Jane Carter-Woodrow

Fred & Rose Howard Sounes,2017-03-14 The definitive account of one of Britain's most notorious killer couples, who loved, tortured, and slayed together as husband and wife. Updated with a new afterword from the author on the twenty-fifth anniversary of the arrests From the outside, 25 Cromwell Street in Gloucester, England, looked as commonplace as the married couple who lived there. But in 1994, Fred and Rose West's home would become infamous as a "house of horrors" when the remains of nine young women—many of them decapitated, dismembered, and showing evidence of sexual torture—were found interred under its cellar, bathroom floor, and garden. And this wasn't the only burial ground: Fred's first wife and nanny were unearthed miles away in a field, while his eight-year-old stepdaughter was found entombed under the Wests' former residence. Yet, for more than twenty years, the twosome maintained a façade of normalcy while abusing and murdering female boarders, hitchhikers, and members of their own family. Howard Sounes, who first broke the story about the Wests as a journalist and covered the murder trial, has written a comprehensive account of the case. Beginning with Fred and Rose's bizarre childhoods, Sounes charts their lives and crimes in forensic detail, constructing a fascinating and frightening tale of a marriage soaked in blood. Indeed, the total number of the Wests' victims may never be known. A case reminiscent of the "Moors Murders" committed in the 1960s in Manchester by Myra Hindley and Ian Brady—as if Hindley and Brady had married and kept on killing for decades—Fred & Rose "is a story of obsessive love as well as obsessive murder" (The Times, London).

During their long relationship the Wests murdered a series of young women, burying the remains of nine victims under their home at 25 Cromwell Street, Gloucester, including those of their teenage daughter, Heather. What was left of Fred West's eight-year-old stepdaughter was dug up from under the Wests' previous Gloucester home; his first wife and nanny were buried in open country outside the city. Several victims had been decapitated and dismembered, their remains showing signs of sexual torture. These twelve are just the ones the police found when the Wests were arrested in 1994. There may be more whose bones have not been located. Howard Sounes broke the first major story about the Wests as a journalist, and covered the murder trial of Rosemary West, before writing this , the classic book about the case. Beginning with Fred's and Rose's bizarre childhoods, Sounes charts their lives and crimes in forensic detail, creating a fascinating and truly frightening account of a marriage soaked in blood.

Fred & Rose West Ryan Green,2016-04-20 Fred & Rose West - Britain's Most Infamous Killer Couples On the 24th of February 1994, police knocked on the door of an aging house in the English town of Gloucester. They'd come to serve a search warrant in the case of a missing girl - the daughter of the house's inhabitants. What they uncovered would shock the world: decades of child abuse, an underground torture chamber, and a burial ground containing the bodies of the spent victims of the torture - including that of the missing daughter. The address was 25 Cromwell Street, and these discoveries would earn it the moniker The House of Horrors. At the end of the investigation, the number of the murdered was twelve - all young females, including one daughter and one stepdaughter. The couple responsible were Rosemary and Frederick West, and this book will tell you their story. We'll start from the very beginning, with the killers' childhoods and upbringings, exploring in detail the factors that contributed to their later depravities. From there we'll detail the crimes themselves, following the tragic tales of their victims, including the mechanisms that led them to their grim fates. We'll examine how the full extent of their crimes was uncovered in the subsequent investigation. Finally, we'll dig into the malignancies both surrounding the killers and within themselves that drove them to perpetrate their heinous acts. This book is not one for the faint of heart. It enters into graphic details that may upset those of a delicate constitution. It is a true life report on real events. If you believe as I do that we are better served knowing and understanding the full depths of darkness the human soul is capable of, and if you are able to stomach this knowledge, then read on and discover the story of one of Britain's most infamous killer couples. The Lost Girl Caroline Roberts, Stephen Richards,2005 When Caroline Roberts accepted a job at 25 Cromwell Street, the infamous address of Fred and Rose West, she was only 16. Realizing that there was something very malevolent about the couple, she left their employment soon after, glad to be rid of them. The story should have ended there, but a month later she was abducted by the Wests and suffered violent sexual abuse at their hands before being told that she would be killed and buried. Through a combination of luck and quick thinking, despite the trauma of what had happened, Caroline managed to escape to freedom. This is her story of those fateful days and the appalling aftermath.

