Mario Party Superstars Guide & Walkthrough Janne Candy,2021-11 Mario Party Superstars takes inspiration from the whole series, especially from the games that appeared on the Nintendo 64 and GameCube platforms. In the course of the game we take control over various heroes, among which the moustached brothers lead the way. The game features one hundred mini-games prepared with multiplayer rivalry in mind. In comparison with the original, they have been improved a lot. They are complemented by various events available on each of the five boards. Speaking of arenas, the game gives access to arenas such as Peach's Birthday Cake from the first Mario Party and Space Land from Mario Party 2. Mario Party Superstar pools together some of the most missed boards from previous entries to the series; with such maps as Peach's Birthday Cake and Horror Land, the game will be a hit with any group who takes on the challenge. The chaotic and chance-filled games pit players against one another in a board game setting, with mini-games and chances to win strewn about.
