*Believing God* Beth Moore, 2015-04 "Is it working? Your belief system, that is. Is it really working? God's intention all along has been for the believer's life to work. From divine perspective toward terrestrial turf, God meant for his children to succeed. . . Are our Christian lives successful? Are they achieving and experiencing what Scripture said they would? In a recent sermon my son-in-law preached, Curt told us the only way we were going to impact the world and the next generation is to prove that our faith in Christ is real and that it works. For countless Christians I'm convinced it's real. My concern is whether or not we have the fruit to suggest it works."—Beth Moore; *Believing God*

**To Live Is Christ** Beth Moore, 2008-03 In *To Live Is Christ*, best-selling author Beth Moore travels on a spiritual odyssey through the life of one of Christianity's most fervent journeymen, the apostle Paul, tracing his story from childhood to martyrdom. Proclaiming his faith as a benchmark in New Testament Scripture, Beth writes, I have accepted many of Paul's words as a personal challenge. 'I want to know Christ' has become my plea. 'To live is Christ and to die is gain' has become my hope. And to borrow his words once more, 'Not that I have already obtained all this . . . but I press on.' Paul's undying passion for Christ continues to inspire and challenge those with a deep spiritual hunger for the things of God. Readers will be greatly refreshed by the obvious mercy of God that causes those who have failed him to repent and serve him wholeheartedly and effectively.

Esther Joyce G. Baldwin, 1984 The Jews were threatened with genocide. A decree ordered the extermination of young and old, women and children. The place: Persia. The time: fifth century B.C. The Book of Esther describes how this crisis was averted through the bravery of Esther, the wisdom of her stepfather and the unity of the Jewish people. It also reveals the God who quietly -- and sometimes unexpectedly -- works behind the scenes to order the events of our lives. The author draws out the beauty and power of this book by discussing its background, structure and theology, and by providing a passage-by-passage

analysis of its contents.
