Wing,2008-05-07 Pregnancy is such a special time that moms-to-be want to remember every moment, from the second they receive the big news to the instant the baby enters the world. With this beautiful keepsake journal, they can. Every page prompts expectant mothers to document all the details, month by month. Who was the first person you told that you were pregnant? Do you have morning sickness?" Have you started to show" yet? Jot down notes on your doctor visits, how you're feeling, and what foods you crave at each stage. Follow your bundle of joy as it develops inside you, and record your reactions the first time you heard the heartbeat and felt baby kick. There's space for photos, blank pages for customizing the book, ideas for pampering yourself, and more.
