## **Rhythm of Conscience Ambassadors of Corruption and Poverty** P. O. C. Umeh, 2014-05-09

Rhythm of Conscience - Ambassadors of Corruption and Poverty is a book that tries to expose all the malaise and malfeasance that plague societies which impede their progress and stunt their growth because of greed, poverty mentality, corruption, love of power, selfishness etc. From its contents, the reader discovers that whereas developed countries are experiencing quantum leap in scientific and technological advancement of magical proportions due to patriotism, transparency, accountability and hard work, African countries are busy killing their economies, development opportunities and stifling their education system thus putting Africa on a backward march to dark ages. The book tries to x-ray the future of the African continent vis-a-vis their self-serving leaders and cronies who feel contented as they luxuriate in corruption, impunity and debauchery thus creating mass poverty, hunger, social decay, anger, violence, inefficiency, low productivity and unemployment. Conversely their counterparts in other climes are pushing forward to new heights, expanding beyond the frontiers of scientific and technological knowledge and making amazing breakthroughs in research in order to ensure the happiness of their citizens while African leaders specialize in looting their nations' patrimony. The book also deals with urgent and contemporary issues that are of daily concern to every man, woman and child all over the world such as HIV/AIDS. The book contains nearly one hundred

poems on diverse subject matters and is divided into ten sections namely: Corruption; Lamentations; Reflections; Hard Times; Fate In Our Hands; Joy And Sorrow; Playing Parents; The Pandemic HIV/AIDS; Love And Marriage; Tributes. The Author laments that law courts, long terms of imprisonment and the use of force have neither abated nor stopped corruption and thus feel that a paradigm shift is necessary to win the war against corruption. Rhythm of conscience was deliberately designed and articulated to lay the pioneering foundation for the psychological conditioning and sustained re-orientation of the minds of both the masses and their leaders so as to re-unite them with their lost consciences once again. The book therefore is a doctrinal change agent targeting the psyche of readers with the hope that it will ultimately and positively impact on the head, the heart and the mind of every reader in such a way that the evil of corruption will be tamed, reduced or completely eliminated from the reader's thought process.

*Cry of the Poor* Kathleen Ellinger, 2018-05-10 A *Cry of the Poor* is my tenth book of Poetry and a collection of poems from previous works that focus primarily on social justice issues. In addition to creating my own Cover Image, there are poverty drawings throughout this book which capture the urgency of the needs of the poor. The poetry moves the heart to be compassionate and to assist those less fortunate than ourselves: the starving, the refugee, the homeless and the poor in general throughout our world and in our own country of the United States.

*Analysis of Four Poems by Elizabeth Alexander* Marc Hempel, 2011-03 Seminar paper from the year 2010 in the subject English Language and Literature Studies - Literature, grade: 2,0, RWTH Aachen University (Institut für Anglistik, Amerikanistik und Romanistik), course: Modern and Contemporary American Poetry, language: English, abstract: The current President of the United States of America, Barack Obama, was one of the few, who, in his inauguration ceremony in January 2009, had a poet read an inaugural poem. This delightful tradition that had only been included by three presidents before but that in many ways supports and promotes the art of contemporary American poets was kept alive by Elizabeth Alexander, one of the best-known and most successful recent African-American women poets. Her *Praise Song For The Day*, despite some sporadic criticism, was a suitable and thoughtful composition for this occasion and it was then that

I heard for the first time of Elizabeth Alexander, an African-American poet. Her work and background fascinated me especially because she is a contemporary and her work is so recent and still going on. Therefore, I decided to examine four of her poems in the term paper at hand: Emancipation, Ars Poetica #28: African Leave-Taking Disorder, Race and Ars Poetica #92: Marcus Garvey on Elocution. During my research I had to learn that sadly, there is a significant lack of research and literature on this and other contemporary authors and therefore, this term paper largely consists of my own findings regarding the poems. Due to the reason that her personal background and her life have influenced the poems to a notable extent, I will start off with a short biographical section on Elizabeth Alexander herself and point out further biographical traits while interpreting the poems in their respective chapters. I will finally summarize my findings and present my personal conclusion as regards her way of tackling her topics and her art of writing.

**Poverty Poetry** Romey Romello, 2020-04-25 Poverty Poetry is a poetry book filled with numerous varieties of poems that express every element of people's lives from happy to sad, and the ups and downs they experience. Survival of real-life events, of experiences based on Romey Romello's life and that of his family and friends' lives, everyone living from urban to suburban communities can relate to different experiences of poverty. This book was created to give readers and poetry lovers vision and motivation to turn their poverty to power and to survive by moving from

negative to positive. This book was written for thinkers of all kinds and to educate those who don't know everything that goes on in poverty. This is for all people to envision, understand and relate to all forms of poverty. Remember, this is not just poetry, it's Poverty Poetry. Poverty Poetry Book II is coming soon.

