**Yatharth Geeta Oriya Swami Adgadanand,2003-01-01** 5200 years long interval Srimad Bhagavad Gita in its authentic and everlasting exposition. Yatharth Geeta – The Geeta in its True Perspective Shreemad Bhagwad Geeta - Science of Religion for Mankind What were the inner feelings and emotions of Shri Krishn when he preached the Geeta? All inner feelings cannot be expressed in words. Some can be told, some are expressed through the body language, and the rest are to be realised which can only be understood by a seeker through experiences. Only after attaining the state which Shri Krishn had been to, an accomplished teacher knows what Geeta says. He simply does not reiterate verses of the Geeta but, in fact, gives experiences to the inner feelings of the Geeta. This is possible because he sees the same picture which was there when Shri Krishn preached the Geeta. He therefore, sees the real meaning, can show it to us, can evoke the inner feelings and would lead us on the path of enlightenment. Rev. Shri Paramhansji Mahraj was also an enlightened teacher of such a level and the compilation of his words and blessings to grasp the inner feelings of the Geeta itself is the 'Yatharth Geeta. – Swami Adgadanand

The Path of Perfection is a collection of these talks. The perfect life - the life that achieves the goal of yoga - is dynamic and full of activity, Srila Prabhupada says. *Bhagavad Gita as It Is [Tamil Language]* A.C. BHAKTIVEDANTA. SWAMI PRABHUPADA,2014-05 Chapter summaries, Glossary, Bibliography, Verse Index, General Index, Original Sanskrit, Word for word translated, Translation and purports. The Bhagavad-gita is universally renowned as the jewel of India's spiritual wisdom. Spoken by Lord Krishna, the Supreme Personality of Godhead to His intimate disciple Arjuna, the Gita's seven hundred concise verses provide a definitive guide to the science of self realization. No other philosophical or religious work reveals, in such a lucid and profound way, the nature of consciousness, the self, the universe and the Supreme. His Divine Grace A.C. Bhaktivedanta Swami Prabhupada is uniquely qualified to present this English translation and commentary on Bhagavad-gita. He is the world's foremost Vedic scholar and teacher, and he is also the current representative of an unbroken chain of fully self-realized spiritual masters beginning with Lord Krishna Himself.

*Dharma, the Way of Transcendence* A. C. Bhaktivedanta Swami Prabhupada,2022-02-08 The word dharma, originally from the Sanskrit, refers to the inherent, unchanging nature of something – sugar's dharma is to be sweet, water's dharma is to be wet, and fire's dharma is to emit heat and light. Dharma also refers to our natural duty. We humans have ordinary dharma and an ultimate dharma that relates to who we are at soul level. That dharma requires that we ask existential questions and then seek ultimate answers – questions such as Who am I? Why am I here? and What is my ultimate purpose? Dharma, the Way of Transcendence is a compilation of lectures on human dharma given by His Divine Grace A. C. Bhaktivedanta Swami Prabhupada in 1972 as he toured India. Here he teaches that the dharma of all humans and every other living embodied soul – is service. No one can exist for a moment without serving someone or something else, even if it's only the mind and senses. So the question is, whom or what can we serve if we want to be truest to ourselves?

*The Journey of Self-Discovery* His Divine Grace A. C. Bhaktivedanta Swami Prabhupada,2011 Srila Prabhupada declares, We don't say that this scientific knowledge is useless. Mechanics, electronics – this is also knowledge. But the central point is atma-jnana – self-knowledge, knowledge of the soul. In these thirty-one essays, talks, and informal conversations, Srila Prabhupada reveals the central point of essential self-knowledge – a knowledge that makes all other knowledge and activities pale in comparison. Brighten your life with the light of self-knowledge and gain a world perspective usually reserved for ascetics and saints.

*The Science of Self-Realization* His Divine Grace A. C. Bhaktivedanta Swami Prabhupada,1968 This collection of articles by Srila Prabhupada from Back to Godhead magazine covers knowledge of the soul and the practice of bhakti-yoga. *Beyond Illusion & Doubt* A. C. Bhaktivedanta Swami Prabhupada, 1999

**The Gita: For Children** Roopa Pai, 2022-10-27 'The truth is, Partha,' Krishna said, 'that there is no better path. Both paths – the path of knowledge and the path of action – work just as well. It is up to you to pick the one that you are suited to.' The Bhagavad Gita is a profound book from India that people have cherished for over 2500 years. It emphasises kindness and understanding when we make mistakes, and tells a compelling story about Prince Arjuna and his friend Krishna. They engage in a crucial conversation about the war against the most powerful and dangerous enemy of all – the one that lives within our minds. Roopa Pai's spirited, one-of-a-kind retelling is engaging, easy to grasp, and leaves a lasting impact. After you finish reading, you'll find yourself contemplating its wisdom and feeling a sense of inner strength.

Message of Godhead His Divine Grace A. C. Bhaktivedanta Swami Prabhupada, 1991-01-01 Srila Prabhupada wrote Message of Godhead in the 1950s, while still living at the Radha-Damodara temple in Vrindavan, India. It was one of his first book-length manuscripts, yet wasn't discovered until years after he had come to the West. It was first published in 1991. Through vivid examples Prabhupada makes the case that there's much more to reality than what our senses can perceive. Message of Godhead is one of Srila Prabhupada's slimmest written volumes, yet it stands as a compelling, comprehensive introduction to all the major points of Krishna conscious philosophy, which he explains in much greater detail in his Bhagavad-gita As It Is and Srimad-Bhagavatam.

Raja-vidya His Divine Grace A. C. Bhaktivedanta Swami Prabhupada, 1973 The King of Knowledge We may be proud of our academic education, but if asked what we are, we are not able to say. Everyone is under the conception that this body is the self, but we learn from Vedic sources that this is not so. Only after realizing that we are not these bodies can we enter into real knowledge and understand what we actually are. "This knowledge is the king of all education, the most secret of all secrets. It is the purest knowledge, and because it gives direct perception of the self by realization, it is the perfection of religion. It is everlasting and it is joyfully performed." –Bhagavad-gita 9.2

**The Perfection of Yoga** Prabhupada A C Bhaktivedanta Swami, 2004-01-30 The point of yoga, he explains in the Bhagavad-gita – the central and foundational text of all Vedic wisdom – Krishna concisely explains the actual essence of yoga.
