📖 [STAIN](#) A. G. HOWARD, 2019-01-15 A princess must win back her kingdom, save a prince, and restore peace in this fantasy by the #1 New York Times bestselling author of the Splintered series. After Lyra—a princess incapable of speech or sound—is cast out of her kingdom of Daylight by her wicked aunt, a witch saves her life, steals her memories, and raises her in an enchanted forest...disguised as a boy known only as Stain. Meanwhile, in Lyra's rival kingdom, the prince of thorns and night is dying, and the only way for him to break his curse is to wed the princess of Daylight—for she is his true equal. As Lyra finds her way back to her identity, an imposter princess prepares to steal her betrothed prince and her crown. To win back her kingdom, save the prince, and make peace with the land of the night, Lyra must be loud enough to be heard without a voice, and strong enough to pass a series of tests—ultimately proving she's everything a traditional princess is not. “A decadent fantasy anchored in childhood delights with vibrantly detailed writing and brilliantly theatrical subplots.” —Kirkus Reviews “[A] reimagining of “The Princess and the Pea” . . . An emotionally complex tale of fate, inner beauty, and found family that illustrates the strength of love born from friendship.” —Publishers Weekly

📖 [THE GHOST CLAUSE](#) HOWARD NORMAN, 2019-07-02 National Book Award finalist Howard Norman delivers another “provocative . . . haunting”* novel, this time set in a Vermont village and featuring a missing child, a newly married private detective, and a highly relatable ghost. *Janet Maslin, New York Times Simon Inescort is no longer bodily present in his marriage. It's been several months since he keeled over the rail of a Nova Scotia-bound ferry, a massive heart attack to blame. Simon's widow, Lorca Pell, has sold their farmhouse to newlyweds Zachary and Muriel—after revealing that the deed contains a “ghost clause,” an actual legal clause, not unheard of in Vermont, allowing for reimbursement if a recently purchased home turns out to be haunted. In fact, Simon finds himself still at home: “Every waking moment, I'm astonished I have any consciousness . . . What am I to call myself now, a revenant?” He spends time replaying his marriage in his own mind, as if in poignant reel-to-reel, while also engaging in occasionally intimate observation of the new homeowners. But soon the crisis of a missing child, a local eleven-year-old, threatens the tenuous domestic equilibrium, as the weight of the case falls to Zachary, a rookie private detective with the Green Mountain Agency. The Ghost Clause is a heartrending, affirming portrait of two marriages—one in its afterlife, one new and erotically charged—and of the Vermont village life that sustains and remakes them.

📖 [EXPLORING SPACE](#) LEIGH HOPE WOOD, 1996 The travel into space is an adventure, knowledge building and ever learning about the heavens and star within it. Our earth along with the sun and many other planets rein in the place called space. We learn much from space, such as how to track killer storms, global warming, etc.

📖 [ANY ORDINARY DAY](#) LEIGH SALES, 2019-02 As a journalist, Leigh Sales often encounters people experiencing the worst moments of their lives in the full glare of the media. But one particular string of bad news stories--and a terrifying brush with her own mortality--sent her looking for answers about how vulnerable each of us is to a life-changing event. What are our chances of actually experiencing one? What do we fear most and why? And when the worst does happen, what comes next? In this wise and layered book, Leigh talks intimately with people who've faced the unimaginable, from terrorism to natural disaster to simply being in the wrong place at the wrong time. Expecting broken lives, she instead finds strength, hope, even humor. Leigh brilliantly condenses the cutting-edge research on the way the human brain processes fear and grief, and poses the questions we too often ignore out of awkwardness. Along the way, she offers an unguarded account of her own challenges and what she's learned about coping with life's unexpected blows. Warm, candid, and empathetic, this book is about what happens when ordinary people, on ordinary days, are forced to suddenly find the resilience most of us don't know we have.

📖 [ENSNARED](#) A. G. HOWARD, 2015-01-06 A teenage girl faces her evil nemesis in the Alice's Adventures in Wonderland-inspired trilogy that “should sweep readers down the rabbit hole” (Publishers Weekly). After surviving a disastrous battle at prom, Alyssa has embraced her madness and gained perspective. She's determined to rescue her two worlds and the people and netherlings she loves. Even if it means challenging Queen Red to a final battle of wills and wiles . . . and even if the only way to Wonderland, now that the rabbit hole is closed, is through the looking-glass world—a parallel dimension filled with mutated and violent netherling outcasts. In the final installment of the wildly popular Splintered trilogy, Alyssa and her dad journey into the heart of magic and mayhem in search of her mom and to set right all that's gone wrong. Together with Jeb and Morpheus, they must salvage Wonderland from the decay and destruction that has ensnared it. But if they succeed and come out alive, can everyone truly have their happily ever after? Praise for the Splintered trilogy “Alyssa is one of the most unique protagonists I've come across in a while. Splintered is dark, twisted, entirely riveting, and a truly romantic tale.” —USA Today “Brilliant, because it is ambitious, inventive, and often surprising.” —The Boston Globe “A dark beauty fills the novel's pages, which will mesmerize teens with a taste for magic, romance or suspense. Unhinged lays the groundwork for a third book where anything could happen—it is Wonderland, after all.” —Shelf Awareness
