Frank Wedekind

Spring's Awakening Frank Wedekind,1995 (Applause Books). *Spring's Awakening* is a tragi-comedy of teenage sex. Its fourteen-year-old heroine, Wendla, is killed by abortion pills. The young Moritz, terrorized by the world around him, and especially by his teachers, shoots himself. The ending seems likely to be the suicide of Moritz's friend, Melchior, but in a confrontation with a mysterious stranger (the famous Masked Man) he finally manages to shed his illusions and face the consequences.

Spring Awakening Frank Wedekind,2013-10-03 Wedekind's play about adolescent sexuality is as disturbing today as when it was first produced. Wedekind's notorious play *Spring Awakening* was written in 1891 but had to wait the greater part of a century before it received its first complete performance in Britain, at the National Theatre in 1974. The production was highly praised, much of its strength deriving from this translation by Edward Bond and Elisabeth Bond Pablé, 'scrupulously faithful both to Wedekind's irony and his poetry.' The Times This translation of *Spring Awakening* was first performed at the National Theatre, London on 24 May 1974. For this edition the translator, Edward Bond, has written a note on the play and a factual introduction to Wedekind's life and work.

Spring Awakening Frank Wedekind,2008 THE STORY: First performed under heavy censorship in Germany in 1906, Frank Wedekind's play closed after one night in New York in 1917 amid public outrage and charges of obscenity. The play's content was radical indeed: teenage sex, suicide, aborti

Spring's Awakening Frank Wedekind,2016-01-08 Possibly the ultimate coming-of-age drama. The play follows a group of high-school friends in Victorian-age Germany who begin to experience their first sexual desires in a world where even talking about sex is taboo. Each struggles to travel the route from childhood to adulthood without a roadmap. Along the way they touch the heights of elation and the depths of despair while being forced to confront the problems of lust, sadism, masochism, rape, abortion, and homosexuality. Some survive the journey, others do not. Funny and horrifying by turns, the play explores the budding of those basic drives that make us who we are.

The Awakening of Spring Frank Frank Wedekind,2018-10 During an argument over the length of her skirt, Wendla Bergmann confides to her mother that she sometimes thinks about death. When she asks her mother if that is sinful, her mother avoids the question. Wendla jokes that she may one day wear nothing underneath the long dress. After school, Melchior Gabor and Moritz Stiefel talk about items of little consequence before confiding in each other that recently they have both become tormented by sexual dreams and thoughts. Melchior is knowledgeable about the mechanics of sexual reproduction, but Moritz is woefully ignorant and proposes several hypothetical techniques (such as having brothers and sisters share beds, or sleeping on a firm bed) that might prevent his future children from being as tense and frightened as he is. Melchior, an atheist, blames religion for Moritz's fears. Before departing, Melchior insists that Moritz come over to his house for tea, where Melchior will show him diagrams and journals with which he will teach Moritz about life. Moritz leaves hastily, embarrassed.
