Tell Me I'm Yours J S Scott,2021-06-14 Is there more to the spoiled, entitled, British billionaire man-whore than what I see on the surface? I really want to hate Dylan Lancaster. He hurt my best friend, and nearly destroyed her relationship with his identical twin brother. So, I decide that someone needs to rein him in so he doesn't try to demolish the couple completely before their wedding takes place. Unfortunately, the only woman who would try to take on that impossible task is...me. It's only six weeks, right? Surely I can tolerate the womanizing, obnoxious jerk and keep him out of trouble so that no more of

his scandals hit the media before his brother's wedding. I'm a public relations crisis manager. Squashing bad press is what I do, and I do it extremely well for my high profile clients. What I don't count on is actually starting to like the glimpses of the real Dylan I begin to see underneath all of his cynicism. Nor did I ever imagine that I'd become so attracted to him that I could barely breathe every time he gets close to me. Dylan is a man who has suffered profound emotional pain. I can sense it. I can feel it. The question is: Can I possibly reach the real Dylan Lancaster before it's too late?

She recognizes him as billionaire A.J. Trager. Why would he need to find a girlfriend on a blind date? Beautiful women throw themselves at him 24 hours a day. He can have anyone he wants. Is he really attracted to this plus-size plain Jane, or is he hiding a scandalous secret from his past that could rock her to the core? Buy Now!

The Billionaire's Salvation Jan S. Scott,2013-09 Billionaire Max Hamilton thought he was finally starting to find contentment, more than two years after losing his wife Mia in a tragic drowning accident. He'd been reunited with a sister he hadn't realized existed. Finally he had family again, a reprieve from the pain and loneliness that had haunted him since his devastating loss. Yeah...he was as happy as a man could

be, considering he had lost the other half of his soul and most of his heart when fate had torn his wife away from him. Or so he believed...until the day he rescued a mysterious woman in the park, a female who somehow had managed to reignite a part of him that he thought was long dead... Suddenly, Max's protective, dominant, possessive male instincts flare to life, leaving him at a loss as to how lightning could possibly strike twice in one lifetime. Is he truly being given another chance at real happiness, or would it be dangled in front of him, only to be taken away once again? Entangled J. S. Scott, 2019 A Wall Street Journal bestseller. There's nothing richer than a second chance in the steamy second book of New York Times bestselling author J.S. Scott's Accidental Billionaires series. Aiden Sinclair was a commercial fisherman before he suddenly came into his billionaire inheritance--not that he's complaining. Being a Sinclair does have its perks. But things were simpler before the money. He may have been dirt poor, but he loved his job and fully intended to always come back from the sea to his girlfriend, Skye Weston, so they could move toward something more permanent. Or at least that had been the plan...until he returned from a two-month fishing trip to discover she had moved away and was

marrying somebody else. It tore his world apart. Now Skye's back in town after nearly a decade. She's a single mother and just as beautiful as ever. However, for some odd reason, she appears to hate him, when it should be Aiden who wants nothing to do with the woman who dumped him. Unfortunately, more than nine years of separation have done nothing to put a damper on their white-hot chemistry. But even if those feelings are real, Skye has been keeping secrets. The truth of the past is about to come to light, and there is so much more at stake than just Aiden's heart.

Billionaire Undone J. S. Scott, 2014-05-11 After four years of working for the billionaire boss from hell Ally Caldwell thinks she finally has her life on the right track. Her fiance is out of dental school, ready to go to work at a thriving practice, and it would finally be her turn to go back and finish her college degree. Unfortunately, her carefully planned future crumbles when she finds out that her fiance, the man she'd nearly killed herself to help get through school, has been cheating on her. With her wedding looming in the near future, Ally's blindsided, realizing she'd never even knew the man she'd been planning to marry. Suddenly, her carefully organized life is turned upside down, and not one single thing is turning out the way it was supposed to happen. Even her boss, Travis the Tyrant, is beginning to act differently, throwing Ally into an even more confused and chaotic state of mind. Travis, the one man who she'd always counted on to be a jerk, was now the guy who actually steps up to try and help her straighten her life out again. Unfortunately, she doesn't much care for his highhanded arrogance or his methods of helping. Ally wants to hate Travis. It makes her life so much simpler to fight with him than to admit to the combustible chemistry growing between the two of them. But as she begins to see more and more of the real Travis

