Blogjects and Beyond Steven Skov Holt, Mara Holt Skov, Phil Patton, Bruce Sterling, 2005-07-14 Turning away from the hard angles and edges of conventional modernism, blobjects are the design of now, and the future. *Blogjects & Beyond* is the first survey of the explosion of amorphic, organic, and curvaceous design. A formless form with roots in Surrealism and the kidney-shaped motifs of the 1950s, the ever more biological blobject has come into its own, embodying and reflecting the new international ethos of fluidity. Authors Steven Skov Holt and Mara Holt Skov - curators of a major exhibition of blobjects at the San Jose Museum of Art - and contributors Phil Patton and Bruce Sterling, parse the various manifestations of the blobject, bringing together the realms of art, architecture, industrial design, graphics, digital design, furniture, and pop culture. As a counterpoint to the effusive popularity of the blobject, the authors also address more recent, post-9/11 forms that are mutated and disturbed, dangerous and intimidating - the dark side of the blobject. A manifesto for fluidity across disciplines, cultures, and international boundaries, *Blogjects & Beyond* documents the first major design language to bridge the last millennium with the new one.--BOOK JACKET.

The Big Exit David Carnoy, 2012-10-11 The acclaimed author of *Knife Music* delivers "a thriller set in California's Silicon Valley that has it all . . . [an] exceptionally satisfying murder puzzle" (Publishers Weekly, starred review). Richie Forman made his name and his fortune in dot-com marketing . . . but that was before he went to prison for a crime he swears he didn't commit. Now that he's been released, Richie wants to rebuild his life in the Bay Area. By day, he works at a law firm dedicated to freeing innocent men from prison. By night, he makes a living impersonating Frank Sinatra. But then his ex-best friend is found hacked to death in his garage, and Richie becomes the prime suspect. "Colorful characters abound" in this murder mystery with more intricate twists than a microchip. *The Big Exit* is a "first rate crime caper" (Kirkus).

Flowers Under My Pillow Nell Iris, 2021-06-26 Smiling brown eyes. A dark beard. Dandelions. Sunny, happy dandelions. For thirty years, Frode's had the same dream. Every Midsummer's Eve since he was a kid accompanying his sister to pick flowers to put under his pillow, he's dreamed of the same man. A dream he never shares with anyone that makes him wish for impossible things ... like true love. Then one Midsummer's Eve, the man of Frode's dreams stands before him in the flesh. Both men recognize each other despite never having met in real life. Both men are instantly drawn to each other and want to know more. Who is he? Is he even real? Their questions are many but do the whys and the hows matter? Or should they allow the Midsummer magic that brought them together to lead the way into each other's arms? Into each other's hearts? Traditional Swedish folklore tells you that if you pick seven kinds of flowers in silence and put them under your pillow on Midsummer's Eve, you'll dream of the man you'll marry.

America's Financial Reckoning Day Charles H. Coppes, 2018-04-30 The U.S. is in deep trouble. America's financial house of cards is beginning to concern informed individuals (and foreigners) while the vast majority appear either indifferent or unaware of our nation's serious vulnerability. *America's Financial Reckoning Day* is a wake-up call to the baby-boom generation that a hyperinflationary depression and America's loss of leadership in the world is a distinct possibility in the near future. Chuck Coppes has carefully researched and skillfully presented a compelling case for America's obsolescence and political paradigms that will help redefine the 21st Century. This is a hard-hitting book about banking intrigue, political malfeasance, treachery, and a prophetic odyssey that reads like an Orwellian novel. It is also a book about survival that will challenge your personal and financial priorities as you read through the final chapters. This book serves as a good reminder that our lives have meaning and significance in God's plan for the future. For a thorough understanding of the critical times we are living in, it is recommended that you find a quiet place on a peaceful weekend and read this fascinating book in its entirety - and then pass it along to someone you care about.

Run to the Finish Amanda Brooks, 2020-03-03 Inspiration and practical tips for runners who prioritize enjoyment over pace and embrace their place as an average runner In her first book, popular runner blogger Amanda Brooks lays out the path to finding greater fulfillment in running for those who consider themselves middle of the pack runners -- they're not trying to win Boston (or even qualify for Boston); they just want to get strong and stay injury-free so they can continue to enjoy running. Run to the Finish is not your typical running book. While it is filled with useful strategic training advice throughout, at its core, it is about embracing your place in the middle of the pack with humor and learning to love the run you've got without comparing yourself to other runners. Mixing practical advice like understanding the discomfort vs. pain, the mental side of running, and movements to treat the most common injuries with more playful elements such as Favorite hilarious marathon signs and Weird Thoughts We all Have at the Start Line, Brooks is the down-to-earth, inspiring guide for everyone who wants to be happier with their run.
