The Archangel Guide to the Animal World Diana Cooper, 2021-10-26 Just like humans, each type of animal has its own soul purpose on Earth. Birds, fish, insects and reptiles are on their own spiritual journey. Some animals incarnate in service to humanity, while others serve the planet or are here to grow spiritually through life on Earth. The souls of animals, like the souls of humans, come from different stars or planets, even from different universes. In this book, which features unprecedented teachings on the animal realm, Diana Cooper shares fascinating channelled information about the soul missions and service work of many of the creatures of the world. We discover the various planets or stars from which they originate and what they come to Earth to learn or teach. As well as comprehensive material about the creatures with whom we share the planet and the particular angels they work with, this incredible book contains visualizations to connect with them and prayers to help them all. The Archangel Guide to the Animal World will expand your consciousness and help you see to the animal world with enlightened eyes.