beneath his dark facade, she can't seem to resist the dangerous lure of their unlikely attraction. Billionaire Travis Harrison does everything he possibly can to repair the Harrison name after a scandal nearly destroyed his family years ago. He makes sure he keeps himself and his actions in check, his emotions buried under a thick layer of ice. Only his secretary and assistant, Alison Caldwell, makes him come close to losing his carefully constructed image. The obstinate female keeps shoving him closer and closer to the edge of sanity every single day. But when he finds out about her fiance's betrayal, his protective instincts roar to life inside him, making him want to ensure she's never hurt again. The only problem is...Ally doesn't want his help, and the infuriating woman does everything she can to push him away, even as the two of them are swept into an undeniable passion that neither of them can possibly ignore. Before long, Travis finds himself in ruthless pursuit of something much more important and elusive than just a business deal. Can these two very different, very stubborn people actually be meant to be together? Find out if Travis and Ally can let down their defenses and surrender to a love so powerful it will rock them to the depths of their souls in Billionaire Undone, Book Five of The Billionaire's Obsession series. 18+ only

Tell Me You're Mine J S Scott,2020-12 A chance encounter between a secretive billionaire and a plus-size PR expert could be the perfect solution to both their problems - or a delicious scandal in the making - in New York Times best-selling author J. S. Scott's new British Billionaires series....I am the type of woman who always plays it safe. In my professional life as a public relations fixer, and in my personal life, especially when it comes to the opposite sex. Really, who needs the wild highs and the I-want-to-die-because-he-left-me lows of a relationship? At least, that's what I thought...until I met him. Damian No-Last-

Name-Given is sexy as sin, and I'd developed some kind of weird, instant attraction to him the moment he settled his chiseled body next to mine on a flight from London to Los Angeles. His sexy British accent did crazy things to my previously dormant female hormones, which had eventually led me to do the most impulsive thing I'd ever done in my entire life. I kissed him while everyone else in business class was sleeping. Or had he kissed me? All I knew was that we were both very willing participants, and that panty-melting embrace had rocked my entire world while it was happening. Unfortunately, that moment of spontaneity would haunt me once I found out Mr. British Hottie's true identity. He'd held his last name back for a reason. Oh no, I couldn't make some once-in-a-lifetime misstep with an ordinary businessman. When I screwed up, it had to be one for the record books, and it had to happen with one of the most powerful men in the world. And, oh yeah, he also absolutely had to be the biggest man-whore on the planet. Once I knew the truth, I could have easily convinced myself that the kiss wasn't all that earthshattering - if Damian Lancaster hadn't boldly swaggered into my office the very next day to apologize, and to make me a business offer I couldn't possibly refuse.... Goodbye sanity; hello madness.

Billionaire Unexpected Jax J S Scott,2021-03 I never expected the man I saw as nothing but a billionaire player to be the only person who could rescue me from near insanity. One moment, everything was perfect. I was finally Dr. Harlow Lewis, research geoscientist, and I was actually employed at Montgomery Mining Laboratories, the crème de la crème of labs for my specialty. I also had good friends, a supportive parent, and a budding relationship with a great guy. Add all of those things together and it was impossible for my existence to be anything less than ideal. I had exactly the life I'd always wanted, until

it...wasn't. I guess I never realized that brief periods of perfection could instantly be followed by a nine day, horrific hostage situation that would forever change the woman I'd been before that incident. Oddly, after my release, the only person who knew that I was struggling to get my life back was Jaxton Montgomery, my billionaire boss, and the king of one-nighters . Not exactly the perfect confidante, right? The two of us barely spoke unless it was company business, especially after I'd turned down a date with him two years earlier. What rational female would want to have dinner with a man who was known for his one-and-done dating behavior? Maybe Jax wasn't the guy I would have chosen to be the person who would drag me out of the darkness and back into life again, but he was the only one stubborn enough to do it. He systematically broke down all of defenses until I reached out and clung to him like he was the only lifeline I had. It wasn't until I got to know him that I realized that Jax was so much more than the playboy he was portrayed to be in the gossip columns. He was patient, he didn't judge, and he had a wicked sense of humor. Even stranger, he understood what I was going through, even when I didn't understand it myself. Unfortunately, he was also the hottest guy I'd ever met, and as our bizarre friends-but-not-really-friends relationship continued, it was getting harder and harder to fight the intense chemistry between the two of us. What happens when a guy you thoroughly disliked just a few months ago suddenly becomes your everything? Jax had helped me claw my way back into my life, but was I brave enough to risk everything all over again to keep the one man I'd always wanted but could never have?

