Socialism Sucks Your Money from Your Pocket Joe Sixpack,2019-06-11 Imagine working hard to earn or achieve something, then after you get it you're told you must give some or all of it away in the name of fairness. That principle is at the heart of socialism and it sucks! The only wicked people who benefit are the ones who take from achievers and give to deadbeats. They also have a much larger and darker plan. They are not interested in fairness at all. They want to steal in the name of fairness, then control you because what they really want is wealth and power without working for it honestly. They will also lie at every turn to get that wealth and power. As a young man or woman, you are going to enter the real world and have socialists posing as teachers and professors who want to brainwash you into believing socialism doesn't suck--don't believe them! Maybe you're a parent who is concerned about the future of your child. Socialism Sucks is the perfect remedy. Instead of listening to socialists, your son or daughter needs common sense. Joe Six Pack has got it in spades. Between the covers of this book, Joe cuts through all the lies of socialism and delivers the common sense Americans are craving right now. We live in a political world, and no matter how hard people try to avoid it there is no escape. There is, however, power in knowledge. Knowledge is not found in colleges and universities, and there's a lot of it found in this book. Just ask Joe Six Pack.

Silicon Valley C. W. Horsham,2015-07-07 We all travel similar but different paths along the road of life! Some say our paths are predetermined and others say Time and Circumstances decides what our experiences would be! I say...Whatever determines our situation is of no consequence because once we enter the Human Race survival becomes our main goal; but I question whether it should be! I invite you to take a ride with Joe Sixpack on his journey for the American Dream and find out whether it's the Theory of Predetermination or the Reality of Circumstances which guide us through our journeys in life!

**Secrets of the Catholic Faith** Joe Sixpack The Every Catholic Guy,2018-12-21 Joe Sixpack-The Every Catholic Guy has been used by the Holy Spirit to make hundreds of converts. He is always exciting, never boring, and completely politically incorrect. He never shies away from the so-called untouchable moral issues. With his use of humor and directness, readers and students can never get enough of what he teaches.

**Secrets of the Catholic Faith** Joe Sixpack,2018-12-21 One of the Most Successful Lay Evangelists in the Catholic Church in America Joe Sixpack--The Every Catholic Guy has had a dynamic thirty-year career as a lay evangelist. He has been used by the Holy Spirit to make hundreds of converts in one-on-one and small group venues, and eighty-four of those converts are his adult godchildren. What is the secret to his success? In a word, truth of the unvarnished variety. See what Joe Sixpack says in addressing this issue in Secrets of the Catholic Faith: There isn't one single teaching of the Catholic Church that can't be adequately demonstrated to any inquiring mind. Everything can be demonstrated. The Church can explain the Immaculate Conception and purgatory, why homosexuality, abortion, and contraception are wrong, and prove the reality of the Holy Eucharist. The Church can tell us how we can know God exists, that Scripture is the inspired word of God, that Jesus established the Catholic Church and

passed on to it His authority and mission. But the Catholic laity aren't being taught these things. They're being fed pablum when they need and want meat. Joe Sixpack--The Every Catholic Guy is always exciting, never boring, and completely politically incorrect. He never shies away from the so-called untouchable moral issues. With his use of humor and directness, readers and students can never get enough of what he teaches.

===== Secrets of the Catholic Faith is great for RCIA classes, use in evangelization, a cursory study of apologetics, and as a personal reference for learning more about the Catholic Church's 2,000 year constant teachings.

*The Burning House* Cyril Horsham,2009-04 The twentieth century started with the Africans in America going through the curse of the Jim Crow laws and the Reconstruction Era, and at that time they were called by many names including, least of all, boy and girl. Midway through the twentieth century the African-American fought for the ending of segregation and when achieved it was thought of as the greatest accomplishment for the negro in the post-slavery days because the negro did not realize, at that time, that integration into the American system was even more dangerous to the Black man than segregation. The twenty-first century met the Africans in America still trying very hard to show their gratitude to the rest of America for allowing them to be integrated. Thus the Black man remains lost and going nowhere very fast as he travels along the road of life in America. This is because the African in America never did understand the meaning of integration! Read *The Burning House* and get a spotlighted view of today's world as seen by Joe Six-Pack.

