Africa, Amazing Africa: Country by Country

Atinuke, 2021-11-16 Discover the exhilarating diversity of the African continent in storyteller Atinuke's kaleidoscopic nonfiction guide to the people, flora, and fauna of all fifty-five countries. A Nigerian storyteller explores the continent of Africa country by country: its geography, peoples, animals, history, resources, and cultural diversity. The book is divided into five distinct sections—South, East, West, Central, and North—and each country is showcased on its own bright, energetic page brimming with friendly facts on science, industry, food, sports, music, wildlife, landscape features, even snippets of local languages. The richest king, the tallest sand dunes, and the planet's largest waterfall all make appearances along with drummers, cocoa growers, inventors, balancing stones, salt lakes, high-tech cities, and nomads who use GPS! Atinuke's lively and comprehensive introduction to all fifty-five African countries—a celebration scaled to dazzle and delight even very young readers—evokes the continent's unique blend of modern and traditional. Complete with colorful maps, an index, and richly patterned and textured illustrations by debut children's book artist Mouni Feddag, *Africa, Amazing Africa* is both a beautiful gift book and an essential classroom and social studies resource.

Africa Is Not a Country Margy Burns Knight, Mark Melnicove, 2002-01-01 Demonstrates the diversity of the African continent by describing daily life in some of its fifty-three nations.

Too Small Tola Atinuke, 2021-03-09 Three delightful tales from a renowned Nigerian storyteller introduce a chapter-book heroine who is every bit as mighty as she is small. In a trio of droll stories, award-winning author and

storyteller Atinuke debuts an endearing and enduring character with plenty to prove. Tola lives in an apartment in the busy city of Lagos, Nigeria, with her sister, Moji, who is very clever; her brother, Dapo, who is very fast; and Grandmommy, who is very bossy. Tola may be small, but she's strong enough to carry a basket brimming with groceries home from the market, and she's clever enough to count out Grandmommy's change. When the faucets in the apartment break, it's Tola who brings water from the well. And when Mr. Abdul, the tailor, has an accident and needs help taking his customers' measurements, only Tola can save the day. Atinuke's trademark wit and charm are on full display, accompanied by delightful illustrations by Onyinye Iwu. *Too Small Tola* evokes the urban bustle and rich blending of cultures in Lagos through the eyes of a little girl with an outsize will—and an even bigger heart.

Amazing Africa Monica Habia, Dr. Artika R. Tyner, 2023-01-01 A fun and resourceful book that takes children and even adults on a visual journey throughout the continent of Africa. With the turn of each page, the authors help to bridge the knowledge gap that exists about the continent. Each page is filled with key facts about the fastest growing population in the world. The book will inspire the next generation to learn more

about Amazing Africa and become global citizens.

You're Not a Country, Africa Pius

Adesanmi,2012-09-28 In this wide-ranging collection of essays, Pius Adesanmi explores what Africa means to him as an African and as a citizen of the world. Examining the personal and the political, tradition and modernity, custom and culture, Adesanmi grapples with the complexity and contradictions of this vast continent, zooming in most closely on Nigeria, the country of his birth. The inspiration for the title of the collection, *You're Not a Country, Africa*, comes from a line of poetry: 'You are not a country Africa, you are a concept, fashioned in our minds, each to each'. The Africa fashioned in our minds - with our fears and our dreams - is the Africa that the reader will encounter in these essays. Through narratives and political and cultural reflections, Pius Adesanmi approaches the meaning of Africa from the perspective that you never actually define Africa: rather, it defines you in various contexts and for various people.

Atlas of Africa Karen Foster,2008 Features maps and information about the countries, geography, ecology, population, customs, transportation, and economy of Africa.

Africa Memoir Mark G. Wentling,2020-12 Visit all 54 African countries with an adventurous American guide who has spent over half a century on the continent. Volume III. covers Seychelles - Zimbabwe. *Africa Memoir* tells the incredible lifetime story of Mark G. Wentling, a boy from Kansas who grew up to travel, work, and visit all 54 African countries. Derived from over a half

century spent working and living on the African continent, Wentling devotes a chapter to each country describing his firsthand experiences, eye-opening impressions, and views on future prospects. Original and authoritative, this one-of-a-kind, three-volume work deserves a special place on the bookshelves of anyone interested in Africa.

