**New Perspectives on Arabian Nights** Wen-chin Ouyang,Geert Jan van Gelder,2014-02-04 Adopting a multi-disciplinary approach, this comparative study of a selection of The Arabian Nights stories in a cross-cultural context, brings together a number of disciplines and subject areas to examine the workings of narrative. It predominantly focuses on the ways in which the Arabian Nights have transformed as its stories have travelled across historical eras, cultures, genres and media. Departing from the familiar approaches of influence and textual studies, this book locates its central inquiry in the theoretical questions surrounding the workings of ideology, genre and genre ideology in shaping and transforming stories. The ten essays included in this volume respond to a general question, 'what can the transformation of Nights stories in their travels tell us about narrative and storytelling, and their function in a particular culture?' Following a Nights story in its travels from past to present, from Middle East to Europe and from literature to film, the book engages in close comparative analyses of ideological variations found in a variety of texts. These analyses allow new modes of reading texts and make it possible to breach new horizons for thinking about narrative. This Book was previously published as a special issue of Middle Eastern Literatures entitled Ideological Variations and Narrative Horizons: New Perspectives on Arabian Nights.

**Les nouvelles mille et une nuits** Robert Louis Stevenson,1994 Comme leur titre l'indique, Les Nouvelles Mille et Une Nuits nous offrent le merveilleux sous la forme la plus franche et la plus délectable. En partie extravagantes, en partie très précieuses, elles sont le fruit d'une idée fort heureuse : situer une série d'aventures, de pures aventures, dans le cadre de la vie anglaise contemporaine et les raconter sur le ton calme et ingénu de Schéhérazade. Dans cette veine, Le club du suicide est la plus grande réussite de R. L. Stevenson. Ses deux premières pages, sans parler des autres, demeurent gravées dans la mémoire. Pour des raisons que, j'en ai bien conscience, je suis incapable de présenter comme suffisantes.