*Metal Cowboy* Joe Kurmaskie,2002 This heartwarming collection of true stories reveals the thrill and the freedom of traveling America's back roads on a bicycle, and the joy of discovering unforgettable characters along the way. From the moment he borrowed his big sister's banana-seat bike and careened down the neighborhood hill at the age of five, Joe Kurmaskie has known the intoxicating freedom and power of the bicycle. In this big-hearted collection of stories, Joe -- dubbed the Metal Cowboy by a blind rancher he encountered one icy morning in Idaho -- tells of his whimsical, wild adventures through the American landscape.

Box. The good news is that Joe Pickett has his job back, after his last adventure in *The Disappeared*. The bad news is that he's come to learn that a drone is killing wildlife—and the drone belongs to a mysterious and wealthy man whose son is dating Joe's own daughter, Lucy. When Joe tries to lay down the rules for the drone operator, he's asked by the FBI and the DOJ to stand down, which only makes him more suspicious. Meanwhile, bodies are piling up in and around Joe's district in shocking numbers. He begins to fear that a pack of four vicious killers working on behalf of the Sinaloa cartel known as the Wolf Pack has arrived. Their target seems to be the mystery man and everyone—including Joe, Nate, and others—who is associated with him. Teaming up with a female game warden (based on a real person, one of the few female game wardens at work in Wyoming today) to confront these assassins, Joe finds himself in the most violent and dangerous predicament he's ever faced.

**Never Enough** Joe McGinniss, 2012-12-25 At thirty-nine, Nancy Kissel had it all: glamour, wealth and the royal lifestyle of the expatriate wife. Not to mention three young children and what a friend described as the best marriage in the universe to Robert Kissel, a hugely successful investment banker. But that marriage ended abruptly one November night in 2003 in the bedroom of their luxury apartment high above Hong Kong's glittering Victoria Harbour. Hong Kong prosecutors, who charged Nancy with murder, said she wanted to inherit Robert's millions and start a new life with her lover. She said she'd killed her husband in self-defence while fighting for her life against a brutal, cocaine-addicted husband. Her trial in 2005 captured attention worldwide, and less than a year after the verdict Rob's brother Andrew, a real estate tycoon facing prison for fraud and embezzlement was also found dead - tied up and stabbed in the basement of his multi-million dollar home by person or persons unknown. *Never Enough* is the harrowing true story of Robert and Andrew Kissel, who wanted to own the world but instead wound up murdered half a world apart; and of Nancy Kissel, a riddle wrapped inside an enigma, for whom having it all might not have been enough.

**Lumberjanes #1** Shannon Watters, Grace Ellis, Noelle Stevenson, 2014-04-09 Jo, April, Mal, Molly and Ripley are five best pals determined to have an awesome summer together...and they're not gonna let any insane quest or an array of supernatural critters get in their way! Not only is it the second title launching in our new BOOM! Box imprint but LUMBERJANES is one of those punk rock, love-everything-about-it stories that appeals to fans of basically all excellent things.

*Enemy of the State* Vince Flynn, Kyle Mills, 2017-09-05 "In the world of black-op thrillers, Mitch Rapp continues to be among the best of the best" (Booklist, starred review), and he returns in the #1 New York Times bestselling series alone and targeted by a country that is supposed to be one of America's closest allies. After 9/11, the United States made one of the most secretive and dangerous deals in its history—the evidence against the powerful Saudis who coordinated the attack would be buried and in return, King Faisal would promise to keep the oil flowing and deal with the conspirators in his midst. But when the king's own nephew is discovered funding ISIS, the furious President gives Rapp his next mission: he must find out more about the high-level Saudis involved in the scheme and kill them. The catch? Rapp will get no support from the United States. Forced to make a decision that will change his life forever, Rapp quits the CIA and assembles a group of independent contractors to help him complete the mission. They've barely begun unraveling the connections between the Saudi government and ISIS when the brilliant new head of the intelligence directorate discovers their efforts. With Rapp getting too close, he threatens to go public with the details of the post-9/11 agreement between the two countries. Facing an

international incident that could end his political career, the President orders America's intelligence agencies to join the Saudis' effort to hunt the former CIA man down. Rapp, supported only by a team of mercenaries with dubious allegiances, finds himself at the center of the most elaborate manhunt in history. With white-knuckled twists and turns leading to "an explosive climax" (Publishers Weekly), *Enemy of the State* is an unputdownable thrill ride that will keep you guessing until the final page.