Tales of East Africa Jamilla Okubo, 2020-03-10
Tales of East Africa is a collection of 22 traditional tales from Kenya, Uganda, and Tanzania. Welcome to a world of magical adventure—a place where a boy spares the life of a fearsome monster, a flock of doves brings a girl back from the dead, and a hare wreaks havoc among all the other animals. Translated and transcribed by folklorists and anthropologists in the early 20th century, these stories evoke the distinctive beauty and irresistible humor of East African folklore. • The tales come alive alongside bold, contemporary art in this special illustrated edition. • Each story transports readers to an enthralling world. • Part of the popular Tales series, featuring Tales of Japan, Celtic Tales, and Tales of India Tales of East Africa will enthrall fans of fairytales and captivate those interested in East Africa's rich history and culture. Readers will encounter mischievous animals, plucky heroes and heroines, and monsters, and artist Jamilla Okubo pairs each tale with a bold and vibrant illustration. • A visually gorgeous book that will be at home on the shelf or on the coffee table. • A perfect gift for fairy

tale and folklore lovers, fans of East African culture, people of East African ancestry, collectors of illustrated classics, adults and teens alike, and bibliophiles • Add it to the collection of books like *The Girl Who Married a Lion: and Other Tales from Africa* by Alexander McCall Smith, *Favorite African Folktales* by Nelson Mandela, and *Indaba My Children: African Folktales* by Vusamazulu Credo Mutwa

How to Write About Africa Binyavanga

Wainaina, 2024-06-04 From one of Africa's most influential and eloquent essayists, a posthumous collection that highlights his biting satire and subversive wisdom on topics from travel to cultural identity to sexuality "A fierce literary talent . . . [Wainaina] shines a light on his continent without cliché."—The Guardian "Africa is the only continent you can love—take advantage of this. . . . Africa is to be pitied, worshipped, or dominated. Whichever angle you take, be sure to leave the strong impression that without your intervention and your important book, Africa is doomed." Binyavanga Wainaina was a pioneering voice in African literature, an award-winning memoirist and essayist remembered as one of the greatest chroniclers of contemporary African life. This groundbreaking collection brings together, for the first time, Wainaina's pioneering writing on the African continent, including many of his most critically acclaimed pieces, such as the viral satirical sensation "How to Write About Africa." Working fearlessly across a range of topics—from politics to international aid, cultural heritage, and redefined sexuality—he

describes the modern world with sensual, emotional, and psychological detail, giving us a full-color view of his home country and continent. These works present the portrait of a giant in African literature who left a tremendous legacy.

Africa Is Not a Country Dipo Faloyin, 2022-04-07
Definitive proof that Africa is *not* a country. A lively, entertaining and informative portrait of modern Africa that pushes back against harmful stereotypes. Over a billion people have been reduced to one simple story. Africa Is Not a Country fills in the gaps. So often Africa is depicted simplistically as a red landscape of safaris and famines. In this funny, insightful book Dipo Faloyin corrects this view to create a fresh and positive view of the continent. By turns intimate and political, he looks at buzzy urban life in Lagos and the lively West African rivalry over who makes the best jollof rice, before giving us the story of democracy in seven dictatorships, an insight into different regional accents and the colonial foundation of many countries which are still younger than your grandparents. We learn about the dangers of white saviours and the cultural significance of Aunties, and he provides us with a tour guide of where citizens of several African countries need to travel to visit their own cultural artefacts - 90% of which are in museums outside the continent. We immerse ourselves in the energy and fabric of many different cultures and communities as Dipo shows his deep love of the region - as a concept, as a promise and as a reality.

African Icons Tracey Baptiste, 2021-10-19 Every year, American schoolchildren celebrate Black History Month. They study almost exclusively American stories, which are not only rooted in struggle over enslavement or oppression, but also take in only four hundred years of a rich and thrilling history that goes back many millennia across the African continent. Through portraits of ten historical figures - from Menes, the first ruler to be called Pharaoh, to Queen Idia, a sixteenth-century power broker, visionary, and diplomat - African Icons takes readers on a journey across Africa to meet some of the great leaders and thinkers whose ideas built a continent and shaped our world.

