**James Augustus Henry Murray**

Angel's Roar Shayne Silvers, 2018-04-17 Callie Penrose - a wizard with a splash of Angel's blood flowing through her veins - kind of broke the Vatican and their band of Holy-warrior, wizard-priests, the Shepherds. Officially, the report stated Callie forgot to turn the other cheek, and things escalated. She returns home to Kansas City to find new gangs of supernaturals roving the streets, preying on the innocent while the local factions do nothing. Although not unified, everyone seems to agree on one point: Callie Penrose must die. And she's still hearing those strange Whispers in her mind - much more frequently than before, and not nearly as forgiving. But when an epic betrayal blindsides her and she discovers the truth of her birth - why Heaven and Hell have been so interested in her - Callie's world begins to crumble, and she must decide whether she wants to be a good girl. Or if it's time to be a little naughty. No matter how hard you try, you can't make an Angel cry. They just roar.

*Angel Dust* Shayne Silvers, 2021-07-27 Ashes, ashes... They all fall down.

**Trinity** Shayne Silvers, 2020-09-17 No pantheon is safe from the wrath of a Horsewoman scorned. War is coming to the City of Fountains. The Four Legendary Creatures are free, the Seven Sins are running wild, the vampires are getting thirsty, and the Vatican is ready to enter the front lines. And Callie Penrose is at the heart of it all. The Horsewoman of Despair flicked the first domino, and the consequences are echoing throughout the various halls of power in all corners of the world. As the streets of Kansas City threaten to become raging rivers of blood, one of those closest to Callie is kidnapped, and she is forced to choose between her heart and the people who depend on her to keep them safe. To value

duty over love. As the pillars of Heaven begin to crumble, it becomes increasingly obvious that all these events are coordinated rather than coincidental. Callie may have flicked that first domino, but how much can her heart handle when she learns that some of her closest friends set all the dominos up in the first place. Now is the time when success truly depends on how Lucky Callie can be, and whether she can determine which friends have been paid thirty pieces of silver to stab her in the back. Angels shall weep, and demons shall laugh. Humanity will burn and gods shall die in the wake of a Horsewoman betrayed.

**Unchained** Shayne Silvers, 2017-07-10 Meet Callie Penrose, rookie spell-slinger for the Vatican Shepherds - otherwise known as the monster hunters. But is she Heaven's Devil or Hell's Angel.

Whispers Shayne Silvers, 2018-01-12 The Vatican is broken... And Callie's hearing Whispers in the dark corners of her mind... One of the Vatican's most infamous Shepherds has been murdered, and Callie's friends are the prime suspects. To prove them innocent, Roland and Callie must risk their very souls... Because Callie can't reveal that she's hearing strange Whispers when she uses her magic, or that she's harboring an Angel's Grace. And if the Shepherds discover the hellish bargain Roland made, the streets of Rome will flow with blood as brother turns against brother. And with the Antipope pressuring the Vatican for change, and Nate Temple arriving unannounced to demand an audience with the Shepherds, things couldn't get any more chaotic. Until Callie learns of an ancient order of traitors hiding in the Vatican, and they'll do anything to bring it down - brick by brick. The only way to find the traitor, keep her secrets, and save those she loves is to raise her blade against these Holy warriors of God, shattering the Vatican itself. And the Whispers in her

head find all of this so terribly... amusing. If you like Patricia Briggs, Ilona Andrews, Linsey Hall, McKenzie Hunter, or Ella Summers, you will LOVE the third installment of the Feathers and Fire series.

*Black Sheep* Shayne Silvers, 2019-04-18 Callie Penrose returns home to find a year has passed, and that everyone believes her long dead. Roland Haviar, once her mentor and now a Master Vampire, has become a bloodthirsty tyrant, fulfilling his vow to bathe the City of Fountains in blood until he avenges her death. And the Vatican Shepherds, once his brothers, stand in his way. In his quest for closure, Roland surrounds the city in a magical barrier that blocks all methods of escape-or help-giving him time to seek out an ancient artifact powerful enough to put an end to everyone and everything once and for all. In honor of Callie Penrose. But when Callie is mysteriously cursed to appear as a demon, she finds herself hunted by the very people she wants to protect. Her only hope is to forge new alliances-make deals with devils-to stop the man she once loved as a father. And all the while, the devil laughs in delight, naming Callie friend as he waits with bated breath for the world to end.

*Halo Breaker* Shayne Silvers,2021-04-29 The White Rose marches for war. The angels will weep, the devils will cry, and mankind may die.Callie Penrose wields the Spear of Destiny and wears Envy's Halo-the corrupting power of darkness balanced by the legendary blade of light. Both fight for dominance of the White Rose, but which force will win? Her best friend, Claire, has been abducted or killed, and her only surviving family has been ritualistically murdered to hide the truth of the Divines and the Sev'n Most Sinist'r.Heaven has deemed her a criminal and Hell begs her to be their queen or die.The Vatican is preparing to march on the City of Fountains to defend mankind against the horrors of the

White Rose, the new Master Dracula, once and for all. The answers to her past-and mankind's future-are hidden deep within Solomon's Temple, locked away for very good reason. Callie will have to face some dark, painful truths to bring harmony to a world gone mad. To discover why Heaven and Hell are so eager to bring her under their control. But the Horsewoman of Despair is not alone. The Horseman of Justice and Absolution ride to Kansas City to lay waste to her foes. Three of the Dread Four will march against the forces of Heaven, Hell, and the Vatican. And Kansas City is not the only battleground. The Garden of Eden is in grave peril, and no one knows if Callie is the danger or if she's the savior. After all, how good can Master Dracula be? The Halo Breaker rides a path as thin as the edge of a sword, and even she doesn't know what is right or wrong. But that's what family is about. Getting into-and out of-trouble. Let's just hope the city can survive. Let us pray that the Garden of Eden will thrive. The flip of a coin will decide the fate of the world.