The Sidewalk Motel Tiny Gray-Garcia, 2021-09-20

At age 11, me and my mama became houseless, and I had to drop out of formal institutions of learning. I enrolled full-time in the skoo of hard knocks to survive, where my Xingona warrior, indigenous, disabled, poverty skola Mama Dee was my writing teacher. Mama was a G and not user-friendly or easy on me, but she was insistent that the AristoKrazy didn't own writing, history, art, poetry, theory and storytelling and that it was extremely important for poor and houseless, uneducated people like us to take that lie back and write powerful poetry and prose about our

struggles and our lives. This is for you, Mama-I miss you everyday.

*Ink Knows No Borders* Patrice Vecchione, Alyssa Raymond, 2019-03-12 A poetry collection for young adults brings together some of the most compelling and vibrant voices today reflecting the experiences of teen immigrants and refugees. With authenticity, integrity, and insight, this collection of poems addresses the many issues confronting first- and second- generation young adult immigrants and refugees, such as cultural and language differences, homesickness, social exclusion, human rights, racism, stereotyping, and questions of identity. Poems by Elizabeth Acevedo, Erika L. Sánchez, Samira Ahmed, Chen Chen, Ocean Vuong, Fatimah Asghar, Carlos Andrés Gómez, Bao Phi, Kaveh Akbar, Hala Alyan, and Ada Limón, among others, encourage readers to honor their roots as well as explore new paths, offering empathy and

hope for those who are struggling to overcome discrimination. Many of the struggles immigrant and refugee teens face head-on are also experienced by young people everywhere as they contend with isolation, self-doubt, confusion, and emotional dislocation. *Ink Knows No Borders* is the first book of its kind and features 65 poems and a foreword by poet Javier Zamora, who crossed the border, unaccompanied, at the age of nine, and an afterword by Emtithal Mahmoud, World Poetry Slam Champion and Honorary Goodwill Ambassador for UNHCR, the UN Refugee Agency. Brief biographies of the poets are included, as well. It's a hopeful, beautiful, and meaningful book for any reader.

**Africa Doesn't Matter** Giles Bolton, 2012-02 An aid worker and diplomat analyzes the problems of contemporary Africa, providing anecdotes on poverty, trade, and globalization, and explores how current approaches to foreign assistance have worked to hinder development on the continent.

*From Poverty to Power* Duncan Green, 2008 Offers a look at the causes and effects of poverty and inequality, as well as the possible solutions. This title features research, human stories, statistics, and compelling arguments. It discusses about the world we live in and how we can make it a better place.

*Utopia* Thomas More, 2023-12-03 Utopia is a work of fiction and socio-political satire by Thomas More published in 1516 in Latin. The book is a frame narrative primarily depicting a fictional island society and its religious, social and political customs. Many aspects of More's description of Utopia are reminiscent of life in

monasteries.

**A modest proposal** Jonathan Swift, 2024-02-02 A Modest Proposal by Jonathan Swift is a satirical masterpiece that employs biting wit and irony to address the pressing issue of poverty and overpopulation in 18th-century Ireland. Swift's proposal, presented in a straightforward and logical manner, suggests a shocking and absurd solution to the problem: the consumption of infants. As readers delve into this essay, they quickly realize that Swift's proposal is not to be taken seriously but is a scathing critique of British policies and their detrimental impact on Ireland. Swift adopts the persona of a rational economist to highlight the callousness of the British ruling class towards the impoverished Irish population. Swift's brilliant use of irony and satire forces readers to confront the harsh realities faced by the Irish under British rule. The essay serves as a scathing indictment of colonialism and the exploitation of the Irish people. A Modest Proposal is a timeless work of political satire that continues to be studied and admired for its sharp critique of social injustice. It challenges readers to think critically about the consequences of economic and political policies and the importance of empathy and compassion in addressing societal issues. Delve into the world of Swift's biting satire and discover the power of literature to provoke thought and ignite change. A Modest Proposal remains a compelling and thought-provoking piece that resonates with readers concerned with social justice and political commentary. ABOUT THE AUTHOR

