Instead, we focus on the more difficult topics that are commonly tested (like California's Basic Speed Limit law and point system.) These are the topics that most people get wrong because they are buried in the handbook. We made it a point to highlight them and make them easy to understand so that you are PREPARED on test day. Stop using outdated, generic study materials and get our California-specific cheat sheet instead. Most people can get through our DMV study guide in about an hour or two.
