The Daniel Dilemma Bible Study Guide Chris Hodges,2017-10-17 As Christians, we have real hope in Jesus that we have been called to share with others. But how we share that hope makes a difference. In a world that rejects everything we believe, we face a dilemma: how do we walk closely with God without caving in to pressure or alienating those we want to reach? In this six-session video Bible study, Chris Hodges looks at the lives of both Daniel and Jesus, showing how we can stand for our biblical beliefs without being hostile or insulting to others. We can stand up for God's truth in a morally corrupt culture—while still loving others—because the goal is never about winning the argument but about winning hearts. As Jesus demonstrated, when we connect with others before we correct them, we can handle the hard questions without compromising God's grace or truth. Chris offers fresh insights and practical ideas to encourage Christians struggling with their cultural reality to hold God's standards high and to keep his grace deep—just as Jesus did, and just as his followers today are called to do. The Daniel Dilemma Study Guide includes video discussion questions, Bible exploration,

and personal study and reflection materials for in-between sessions. Sessions include: In the World but Not of It Identity Theft You Are What You Worship Who's the Boss? Divided, Distracted, and Disturbed What the World Needs Now Designed for use with the Daniel Dilemma Video Study (sold separately).

Out of the Cave Chris Hodges,2021-05-25 Do you feel guilt and shame about negative thoughts and emotions and your inability to overcome them? Bestselling author and pastor Chris Hodges helps those struggling with depression find liberating solutions by drawing from the life of the prophet Elijah. You might be asking, Should a Christian even be having these struggles? Depression is the number one health issue in the world today, yet those who suffer are still sometimes stigmatized--especially followers of Jesus. Many assume God's peace, power, and protection should prevent us from ever feeling anxious, depressed, and afraid. But the Bible teaches otherwise, particularly in its depiction of the life of the Old Testament prophet Elijah. In *Out of the Cave*, Chris Hodges uses Elijah's life to show us that everyone is susceptible to depression. Even when we're walking closely with God, we can still stumble and get lost in the wilderness of tangled emotions. But we don't have to stay there, because we serve a God who meets us in the darkness. *Out of the Cave* helps us remove the stigma of depression and realize we're not alone; understand the ways our temperament and view of God affect the way we handle depression; and learn a comprehensive approach to wellness—mind, body, and soul—from Elijah's journey. With his trademark blend of Bible-based wisdom, practical application, and vulnerability in sharing his personal struggles, Hodges explores the causes of depression we can't change, the contributors we can conquer, and offers transformative hope and spiritual power to help us win the battle.