Jonathan Swift (1667-1745) was an Irish satirist, essayist, poet, and cleric, best known for his works that blend sharp wit with social commentary. Born in Dublin, Ireland, Swift is celebrated for his satirical writings, including Gulliver's Travels, a biting critique of society and politics. Swift's writing style is characterized by his use of irony, humor, and allegory to criticize the shortcomings of the human condition and the follies of his era. Gulliver's Travels remains one of the most enduring and widely read satirical novels in English literature. In addition to his literary contributions, Swift was also a clergyman and served as Dean of St. Patrick's Cathedral in Dublin. His multifaceted career and his ability to use humor as a tool for social commentary have cemented his place as one of the foremost satirists in literary history. Swift's legacy lives on through his timeless works, which continue to be studied and enjoyed for their insightful and entertaining critiques of society.

Poverty and Famines Amartya Sen, 1983-01-20 The main focus of this book is on the causation of starvation in general and of famines in particular. The author develops the alternative method of analysis—the 'entitlement approach'—concentrating on ownership and exchange, not on food supply. The book also provides a general analysis of the characterization and measurement of poverty. Various approaches used in economics, sociology, and political theory are critically examined. The predominance of distributional issues, including distribution

between different occupation groups, links up the problem of conceptualizing poverty with that of analyzing starvation.

**Being Brought from Africa to America - The Best of Phillis Wheatley** Phillis Wheatley, 2020-07-31  
Phillis Wheatley (c. 1753–1784) was an American freed slave and poet who wrote the first book of poetry by an African-American. Sold into a slavery in West Africa at the age of around seven, she was taken to North America where she served the Wheatley family of Boston. Phillis was tutored in reading and writing by Mary, the Wheatleys' 18-year-old daughter, and was reading Latin and Greek classics from the age of twelve. Encouraged by the progressive Wheatleys who recognised her incredible literary talent, she wrote "To the University of Cambridge" when she was 14 and by 20 had found patronage in the form of Selina Hastings, Countess of Huntingdon. Her works garnered acclaim in both England and the colonies and she became the first African American to make a living as a poet. This volume contains a collection of Wheatley's best poetry, including the titular poem "Being Brought from Africa to America". Contents include: "Phillis Wheatley", "Phillis Wheatley by Benjamin Brawley", "To Maecenas", "On Virtue", "To the University of Cambridge", "To the King's Most Excellent Majesty", "On Being Brought from Africa to America", "On the Death of the Rev. Dr. Sewell", "On the Death of the Rev. Mr. George Whitefield", etc. Ragged Hand is proudly publishing this brand new collection of classic poetry with a specially-commissioned biography of the author.

Philosophical Musings for a Meaningful Life S. Kumaran, 2016-02-01

Inside one of Contemporary India's most Influential Poets The twenty-four papers in *Philosophical Musings for a Meaningful Life* study the poetry collections *Winged Reason* (2010), *Write Son, Write* (2011), and *Multicultural Symphony* (2014), of Dr. K.V. Dominic and reveal his humanistic values and concept of universal brotherhood, his social criticism devoid of absurdity and obscurity, his profound concern for the marginalized sections of society, and his reverence for Nature. All the papers focus on the poet's anguish at the evils and the inhuman attitude prevalent in the society and necessitate harmony of existence. In the context of Indian English poetry, the papers find Dominic to be unique in his use of simple and plain language to address the vast canvass of human life and the neglected segment of human society. Further, the papers bring out how the universal appeal of Dominic lies in his ability to view the world as a sanctuary and acknowledge him as the promising voice of the present century for his belief in the interrelatedness of all lives that ascertains positive change in the individuals. Dr. S. Kumaran, Editor, is working as an Assistant Professor in the Postgraduate & Research Department of English, Thiruvalluvar Government Arts College, Rasipuram. He is Associate Editor of two refereed international biannual journals, *Writers Editors Critics* (WEC) and *International Journal on Multicultural Literature* (IJML); and a Member of the Editorial Boards of various journals from India and abroad.

This critical study on the poetry of Dr. K.V. Dominic deserves to be read closely for evaluation and to be on the shelf of every notable library. Philosophical Musings for a Meaningful Life will inspire scholars from the West to find rubies and diamonds in the Indian poetry of today. --Dr. Stephen Gill, Poet Laureate of Ansted University K.V. Dominic's social consciousness is his chief forte. Not for a moment does he divert attention from the simple and innocent activities of ordinary human beings. From his lyrics originate feelings of eternal sympathy, peace, and fraternal unity. --P.C.K. Prem, critic from Himachal Pradesh, India From the World Voices Series Modern History Press
