Anne Lister

The Secret Diaries Of Miss Anne Lister: Vol. 1 Anne Lister, 2010-11-04 Discover the extraordinary diaries of the real Anne Lister: the inspiration for Gentleman Jack and Emma Donoghue's new novel *Learned By Heart* 'Engaging, revealing, at times simply astonishing' SARAH WATERS '[Anne Lister's] sense of self, and self-awareness, is what makes her modern to us . . . The diaries gave me courage' JEANETTE WINTERSON 'The Lister diaries are the Dead Sea Scrolls of lesbian history' EMMA DONOGHUE When this volume of Anne Lister's diaries was first published in 1988, it was hailed as a vital piece of lost lesbian history. The editor, Helena Whitbread, had spent years painstakingly researching and transcribing Lister's extensive journals, much of which were written in an elaborate code - what Lister called her 'crypthand', which allowed her to record her life in intimate, and at times, explicit, detail. Until then, Anne Lister's lesbianism had been suppressed or hinted at; this was the first time her story had been told. Anne Lister defied the role of nineteenth century womanhood: she was bold, fiercely independent, a landowner, industrialist, traveller and lesbian - a woman who lived her life on her own terms. These diaries include the years 1816-1824. The second volume, continuing Anne's story, *THE SECRET DIARIES OF MISS ANNE LISTER: NO PRIEST BUT LOVE*, is now available.

I Know My Own Heart Helena Whitbread, 1992-06-01 Upon publication, the first volume of Anne Lister's diaries, *I Know My Own Heart*, met with celebration, delight, and some skepticism. How could an upper class Englishwoman, in the first half of the nineteenth century, fulfill her emotional and sexual needs when her sexual orientation was toward other women? How did an aristocratic lesbian manage to balance sexual fulfillment with social acceptability? Helena Whitbread, the editor of these diaries, here allows us an inside look at the long-running love affair between Anne Lister and Marianna Lawton, an affair complicated by Anne's infatuation with Maria Barlow. Anne travels to Paris where she discovers a new love interest that conflicts with her developing social aspirations. For the first time, she begins to question the nature of her identity and the various roles female lovers may play in the life of a gentrywoman. Though unequipped with a lesbian vocabulary with which to describe her erotic life, her emotional conflicts are contemporary enough to speak to us all. This book will satisfy the curiosity of the many who became acquainted with Lister through *I Know My Own Heart* and are eager to learn more about her revealing life and what it suggests about the history of sexuality.

No Priest But Love Helena Whitbread, 1993-02-01 One may take delight in what is here: the souvenir of an unabashed and often triumphant erotic life . . . Rediscovered after nearly two hundred years, the story of [Anne Lister's] desire--and of the comic, gallant ways in which she satisfied it--seems especially poignant . . . What Lister's diary suggests is that . . . the passion women find together has always existed, and we have only now begun to uncover its remarkable, lyrical history. --The Women's Review of Books An interesting historical record, edited with great sensitivity . . . [Lister] reveals her lesbian affairs with remarkable honesty, offering a rare insight into the mores of the time. --Sunday Independent As a document of one woman's revolt against convention and as a celebration of love between women, this is an uplifting book. --The Independent Upon publication, the first volume of Anne Lister's diaries, *I Know My Own Heart*, met with celebration, delight, and some skepticism. Gentleman Jack Angela Steidele, 2018-11-01 Longlisted for the 2019 Portico Prize The extraordinary life of history's first modern lesbian who inspired the popular television series *Gentleman Jack*. Anne Lister's journals were so shocking that the first person to crack their secret code hid them behind a fake panel in his ancestral home. Anne Lister was a Regency landowner, an intrepid world traveller . . . and an unabashed lover of other women. In this bold new biography, prizewinning author Angela Steidele uses the diaries to create a portrait of Anne Lister as we've never seen her before: a woman in some ways very much of her time and in others far ahead of it. Anne Lister recorded everything from the most intimate details of her numerous liaisons through to her plans to make her fortune by exploiting the coal seams under her family estate in Halifax and her reaction to the Peterloo massacre. She conducted a love life of labyrinthine complexity, all while searching for a girlfriend who could provide her with both financial security and true love. Anne Lister's rich and unconventional life is now the subject of the major BBC TV drama series *Gentleman Jack*.

This book also documents how Lister began redesigning the Shibden landscape and how she played a powerful new role in the local political tumult after the passing of the great Reform Bill.

In the Footsteps of Anne Lister (Volume 1) Adeline Lim,2021-02-17 'This solitary journey may do me good. It will shew me how far I may really trust to the resources of my own mind.' - Anne Lister, 29 July 1833 Anne Lister: 19th-century mistress of Shibden Hall, Halifax. Prolific diarist, traveller, adventuress, lesbian. In 1833, she fulfils a long-anticipated trip to Germany and Denmark. She visits landmarks and sights that stand even today and meets celebrated and prominent people who have become immortalised in the annals of history. Adeline Lim: Traveller, history enthusiast. In 2019, seeking a diversion after her dog's death, she finds a worthy distraction in Anne's travels. Their journeys transect the centuries, transcending the passage of time. Through Anne, Adeline discovers a different facet of Europe, one steeped in historical significance brought to life by Anne's words. Adeline travels more than 2,000 kilometres, from the celestial plafond of Saint Paulinus in Trier to the Hanseatic city of Lübeck, and across the Fehmarn Belt into Denmark to stand in the shadows of the Rundetårn of Copenhagen. Adeline then chases the scent of Anne Lister's trail through Denmark's islands of Sjælland and Fyn back into Germany where she crosses the Elbe to find herself contemplating the distant North Sea, standing on the old pier of Alte Liebe in Cuxhaven, the very one which has withstood centuries of storms, even that of 1833 which stranded Anne in the harbour. Her journey brings her consolation, ignites in her a passion for Anne's travels, and engenders a deep respect for the intrepid Anne. This book contains never before published excerpts of Anne Lister's diary and letters, spanning June to December 1833, maps of Anne's journey and an appendix listing all the villages and cities Anne travelled through or visited in France, Germany, Luxembourg and Denmark, including landmarks that the 21st-century traveller can visit today.

