Free Your Magnificent Mind Jose Silva, 2023-05-16 After 15 years of teaching more than 3 million people his System for using more of their mind the way ultra-successful people do, Jose Silva wanted to continue guiding them- physically, emotionally, and spiritually – so Silva started a “Founder’s Column which became the most popular feature in the Silva Method Newsletter. It ran in every issue for the last 20 years of his life. Free Your Magnificent Mind, contains 100 of these columns which include: an effective way to program for world peace observations and life experiences thoughts about why we should act our age Like many ultra-successful people, Silva was great at giving simple explanations for complex subjects. Not many people throughout history can claim to have started with so little, come so far, and achieved so much. Losing both parents by the age of 6, he went to work instead of going to school - he never attended school a day in his life as a student. Yet his scientific discoveries about the mind and human potential have literally changed the consciousness of humanity. He held 3 patents including one that was the first patent that stated Human concentration turns on an educational program.” The articles are brief, averaging about 750 words each and are easy to read whenever you have a few minutes for some inspiration and motivation. It includes an appendix with several of the mental techniques he talks about so that you can apply them yourself. There is also information about where to get more help if you need it.

Expand Your Magnificent Mind José Silva,2023-09-12 These brief articles are easy to read whenever you have a few minutes for some inspiration and motivation. To help you take full advantage of José Silva's wisdom and advice, the book includes instructions on how to enter the alpha brainwave level, and also includes many of the Silva problem-solving techniques to help you change your life for the better. José Silva Jr. provides commentary throughout the book to help put the work into perspective. He made sure the course material is exactly the way his father wanted it. Not many people throughout history can claim to have started with so little, come so far, and achieved so much. José Silva had lost his parents by the time he was 6 and went to work instead of going to school. He began to study psychology - the study of human behavior - when he was 30 years old, and soon expanded his research to include the brain and mind. The mind did not reveal its secrets to him easily. He persisted, investing his own time and money, continuing even though critics scorned him. Today he is recognized as the leading researcher in the world in the field of the mind and human potential. And José Silva's UltraMind ESP System is leading humanity into the beginning of the second phase of human evolution on the planet. His ultimate achievement was developing a reliable technique to use your ESP to obtain guidance and support from higher intelligence to develop creative solutions for vexing problems.
