Norman Katkov

Fanny Erica Jong,2003 Jong . . . filled a gap in the great tradition of the picaresque novel. . . . Linguistically, Fanny is a tower of strength. . . . Jong has gone farther than Joyce.--Anthony Burgess, Saturday Review.

Fanny Holly Hobbie,2009-10-31 All Fanny wants in the world is a Connie doll, but Mom says NO! But no one ever said she couldn't make one instead! With some scissors, glue, and her craft box in hand, Fanny sets out to replicate Connie, but it's Annabelle who is the result of her efforts. A little lopsided and a little unkempt, Annabelle turns out to be the companion Fanny has always wanted. Though at first her friends turn up their noses, in the end everyone learns that using your imagination and working with your own two hands can result in the best toy of all!

Orange, Lavender & Figs Fanny Slater,2016-03-01 From the winner of The Rachael Ray Show's Great American Cookbook Competition, a compilation of sophisticated yet approachable recipes along with the heartwarming--and often humorous--tales that inspired them. Fanny Slater has been at home in the kitchen since before she could reach the stove. Standing on chairs to watch her parents form the perfect crab cake or whip up their famous brownie batter, Fanny developed a flair for cooking that has continued into adulthood. In a fun new cookbook packed with as much irresistible charm as the self-taught cook herself, Fanny--a homegrown food enthusiast and winner of The Rachael Ray Show's Great American Cookbook Competition--brings you on a journey through the mouth-watering foods of her childhood, updated with eclectic twists for the modern palate. From Fanny's sweet and savory Orange, Lavender and Fig Sandwich, to her tangy and crunchy Butternut Squash Tacos with Apple-Fennel Slaw, this unique book is filled with delicious, one-of-a-kind recipes. You'll love Fanny's quirky "Fanfare Tips," which range from wine pairings to presentation advice gleaned from years of catering, as well as "Flippidy Doos," which provide creative ways to pair leftovers. With her must-have recipes and whimsical anecdotes, Fanny's cookbook is a celebration of the stories, people, and ingredients that have guided her along the path to foodie stardom.

Fanny Stephen Cosgrove,2017-12-26 Fanny, the cat, has only three legs on which she manages just fine. She is normal as normal can be. Sadly, the other animals on the Serendipity Farm won't befriend her because they are afraid she will feel uncomfortable since after all she has but three legs. A little dog named Ruby learns that handicap is just a state of mind.

Fanny & Annabelle Holly Hobbie,2009-09-01 Holly Hobbie, the bestselling author of the Toot & Puddle series, brings us FANNY & ANNABELLE, a new story about creative Fanny with a do-it-yourself theme. In the second Fanny adventure, Fanny writes her first picture book. Since Annabelle, her doll, was Fanny's first creation, it's fitting she should star in the story. Annabelle's adventure ends up mirroring Fanny's own life as they both manage to give the perfect birthday gift to a loved one. With Hobbie's heartwarming art mixed with Fanny's own delightfully naïve drawings, this sweet tale will inspire fans and new readers alike to get creative.

Fanny Erica Jong,1980 Left as an infant on the doorstep of a grand English estate, Fanny is raised to young womanhood by Lord and Lady Bellars. A beautiful woman with a taste for literature, Fanny is ambitious to become the epic poet of her age -- but her plans are dashed after she is ravished by her libertine adoptive father. Fleeing to London, Fanny meets up with idealistic witches and a band of highwaymen who teach her of worlds she never knew existed. She embarks on a series of adventures that take her from a London brothel that caters to the literati, to a pirate ship on the high seas and beyond, teaching her what she must know to live and prosper as a woman. Erica Jong offers us entrance into an age long past, replete with the boisterousness and bawdiness that are often missed in its histories. The result is a highly entertaining, original work of fiction. Book jacket.
