**Australian Signpost Maths 1** Alan McSeveny, Rachel McSeveny, Diane McSeveny Foster, Erika Johnson, Alan Parker, 2012 The Teacher's Book assists you with implementing Australian Signpost Maths, and includes the pedagogical background and suggested teaching program. Reproduced pages from the student book with answers are shown in the Teacher's Book to save you time correcting, with Australian Mathematics Curriculum references on each page of the Teacher's Book to help you follow how the content strands are covered. Teaching suggestions, extension work, maths language, resources and evaluations are available for each lesson, catering for differentiation and meeting individual learning needs of students. ID cards are also provided to help develop students' mathematical language and concepts, and blackline masters are given to provide extra exercises for particular areas of the syllabus. Assessment options to help discover each student's strengths and weaknesses include progress tests and diagnostic tests. Both of these assessment options supply their answers and directly reference to each concept in the student book.
