Harriet Beecher Stowe

Uncle Tom's Cabin Harriet Beecher Stowe, 2001-01-09 When Uncle Tom's Cabin was published in 1852, it became an international blockbuster, selling more than 300,000 copies in the United States alone in its first year. Progressive for her time, Harriet Beecher Stowe was one of the earliest writers to offer a shockingly realistic depiction of slavery. Her stirring indictment and portrait of human dignity in the most inhumane circumstances enlightened hundreds of thousands by revealing the human costs of slavery, which had until then been cloaked and justified by the racist misperceptions of the time. Langston Hughes called it a moral battle cry, noting that the love and warmth and humanity that went into its writing keep it alive a century later, and Tolstoy described it as flowing from love of God and man.

Harriet Beecher Stowe's Uncle Tom's Cabin Harold Bloom, 2008 Harriet Beecher Stowe's powerful antislavery novel Uncle Tom's Cabin, published in 1851, caused an immediate sensation and sparked heated debate. This addition to the Bloom's Guides series examines the structure and characters of the novel and provides critical analysis. Litchfield Ralph White, 2011 Litchfield was founded 57 years before the Declaration of

Independence, and it wears its distinctive history proudly. Visitors first note the town's scenic beauty, then its pace, friendly atmosphere, and historic architecture. Litchfield was the home of Harriet Beecher Stowe, the author of *Uncle Tom's Cabin*; Ethan Allen, a hero of the Revolutionary War; Sarah Pierce, whose Litchfield Female Academy pioneered education for women; Tapping Reeve, founder of the first American law school; and Oliver Wolcott, signer of the Declaration of Independence. Litchfield was also the home of Alain and Margaret White, whose visionary donation of 4,000 acres of woodlands and wetlands thrust Litchfield into the forefront of nature conservancy. Litchfield guides readers around the village green, through the town's historic district, and to the nearby White Memorial Conservation Center.

White Lotus John Hersey, 2019-09-04 Not too far from now, in a world very like our own, the oppressors have changed places with the oppressed. After their defeat in the Yellow War, the white people of America are thrust into a brutally altered reality. They are hunted like wild beasts and drive like cattle, transported in reeking ships and sold to their conquerors as field hands and house slaves. Robbed of their old names and their old language, treated with a mixture of cruelty and condescension by their Chinese masters, whites take on new identities and new strategies of survival. Some, like Nose, plunge into dissipation. Others, like Top Man, become imitation Yellows. And some, like White Lotus, rebel. In this mesmerizing book John Hersey creates an alternate history that casts a harsh radiance on our own. It has some of the stateliness of *Exodus*, along with the power of oral narratives of slavery. It has heroes and victims—and villains who turn out to be

victims of another color. At once a masterpiece of storytelling and a complex novel of ideas, *White Lotus* compels us to reexamine our notions of race and racism, freedom and oppression.

Pictures and Stories From Uncle Tom's Cabin (Classic Reprint) Harriet Beecher Stowe, 2017-02-17 Excerpt from *Pictures and Stories From Uncle Tom's Cabin* Oh missus! Dear missus! Don't think me nu grateful; don't think hard of me. I am going to try to save my boy; you will not blame me! God bless and reward you for all your kindness! Hastily folding and directing this, she went to a drawer and made up a little package of clothing for her boy, which she tied firmly round her waist; and so fond is a mother's remembrance, that even in the terrors Of that hour she did not forget to put up in the little package one or two of his favour ite toys. On the bed lay her slumbering boy, his long curls falling negligently around his unconscious face, his rosy mouth half Open, his little fat hands thrown out over the bed-clothes, and a smile spread like a sunbeam over his whole face. Poor boy! Poor fellow! Said Eliza, they have sold you, but your mother will save you yet. It was some trouble to arouse the little sleeper; but after some effort he sat up, and began playing with his wooden bird, while his mother was putting on her bonnet and shawl. Israel Potter: His Fifty Years Of Exile (Annotated Edition) Herman Melville, 2012 This is the

extended and annotated edition including an extensive biographical annotation about the author and his life. When Israel Potter leaves his plough to fight in the American Revolution, he's immediately thrown into the Battle of Bunker Hill, where he receives multiple wounds. However, this does not deter him, and after hearing a rousing speech by General George Washington, he volunteers for further duty, this time at sea, where more ill fortune awaits him. Israel is captured by the British Navy and taken to England. Yet, he makes his escape, and this triggers a series of extraordinary events and meetings with remarkable people. Along the way, Israel encounters King George III, who takes a liking to the Yankee rebel and shelters him in Kew Gardens; Benjamin Franklin, who presses Israel into service as a spy; John Paul Jones, who invites Israel to join his crew aboard The Ranger; and Ethan Allen, whom Israel attempts to free from a British prison. She did, hey? said Mr. Shelby, returning to his paper, which he seemed for a few moments quite intent upon, not perceiving that he was holding it bottom upwards. It will have to come out, said he, mentally; as well now as ever. I told Eliza, said Mrs. Shelby, as she continued brushing her hair, that she was a little fool for her pains, and that you never had anything to do with that sort of persons. Of course, I knew you never meant to sell any of our people, -- least of all, to such a fellow. Well, Emily, said her husband, so I have always felt and said; but the fact is that my business lies so that I cannot get on without. I shall have to sell some of my hands. To that creature? Impossible! Mr. Shelby, you cannot be serious. I 'm sorry to say that I am, said Mr. Shelby. I 've agreed to sell Tom. What! our Tom ? -- that good, faithful creature ! -- been your faithful servant