Heist Howard Sounes,2023-03-28 A detail-driven account of how a gang of criminal misfits pulled off the world's biggest cash robbery, from the bestselling author of true crime classic Fred & Rose. The target was a regional counting house for the Bank of England, a fortified concrete bunker located within a triangle of police stations, one only three hundred yards away. When former UFC cage fighter Lightning Lee Murray discovered that this cash centre held hundreds of millions of pounds, he assembled a team of mates including a mechanic, a roofer, and a used car dealer. A hairdresser made disguises for the men so they could pass off as police officers. In an Ocean's Eleven-style robbery, the gang succeeded in hauling away a lorry-load of cash—a staggering £53 million (worth \$87 million at the time)—a world-record sum. That's when their problems began. By turns thrilling and hilarious, Heist is the compelling true story of this mind-blowing crime, including background on Lee Murray, the build-up to the heist, the robbery itself, and its aftermath. The subject of Catching Lightning, as seen on SHOWTIME.

Rose West: The Making of a Monster Jane Carter-Woodrow,2012-05-15 Although it's hard to believe now, Rose West was an exceptionally beautiful little girl with long, glossy dark hair and big brown eyes. Strangers would stop and stare at her in the street and she could entrance people from an early age. Looking at photos of young Rosie as a child, it is almost impossible to comprehend that she would grow up to become one of Britain's most notorious female murderers. What happened to that little girl to make her capable of such violence? Or was there something wrong - a predisposition to cruelty - which she was born with? Crime writer Jane Carter Woodrow goes back to the start of Rose's life to piece together what it was that turned her into a monster. In doing so, she presents us with a profile of the young Rose West and a fascinating insight into the mind of a killer. Rose's early life made her the perfect partner for Fred West when they met just before her sixteenth birthday. But the young teenager would kill for the first time a few months later, alone and unaided, while Fred was in prison. Her part in the killings is very different to that which many people believe even today. ROSE is a gripping read which sheds light for the first time on the real story of Rose West - taking the reader on a journey from her childhood through to her becoming the country's biggest and most infamous female sexual predator and serial killer.

An Evil Love Geoffrey Wansell, 1996

Happy Like Murderers Gordon Burn, 2011-09-01 An account of two people - Fred and Rose West - who lived together, raised (and killed) children, provided sexual services for anyone interested, and pretended to provide social services for single women. Investigated and told by one of the greatest journalists and writers of the last twenty years, this is the most powerful and upsetting true crime book you will ever read.

An Evil Love: The Life and Crimes of Fred West Geoffrey Wansell, 2022-06-09 The reverberations from Fred West's crimes continue to this day. The story never dies. West was perhaps one of Britain's most evil, feared serial killers. His horrifying compulsion to kidnap, rape and torture his victims before murdering them showed a savagery and cruelty that can barely be believed. His 'House of Horrors' at 25 Cromwell Street, Gloucester, became a burial ground for the women who fell into his hands. This new publication of Geoffrey Wansell's iconic, bestselling true crime masterpiece comes thirty years after West was arrested, in 1992. Dead by suicide by 1994, he never truly faced justice for the twelve murders he was charged with. Wansell, chosen as West's official biographer, gained exclusive access to all West's police interviews, prison diaries, papers, solicitor interviews - and his private collection of video tapes, as well as all the interviews given by his wife, Rose West. Once and for all, he reveals the full story of Fred and Rose West's lives and crimes, in a chilling book that sets the standard for exploring the minds of our most feared serial killers - up close and personal.

Rose West: The Making of a Monster Jane Carter Woodrow, 2011-07-07 Hard to believe it looking at her now, but Rose West was an exceptionally beautiful little girl, with a Maltese mother and English father. Strangers would stop and stare at her in the street and she could entrance people from a very early age. But looking back at photos of Rose as a child, you struggle to accept that she grew up to one of the country's most notorious female criminals. In ROSE, Jane Carter Woodrow goes right back to the start in her life to try and piece together what happened to turn Rose West into the violent monster she became. Jane has gained unprecedented access to the family and has revealed a fascinating story of how there was always something 'not quite right' about Rose... And perhaps that's not too surprising... Rose's childhood reads like one of the most grim misery memoirs. Her father was a violent schizophrenic and her mother received electric shock therapy for severe clinical depression, the whole way through her pregnancy with Rose. Jane has uncovered a horrific hidden story of a twisted family and how her upbringing made her a perfect partner for Fred West when they met when Rose had just turned 16. She was to kill for the first time a few months later. This is a gripping, unputdownable read that sheds light for the first time on the story behind what turned Rose West into one of the country's most vicious and deadly serial killers.

Inside 25 Cromwell Street Stephen West, Mae West, 1996

Die For Me Don Lasseter, 2014-09-10 In 1985, Charles Ng and Leonard Lake were spotted shoplifting. Ng escaped, but Lake's capture led police to a concrete bunker in the Sierra Nevada foothills, where they discovered the grisly evidence of an orgy of sex crimes, torture and murder that claimed at least sixteen victims. Lake committed suicide: Ng fled to Canada, where he was tracked down and extradited to California. This 14-year, \$10 million legal case was the costliest and longest criminal prosecution in California history.
