Summary of Jennette Mccurdy's I'm Glad My Mom Died Everest Media,2022-08-29T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 I unwrap the present in front of me, which is wrapped in Christmas paper even though it's the end of June. I peel off the paper, because I know Mom likes to save a wrapping paper scrap from every present. #2 I was disappointed when I opened my sixth birthday present, which was a two-piece outfit featuring Angelica, my least favorite character, surrounded by daisies. I loved it anyway. #3 I lock eyes with my mother so she will know I care about her, that she's my priority. I respect that about her. She gives me one of her big nose-wrinkling smiles that makes me feel like everything's going to be okay. #4 I can't believe how upbeat I was when my surroundings were so obviously heavy. I was two. I feel tremendous guilt every time we rewatch the home video. How could I not have known better. What a stupid idiot.

Higher Is Waiting Tyler Perry,2017-11-14 In this intimate book of inspiration, Tyler Perry writes of how his faith has sustained him in hard times, centered him in good times, and enriched his life. Higher Is Waiting is a spiritual guidebook, a collection of teachings culled from the experiences of a lifetime, meant to inspire readers to climb higher in their own lives and pull themselves up to a better, more fulfilling place. Beginning with his earliest memories of growing up a shy boy in New Orleans, Perry recalls the moments of grace and beauty in a childhood marked by brutality, deprivation, and fear. With tenderness he sketches portraits of the people who sustained him and taught him indelible lessons about integrity, trust in God, and the power of forgiveness: his aunt Mae, who cared for her grandfather, who was born a slave, and sewed quilts that told a story of generations; Mr. Butler, a blind man of remarkable dignity and elegance, who sold penny candies on a street corner; and his beloved mother, Maxine, who endured abuse, financial hardship, and the daily injustices of growing up in the Jim Crow South yet whose fierce love for her son burned bright and never dimmed. Perry writes of how he nurtured his dreams and discovered solace in nature, and of his resolute determination to reach ever higher. Perry vividly and movingly describes his growing awareness of God's presence in his life, how he learned to tune in to His voice, to persevere through hard times, and to choose faith over fear. Here he is: the devoted son, the loving father, the steadfast friend, the naturalist, the philanthropist, the creative spirit—a man whose life lessons and insights into scripture are a gift offered with generosity, humility, and love.

A Stricken Field Martha Gellhorn,2011-08-22 Martha Gellhorn was one of the first—and most widely read—female war correspondents of the twentieth century. She is best known for her fearless reporting in Europe before and during

WWII and for her brief marriage to Ernest Hemingway, but she was also an acclaimed novelist. In 1938, before the Munich pact, Gellhorn visited Prague and witnessed its transformation from a proud democracy preparing to battle Hitler to a country occupied by the German army. Born out of this experience, *A Stricken Field* follows a journalist who returns to Prague after its annexation and finds her efforts to obtain help for the refugees and to convey the shocking state of the country both frustrating and futile. A convincing account of a people under the brutal oppression of the Gestapo, *A Stricken Field* is Gellhorn's most powerful work of fiction. "[A] brave, final novel. Its writing is quick with movement and with sympathy; its people alive with death, if one can put it that way. It leaves one with aching heart and questing mind."—New York Herald Tribune "The translation of [Gellhorn's] personal testimony into the form of a novel has . . . force and point."—Times Literary Supplement

Where Am I Now? Mara Wilson, 2016-09-13 Thoughtfully traces [Mara Wilson's] journey from child actress to Hollywood dropout...Who is she now? She's a writer. —NPR's Guide To 2016's Great Reads "Growing up, I wanted to be Mara Wilson. *Where Am I Now?* is a delight." —Ilana Glazer, cocreator and star of *Broad City* Named a best book of the month by GoodReads and Entertainment Weekly A former child actor best known for her starring roles in *Matilda* and *Mrs. Doubtfire*, Mara Wilson has always felt a little young and out of place: as the only kid on a film set full of adults, the first daughter in a house full of boys, a Valley girl in New York and a neurotic in California, and a grown-up the world still remembers as a little girl. Tackling everything from what she learned about sex on the set of *Melrose Place*, to discovering in adolescence that she was no longer "cute" enough for Hollywood, these essays chart her journey from accidental fame to relative (but happy) obscurity. They also illuminate universal struggles, like navigating love and loss, and figuring out who you are and where you belong. Candid, insightful, moving, and hilarious, *Where Am I Now?* introduces Mara Wilson as a brilliant new chronicler of the experience that is growing up female.

