Anselm Grun

Dankeschön! Anselm Grün,2018-08-14

The Legend of Saint Nicholas Anselm Grun,2014-08-08 Retells the story of the life of Saint Nicholas, from his miraculous birth and generous nature to the many miracles he performed during his life and after his death.

Last Testament Pope Benedict XVI,Peter Seewald,2016-11-04 'Gripping ... An exquisite conversation between two people who know each other, like each other, and have mutual respect for one another' - Catholic Times Since resigning from the papacy in 2013, the first Pope in over 700 years to do so, Pope Benedict has lived quietly in a convent in the Vatican gardens in Rome. He has devoted himself to a life of prayer and study and has vowed to remain silent, until now. So much controversy still surrounds Pope Benedict's time in office - in this book, written with bestselling German author Peter Seewald, he addresses the issues of his papacy and reveals how, at his late age, governing and reforming the Church was beyond him. Last Testament is also an autobiography, recalling Pope Benedict's childhood in Germany under Nazism, his early development as a priest, and eventually his appointment as Archbishop of Munich. After becoming Pope, his account deals with the controversies that rocked the Catholic world - how he enraged Muslims with his Regensburg speech, what he did and did not do to stamp out the clerical sexual abuse of children, the 'Vatileaks' scandal and how he broke up a gay cabal within the Vatican itself. At all times, we see a man who is shy and retiring and modest being exceptionally open and frank with the outside world. In this Last Testament, a unique book insofar as no other living Pope has had the opportunity to write an account having left office, Benedict gives in his own words an unprecedented view of the difficulties, the achievements and the consequences of his time as head of the Catholic Church worldwide.

The Scandal of The Scandals Manfred Lütz,2020-05-06 Mahatma Gandhi once chided a Christian friend, All you Christians, missionaries and all, must begin to live more like Jesus Christ. And what Christian among us would disagree with him? After the holy wars and witch-hunts, after persecutions and political machinations, there is a broad sense today that the Church, however well-meaning, is on the wrong side of history. But do we really know our history? In this collaboration with historian Arnold Angenendt, best-selling German author Manfred Lütz dares to show us what contemporary historians actually say about Christianity's track record over the ages. This detailed overview begins with the ancient pagans, passing through Israel, the early Church martyrs, Constantine's Rome, the reign of Charlemagne, the Crusades, the Inquisition, the Reformation, the Borgia popes, the Galileo affair, the conquistadores, the French Revolution, the slave trade, the Holocaust, the sex abuse crisis, and more. The Scandal of the Scandals separates myth from fact, giving us a candid portrait of Christendom with its scars and all. Prepare to be amazed at how little you really knew about Christianity.

Jesus Anselm Grun,2014-03-14 Retells important events in Jesus's birth, growth, ministry, death, and resurrection.
