The Assistants Robin Lynn Williams,2009-10-13 The compulsively readable and sinfully gossipy tale of five Hollywood personal assistants who band together to turn the tables on their celebrity employers—written by a former personal assistant to a star. In this wicked, laugh-out-loud debut novel, five miserable souls struggle to make their mark on Hollywood, the city of the soulless. Rachel, a starry-eyed and clueless Texas transplant accepts a position as assistant to an aging television diva. Michaela has spent years on the casting couch, and the last pilot she almost got, a decade ago, went to that little nobody, Lisa Kudrow. Jeb has been fired from more assistant jobs than he cares to count, and he currently teeters on the edge of insanity under one of the sleaziest agents in Hollywood. Griffin assists a crass A-list manager who has a tanning bed in his office. Kecia, a no-nonsense Pisces pining for love and Krispy Kremes, works for a hot teen heartthrob who is always looking for the next good party—until his ex-con brother shows up at the front door. Once a week, the assistants meet to commiserate. When the system spits them out, they must learn to succeed through sheer determination, hard-won industry savvy, and luck.

Commitment to Progression Dathien Grainger,2021-06-04 At an early age Dathien Grainger went throughout life curious, not knowing, second guessing and continued to get lost within himself. Not even himself knew exactly how much intellect he really had until self mentality was all that was left. He had to maneuver, he had to be efficient, and he had to be diligent. Life wasn't a game nor to be played with, it would take becoming alone and losing everything several times before he had begun to realize that there were keys, structures, building blocks that he had learned from his past that would be his ability to mold him from his cycle of disbelief and unknowing before he could become in tuned enough to realize that he to; was worth it...Life

**Sanctified and Chicken-Fried** Joe R Lansdale,2010-01-01 “Lansdale’s best known—and frequently most disturbing—stories . . . sanctified in the blood of the walking Western dead and righteously readable.” —The Austin Chronicle From the award-winning master of mojo storytelling, spinner of over-the-top yarns of horror, suspense, humor, mystery, science fiction, and even the Old West comes the first “true best of Lansdale” anthology. Sanctified and Chicken-Fried brings together a unique mix of well-known short stories and excerpts from his acclaimed novels, along with new and previously unpublished material. In this collection of gothic tales that explore the dark and sometimes darkly humorous side of life and death, you’ll meet traveling preachers with sinister agendas, towns lost to time, teenagers out for a good time who get more than they bargain for, and gangsters and strange goings-on at the end of the world. Out of the blender of Lansdale’s imagination spew tall tales about men and mules, hogs and races, that are, in his words, “the equivalent of Aesop meets Flannery O’Connor on a date with William Faulkner, the events recorded by James M. Cain.” “He may be violent, gruesome and shocking, but Lansdale is also one of the greatest yarn spinners of his generation: fearless, earthy, original, manic and dreadfully funny . . . If you’re new to Lansdale, not easily shocked or offended, Sanctified and Chicken-Fried is a good place to jump in and hang on for a crazy ride off the rails.” —The Dallas Morning News

One Last Breath Ginny Myers Sain,2024-03-05 The New York Times bestselling author of Dark & Shallow Lies delivers another chilling supernatural thriller filled with murder, romance, and a decades long mystery that haunts a small Florida town. The perfect blend of Natasha Preston, Krystal Sutherland, and Delia Owens, with a paranormal twist. Mount Orange, Florida, is famous for two things: Cerulean freshwater springs, ideal for free divers who aren't afraid of lurking gators. And the gruesome cold case murder of best friends, Bailey and Celeste, twenty years ago. Bailey and Celeste's murders cast a permanent darkness over sunny Mount Orange. Tru has always lived in that shadow. Now she's supposed to head to FSU in the fall with her boyfriend, but those unsolved murders -- and the death of her own sister -- invade her every thought. It's only in the shadowy deep of Hidden Glen Springs that she can breathe. When a strange girl named Rio rolls into town, hell-bent on figuring out who killed Bailey and Celeste, Tru can't resist entangling herself in the thrill of solving the decades old mystery any more than she can resist her familiar, aching attraction to Rio. As the summer heat ignites, so does the spark between Tru and Rio...along with their other-worldy connection to Bailey and Celeste. But when someone begins stalking them, the girls become convinced the killer is back in town. And if they keep digging into the past, Tru and Rio know this time, it could be their blood that makes the springs run red.