House of Leaves Mark Z. Danielewski,2000-03-07 "A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious." -The New York Times Years ago, when House of Leaves was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth -- musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now this astonishing novel is made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices. The story remains unchanged, focusing on a young family that moves into a small home on Ash Tree Lane where they discover something is terribly wrong: their house is bigger on the inside than it is on the outside. Of course, neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of that impossibility, until the day their two little children wandered off and their voices eerily began to return another story -- of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.

The Social Life of Coffee Brian Cowan,2008-10-01 What induced the British to adopt foreign coffee-drinking customs in the seventeenth century? Why did an entirely new social institution, the coffeehouse, emerge as the primary place for consumption of this new drink? In this lively book, Brian Cowan locates the answers to these questions in the particularly British combination of curiosity, commerce, and civil society. Cowan provides the definitive account of the origins of coffee drinking and coffeehouse society, and in so doing he reshapes our understanding of the commercial and consumer revolutions in Britain during the long Stuart century. Britain's virtuosi, gentlemanly patrons of the arts and sciences, were profoundly interested in things strange and exotic. Cowan explores how such virtuosi spurred initial consumer interest in coffee and invented the social template for the first coffeehouses. As the coffeehouse evolved, rising to take a central role in British commercial and civil society, the virtuosi were also transformed by their own invention.

Passions Between Women Emma Donoghue,2014 Passions Between Women looks at stories of lesbian desires, acts and identities from the Restoration to the beginning of the nineteenth century. Far from being invisible, the figure of the woman who felt passion for women in this period was a subject of confusion and contradiction: she could be put in a freak show as a 'hermaphrodite', denounced as a 'tribade' or 'lesbian', revered as a 'romantic friend', jailed as a 'female husband' or gossiped about as a 'woman-lover', 'tommy' or 'Sapphist'. Through an examination of a wealth of new medical, legal and erotic source material, together with re-readings of classics of English literature, Emma Donoghue uncovers the astonishing range of lesbian and bisexual identities described in British texts between 1668 and 1801. Female pirates and spiritual mentors, chambermaids and queens, poets and prostitutes, country idylls and whipping clubs all take their place in an intriguing panorama of lesbian lives and loves. 'Controversial, erotic and radical, Emma Donoghue's lesbian voyage of exploration outlines an astonishing spectrum of gender rebellion which creates a new map of eighteenth-century sexual territories and identities.' The 'Baby Dolls' Kim Marie Vaz, 2013-01-18 One of the first women's organizations to mask and perform during Mardi Gras, the Million Dollar Baby Dolls redefined the New Orleans carnival tradition. Tracing their origins from Storyville-era brothels and dance halls to their re-emergence in post-Katrina New Orleans, author Kim Marie Vaz uncovers the fascinating history of the raddy-walking, shake-dancing, cigar-smoking, money-flinging ladies who strutted their way into a predominantly male establishment. The Baby Dolls formed around 1912 as an organization of African American women who used their profits from working in New Orleans's red-light district to compete with other Black prostitutes on Mardi Gras. Part of this event involved the tradition of masking, in which carnival groups create a collective identity through costuming. Their baby doll costumes -- short satin dresses, stockings with garters, and bonnets -- set against a bold and provocative public behavior not only exploited stereotypes but also empowered and made visible an otherwise marginalized female demographic. Over time, different neighborhoods adopted the Baby Doll tradition, stirring the creative imagination of Black women and men across New Orleans, from the downtown Trem area to the uptown community of Mahalia Jackson. Vaz follows the Baby Doll phenomenon through one hundred years with photos, articles, and interviews and concludes with the birth of contemporary groups, emphasizing these organizations' crucial contribution to Louisiana's cultural history.

The Narrows Ann Petry, 2017-07-15 Link Williams is a handsome and brilliant Dartmouth graduate who tends bar due to the lack of better opportunities for an African American man in a staid mid-century Connecticut town. The routine of Link's life is interrupted when he intervenes to save a woman from a late-night attack. Drinking in a bar together after the incident, "Camilo" discovers that her rescuer is African American and he learns that she is white. Unbeknownst to him, "Camilo" (actually Camilla Treadway Sheffield) is a wealthy married woman who has crossed the town's racial divide to relieve the tedium of her life. Thus brought together by chance, Link and Camilla draw each other into furtive encounters that violate the rigid and uncompromising social codes of their own town and times. As The Narrows sweeps ahead to its shattering denouement, Petry shines a harsh yet richly truthful light on the deforming harm that race and class wreak on human lives. In a fascinating introduction to this new edition, Keith Clark discusses the prescience with which Petry chronicled the ways tabloid journalism, smug elitism, and mob mentality distort and demonize African American men.
