analogies help the student understand fencing strategy more quickly.

The Handbook Of Fencing Ramon Castellote,2023-07-18 This comprehensive handbook provides instruction in all aspects of fencing, including foil, épée, and sabre techniques and tactics. It also includes profiles of famous fencers, an overview of fencing history and culture, and advice for training and competition. Suitable for both beginners and advanced fencers, this book is a must-have reference for anyone interested in the sport.