All About Africa! About All African States and Peoples Baby Professor, 2017-02-15 Kids, welcome to Africa! This is a great picture book that will take you to the beautiful African states and meet the people who call it home. Learn about the sights and sounds of the place. See the animals roaming in the safaris. Learn about the place's traditions and cultures too. Go ahead and grab a copy today.

Africa John Reader, 1998-11-05 Drawing on many years of African experience, John Reader has written a book of startling grandeur and scope that recreates the great panorama of African history, from the primeval cataclysms that formed the continent to the political upheavals facing much of the continent today. Reader tells the extraordinary story of humankind's adaptation to the ferocious obstacles of forest, river and desert, and to the threat of debilitating

parasites, bacteria and viruses unmatched elsewhere in the world. He also shows how the world's richest assortment of animals and plants has helped - or hindered - human progress in Africa.

African Peter Tosh, 2020-06-02 A beautiful children's picture book featuring the lyrics of Peter Tosh's global classic celebrating children of African descent. So don't care where you come from As long as you're a black man, you're an African No mind your nationality You have got the identity of an African African is a children's book featuring lyrics by Peter Tosh and illustrations by Jamaican artist Rachel Moss. The song African by Peter Tosh was originally released in 1977 on his second solo record, Equal Rights. He wrote the song during a time of civil unrest in Jamaica as a reminder to all black people that they were part of the same community. The album is considered one of the most influential reggae works of all time. A key song from the classic 1970s era of reggae Peter Tosh was one of the founding members of the iconic reggae group the Wailers The joyful illustrations depict young and older black people of various colors, with many different hairstyles and wearing an array of clothing styles, playing, riding, dancing, and walking...The dynamic art and text work together to form a loving ode to belonging for black people of the diaspora. --Kirkus Reviews [A] survey of Tosh's repertoire reminds us that his best works were distinctive and impactful. When the Wailers were first starting their careers at Studio One, Tosh voiced boastful classics...When the Wailers

launched their own label in 1968, Tosh became the Stepping Razor, adapting a song written by the Wailers' harmony coach, Joe Higgs, and when the trio began working with visionary producer Lee 'Scratch' Perry, he recorded '400 Years,' one of the most moving explorations of the historical injustices of slavery and its lingering aftermath...His Legalize It album was far ahead of its time in demanding the decriminalization of marijuana in 1975, while Equal Rights reminded that peace will never come without justice...[He was] one of reggae's most fiery and controversial performers, whose work remains relevant. -- Guardian Tosh's first two solo records, Legalize It and Equal Rights, are not just two of the best reggae records ever, but also two of the finest records of the '70s, period. They were inventive and deeply catchy records full of songs that could be as playful as they were defiant. Peter Tosh was always outspoken, always the rebel, but it was the way he said things--that honeyed voice, those brilliant and subtly intricate compositions--that set him apart. --PopMatters

It's a Continent Chiny Ukata, Astrid Madimba, 2023-07-06 '. . . we need this book. Of course Africa needs it as well, because no other huge area of the planet is treated as such a singular region, and that has to change. But the rest of the planet needs It's a Continent because we miss out by not recognising the individual majesty, the complexity, the beauty, the culture and the stories of the dozens of African countries. We owe it to ourselves and our history to put that right.' - Simon Reeve Why is Africa

still perceived as a single country? How did African soldiers contribute to World War II? Who else led the charge against Apartheid in South Africa? How did an African man become one of the wealthiest people in history? There are (hi)stories you were never taught in school. IT'S A CONTINENT delves into these stories and reveals an Africa as you've never read it before. Breaking down this vast, beautiful, and complex continent and exploring each nation's unique history and culture, IT'S A CONTINENT highlights the key historical moments that have shaped each nation and contributed to its modern global position. Each chapter focuses on a different country and uncovers stories that mainstream education doesn't address at its peril. This book aims to highlight the consequences of colonialism and how this legacy reverberates today, as well as how many African countries continue to re-build in its wake. IT'S A CONTINENT is a bold and colourful corrective to the perception of Africa as a monolith. It reveals the fascinating, often overlooked, histories of its 54 nation states too often misrepresented, its inhabitants and its place in the world too often neglected.
