Wild at Heart Field Guide, Revised Edition John Eldredge,2021-03-02 In *Wild at Heart*, bestselling author John Eldredge thrust a generation of men, young and old, toward a journey to recover true masculinity?the soul of a man as God designed him. He reminded men they needed adventure in their lives—in their work, in their love, and their spiritual lives—and showed how God designed them to be dangerous. Sadly, most men today have abandoned these dreams and desires—aided by a Christianity that feels like nothing more than pressure to be a nice guy. It is no wonder that many men avoid church, and those who go are often passive and bored to death. The *Wild at Heart Field Manual*, which corresponds chapter-by-chapter with the book, helps men understand how God wants to heal these deep wounds from earlier years that take away their confidence and, in some case, their masculinity. Men will discover that deep within their heart is a longing for a battle to fight, an adventure to live, and a beauty to rescue—because that is how God created them. It is time for the

church to reclaim these wounded warriors. It is time to give men permission to be what God designed them to be—dangerous, passionate, alive, and free! Packed with new information and insights, the Wild at Heart Field Manual guides men along the road less traveled. Filled with probing questions, creative exercises, and space to record personal field notes, this companion volume is designed to transition men from reading about the wild heart to living from it.
