The second year is when the rest of us lose our humanity.” —Xaden Riorson Everyone expected Violet Sorrengail to die during her first year at Basgiath War College—Violet included. But Threshing was only the first impossible test meant to weed out the weak-willed, the unworthy, and the unlucky. Now the real training begins, and Violet’s already wondering how she’ll get through. It’s not just that it’s grueling and maliciously brutal, or even that it’s designed to stretch the riders’ capacity for pain beyond endurance. It’s the new vice commandant, who’s made it his personal mission to teach Violet exactly how powerless she is—unless she betrays the man she loves. Although Violet’s body might be weaker and frailer than everyone else’s, she still has her wits—and a will of iron. And leadership is forgetting the most important lesson Basgiath has taught her: Dragon riders make their own rules. But a determination to survive won’t be enough this year. Because Violet knows the real secret hidden for centuries at Basgiath War College—and nothing, not even dragon fire, may be enough to save them in the end. The *Empyrean* series is best enjoyed in order. Reading Order: Book #1 *Fourth Wing* Book #2 *Iron Flame*

But Threshing was only the first impossible test meant to weed out the weak-willed, the unworthy, and the unlucky. Now the real training begins, and Violet's already wondering how she'll get through. It's not just that it's grueling and maliciously brutal, or even that it's designed to stretch the riders' capacity for pain beyond endurance. Great And Precious Things Rebecca

Yarros,2020-02-25 How do you define yourself when others have already decided who you are? Six years ago, when Camden Daniels came back from war without his younger brother, no one in the small town of Alba, Colorado, would forgive him—especially his father. He left, swearing never to return. But a desperate message from his father brings it all back. The betrayal. The pain. And the need to go home again. But home is where the one person he still loves is waiting. Willow. The one woman he can never have, because there are secrets buried in Alba that are best left in the dark... Great and Precious Things is a heart-wrenching forbidden romance about family, betrayal, and ultimately how far we're willing to go on behalf of those we love and who need us most.