from a boy! Oh, Mr. Shelby! -- and you have promised him his freedom, too, -- you and I have spoken to him a hundred times of it. Well, I can believe anything now. -- I can believe now that you could sell little Harry, poor Eliza's only child! said Mrs. Shelby, in a tone between grief and indignation. Well, since you must know all, it is so. I have agreed to sell Tom and Harry both; and I don't know why I am to be rated, as if I were a monster, for doing what every one does every day. But why, of all others, choose these? said Mrs. Shelby. Why sell them, of all on the place, if you must sell at all? Because they will bring the highest sum of any, -- that's why. . I could choose another, if you say so. The fellow made me a high bid on Eliza, if that would suit you any better, said Mr. Shelby. The wretch! said Mrs. Shelby, vehemently....

Snakeskin Road James Braziel,2009-07-28 In this powerful and moving new novel by James Braziel, author of Birmingham, 35 Miles, a woman begins a harrowing journey of survival along a passage of terror—and hope.... They call it Snakeskin Road. An ever-changing network of highways, rivers, and forgotten trails, it's used by profiteers of a grim new traffic in human cargo. The catastrophic climatic changes that transformed the Southeast into a vast, inhospitable desert have left its desperate inhabitants with no choice but indentured servitude. Jennifer Harrison is among those destined for the farms, mines, casinos, and brothels of the midwestern "Free Zones." Carrying the unborn child of her deceased husband, Mathew, Jennifer hopes that in three years' time she'll be free to reach Chicago—and a world better than the one she is leaving. Along with a thirteen-year-old

refugee entrusted to her care, Jennifer begins a hazardous pilgrimage across a countryside of barricaded city-states, lawless camp towns, marauding gangs, and what's left of a corrupt government. But nothing she faces is more dangerous than a man named Rosser—a ruthlessly opportunistic bounty hunter determined to bring her back to Birmingham. In a world where hope is always a mile ahead, Jennifer has one last chance before the road disappears forever.

Harriet Beecher Stowe's Uncle Tom's Cabin: The Depiction of the Mulatto Family Harris as a 'Perfect White Middle - Class Anglo-Saxon Family' Annett Göltenboth, 2006-09-10 Seminar paper from the year 2006 in the subject American Studies - Literature, grade: 1,3, University of Tübingen (Amerikanistik), course: Proseminar II, 17 entries in the bibliography, language: English, abstract: Uncle Tom's Cabin was written by Harriet Beecher Stowe and first published in 1852. The book immediately became a bestseller in both Great Britain and the U.S. and had such an immense influence on its readers, that Lincoln supposedly greeted Mrs. Stowe, at her visit to the White House in 1863, as "the little woman who wrote the book that made this great war." (qtd .in Kazin 2003: ix) Uncle Tom's Cabin is very simply put a book about the horrors of slavery. The book has two parallel storylines: the first story is that of the pious slave Tom and his 'adventures' at the farms of his different slave owners. The second story is that of the slaves Eliza, George and Harry Harris who are mulattoes. Eliza and George Harris are a married couple, who are living and working on different farms in the same community. Their son Harry lives with Eliza on the Shelby farm. George, upon being deprived from his privileged work in a factory by his brutal owner, decides to flee to Canada to seek his freedom. Shortly after the escape of George, Eliza, together with her toddler son Harry, also decides to escape from the Shelby farm. Her resolve to escape is based on Mr. Shelby's deal with the slave trader Haley, who forced Mr. Shelby to sell him Harry together with Tom. After

surviving lots of perils on their escapes, George, Eliza and Harry are reunited. They reach Canada and freedom, spend 4 years in France, get another child- little Eliza, and finally go back to their 'roots' -to Africa/ Liberia. The story or more correctly the depiction of George and Eliza Harris as a 'perfect white Anglo-Saxon middle class family of the 19thcentury' will be the topic of this term paper. The description of blacks or mulattoes in terms of white categories was quite a novelty in a time in which blacks were often considered as: [...] "child/savage" in counterpoint to their[whites]own self-image: The antithesis of themselves and of what they value, he lacked "incentive to industry," "moral restraint," the principle of "accumulation" and control over the "animal part" of man. (Takaki 1979: 126) Racial stereotypes in 19thcentury America will be further discussed in chapter 2. Chapter 3 will focus on white Anglo-Saxon gender and family concepts. Chapter 4 will present a detailed discussion on how Mrs. Stowe uses these concepts in the description of the mulattoes Eliza and George Harris. Chapter 5 will sum up the discussions of this term paper.