The Kid Sapphire, 2011-07-05 Fifteen years after the publication of *Push*, one year after the Academy Award-winning film adaptation, *Sapphire* gives voice to *Precious*'s son, Abdul. In *The Kid* bestselling author Sapphire tells the electrifying story of Abdul Jones, the son of *Push*'s unforgettable heroine, *Precious*. A story of body and spirit, rooted in the hungers of flesh and of the soul, *The Kid* brings us deep into the interior life of Abdul Jones. We meet him at age nine, on the day of his mother's funeral. Left alone to navigate a world in which love and hate sometimes hideously masquerade, forced to confront unspeakable violence, his history, and the dark corners of his own heart, Abdul claws his way toward adulthood and toward an identity he can stand behind. In a generational story that moves with the speed of thought from a Mississippi dirt farm to Harlem in its heyday; from a troubled Catholic orphanage to downtown artist's lofts, *The Kid* tells of a twenty-first-century young man's fight to find a way toward the future. A testament to the ferocity of the human spirit and the deep nourishing power of love and of art, *The Kid* chronicles a young man about to take flight. In the intimate, terrifying, and deeply alive story of Abdul's journey, we are witness to an artist's birth by fire.

Smoke Gets in Your Eyes: And Other Lessons from the Crematory Caitlin Doughty, 2014-09-15 Morbid and illuminating (Entertainment Weekly)—a young mortician goes behind the scenes of her curious profession. Your House is on Fire, Your Children All Gone Stefan Kiesbye, 2012 Shirley Jackson meets *The X-Files* in this riveting novel of supernatural horror.

The Heart and Other Monsters Rose Andersen, 2020-07-07 Impossible to put down. It haunts me still." -Alex Marzano-Lesnevich, author of *The Fact of a Body: A Murder and a Memoir* A riveting, deeply personal exploration of the opioid crisis—an empathic memoir infused with hints of true crime. In November 2013, Rose Andersen's younger sister Sarah died of an overdose in the bathroom of her boyfriend's home in a small town with one of the highest rates of opioid use in the state. Like too many of her generation, she had become addicted to heroin. Sarah was 24 years old. To imagine her way into Sarah's life, Rose revisits their volatile childhood, marked by their stepfather's omnipresent rage and their father's pathological lying. As the dysfunction comes into focus, so does a broader picture of the opioid crisis and the drug rehabilitation industry in small towns across America. And when Rose learns from the coroner that Sarah's cause of death was a methamphetamine overdose, the story takes a wildly unexpected turn. As Andersen sifts through her sister's last days, we come to recognize the contours of grief and its aftermath: the psychic shattering which can turn to anger, the pursuit of an ever-elusive verdict, and the intensely personal rites of imagination and art needed to actually move on. Reminiscent of Alex Marzano-Lesnevich's *The Fact of a Body*, Maggie Nelson's *Jane: A Murder*, and Lacy M. Johnson's *The Other Side*, Andersen's debut is a potent, profoundly original journey into and out of loss.

From Here to Eternity: Traveling the World to Find the Good Death Caitlin Doughty, 2017-10-03 A New York Times and Los Angeles Times Bestseller "Doughty chronicles [death] practices with tenderheartedness, a technician's fascination, and an unsentimental respect for grief." —Jill Lepore, The New Yorker Fascinated by our pervasive fear of dead bodies, mortician Caitlin Doughty embarks on a global expedition to discover how other cultures care for the dead. From Zoroastrian sky burials to wish-granting Bolivian skulls, she investigates the world's funerary customs and expands our sense of what it means to treat the dead with dignity. Her account questions the rituals of the American funeral industry—especially chemical embalming—and suggests that the most effective traditions are those that allow mourners to personally attend to the body of the deceased. Exquisitely illustrated by artist Landis Blair, *From Here to Eternity* is an adventure into the morbid unknown, a fascinating tour through the unique ways people everywhere confront mortality.