Billionaire Unloved J. S. Scott,2018-02-21 Ruby: my name is Ruby Kent, and I'm homeless, a virgin, and terrified when I'm kidnapped by human traffickers and put up for sale on the auction block. I'm for

sale to the highest bidder, and I have no idea what my future will be, but I know it's not going to be good. I'm waiting for a chance to escape, and that opportunity finally comes after I'm bought and paid for. Unfortunately, I have no idea that Jett Lawson has been sent to rescue me, not hurt me, and even after we're both injured during my desperate attempt to run away, he still wants to take care of me. Problem is, I have no idea how to trust anyone, or let anybody help me. I've always been alone. It's safer that way.

Mine For Christmas J. S. Scott, 2019-08-28 Simon and Kara are back! Kara Hudson has been married to her billionaire husband, Simon, for over two years, and she loves him even more desperately than she did when they first married. Unfortunately, there was a distance growing between the two of them, and the passion between them wasn't flaring as red-hot as it used to burn. Was it possible that Simon wasn't as crazy in love with her as he used to be, or did their problems go much deeper than that? Simon Hudson loves his wife and his infant daughter so much it hurts. And he was getting tired of holding back his emotions from his worn-out, exhausted wife who had seen their baby girl through her first year and a half of life without complaint. Will their differences and emotional distance tear the two of them apart? Or will a precious gift from Santa help them heal their misunderstandings and have the merriest Christmas they've ever had?

The Cult of Smart Fredrik deBoer, 2020-08-04 Named one of Vulture's Top 10 Best Books of 2020!

Leftist firebrand Fredrik deBoer exposes the lie at the heart of our educational system and demands top-to-bottom reform. Everyone agrees that education is the key to creating a more just and equal world, and that

our schools are broken and failing. Proposed reforms variously target incompetent teachers, corrupt union practices, or outdated curricula, but no one acknowledges a scientifically-proven fact that we all understand intuitively: Academic potential varies between individuals, and cannot be dramatically improved. In *The Cult of Smart*, educator and outspoken leftist Fredrik deBoer exposes this omission as the central flaw of our entire society, which has created and perpetuated an unjust class structure based on intellectual ability. Since cognitive talent varies from person to person, our education system can never create equal opportunity for all. Instead, it teaches our children that hierarchy and competition are natural, and that human value should be based on intelligence. These ideas are counter to everything that the left believes, but until they acknowledge the existence of individual cognitive differences, progressives remain complicit in keeping the status quo in place. This passionate, voice-driven manifesto demands that we embrace a new goal for education: equality of outcomes. We must create a world that has a place for everyone, not just the academically talented. But we'll never achieve this dream until the Cult of Smart is destroyed.

Your Death Would Be Mine Martha Hanna,2009-07-01 Paul and Marie Pireaud, a young peasant couple

from southwest France, were newlyweds when World War I erupted. With Paul in the army from 1914 through 1919, they were forced to conduct their marriage mostly by correspondence. Drawing upon the hundreds of letters they wrote, Martha Hanna tells their moving story and reveals a powerful and personal perspective on war. Civilians and combatants alike maintained bonds of emotional commitment and suffered the inevitable miseries of extended absence. While under direct fire at Verdun, Paul wrote with equal intensity and poetic clarity of the brutality of battle and the dietary needs (as he understood them) of his pregnant wife. Marie, in turn, described the difficulties of working the family farm and caring for a sick infant, lamented the deaths of local men, and longed for the safe return of her husband. Through intimate avowals and careful observations, their letters reveal how war transformed their lives, reinforced their love, and permanently altered the character of rural France. Overwhelmed by one of the most tumultuous upheavals of the modern age, Paul and Marie found solace in family and strength in passion. Theirs is a human story of loneliness and longing, fear in the face of death, and the consolations of love. *Your Death Would Be Mine* is a poignant tale of ordinary people coping with the trauma of war.
