**How to Hear God** Pete Greig,2022-03-03 Nothing could possibly matter more than learning to discern the authentic voice of God, but few things in life are more susceptible to delusion and deception. When life falls apart and we need God's comfort; in moments of cultural turmoil when we need God's clarity; facing formidable decisions when we need God's guidance; desiring a deeper faith when we need God to say something, anything, to turn the monologue we call prayer into a genuine conversation. Having addressed God's silence in *God on Mute*, and then *How to Pray* in his previous bestseller, Pete Greig is back to bring wisdom and guidance to one of the most pressing and perplexing aspects of universal Christian experience - *How to Hear God*. Exploring the story of Christ's playful, poignant conversation on the road to Emmaus, Pete draws deeply from the insights of a wide range of Christian traditions. He weaves together the evangelical emphasis upon hearing God in the Bible, and the charismatic commitment to hearing God in the prophetic, with the contemplative understanding of God's 'still, small voice' within.

**How to Hear from God** Joyce Meyer,2004-03-15 In the hustle and bustle of today's busy world, sometimes it's hard enough to hear yourself think, much less take a minute to stop and listen for the voice of God. But learning to recognize God's voice and the many ways in which He speaks is vital for following His plan. In *How to Hear from God*, Joyce Meyer shows readers that God reaches out to people every day, seeking a partnership with them to offer guidance and love. She reveals the ways in which God delivers His word and the benefits of asking God for the sensitivity to hear His voice. Joyce asks the question, *Are you listening?* and shares how to do just that.

Whisper Mark Batterson,2017-10-24 PUBLISHERS WEEKLY BESTSELLER • The question isn't whether God speaks. The question is what does He have to say to you? The New York Times bestselling author of *The Circle Maker* teaches readers how to

listen to God. One day, this voice will make all things new, but it's also speaking to you now! That voice is God's voice, and what we've learned from Scripture is that He often speaks in a whisper. Not to make it difficult to hear Him, but to draw us close. Many people have a tough time believing God still speaks. Sure, in ancient times and in mysterious ways, God spoke to His people, but is He still speaking now? Mark Batterson certainly believes so. And he wants to introduce you to the seven love languages of God; each of them unique and entirely divine. Some of them you might suspect but others will surprise you. By learning to tune in to and decipher each language, you'll be able to hear His guidance in simple as well as life-altering choices. God is actively speaking through: Scripture, Desires, Doors, Dreams, People, Promptings, and Pain. Batterson gives you the tools you need to unlock each of these languages. God's whisper can answer your most burning questions, calm your deepest fears, and fulfill your loftiest dreams. Discover how simple it is to hear God's voice in every aspect of your life! *Discerning the Voice of God* Priscilla C. Shirer, 2012-01-01 Do you feel that the ability to hear God's voice is for other people and not for you? Is it only for people who lived in Biblical times? Not at all! The God who loved you enough to die for you loves you enough to talk to you. And wherever you are in your spiritual walk, God will find a way to speak to you in a way you will understand. Become acquainted with the Voice that has spoken from a fire and a cloud; with visible signs and an invisible Spirit; through a burning bush and burning hearts. Hear from some of the most well-known Christians in history about how God speaks to them—and discover for yourself how you can discern the voice of God.

**How to Hear God** Pete Greig, 2022-03-01 You were created to

enjoy a real, conversational relationship with God. The Bible says that hearing the voice of our Creator is both central and natural to our existence as humans. When life falls apart, we need God's comfort. In moments of cultural turmoil, we need his clarity. Facing difficult decisions, we need his guidance. Desiring a deeper faith, we need God to say something, anything, to turn the monologue we call prayer into a genuine conversation. But how do we really hear God? Nothing could possibly matter more than learning to discern his authentic voice, and yet few things in life are more susceptible to delusion, deception, and downright abuse. Having addressed God's silence in *God on Mute*, and then *How to Pray* in his previous bestseller, Pete Greig is back to bring wisdom and guidance to one of the most pressing and perplexing aspects of universal Christian experience—*How to Hear God*. Exploring the story of Christ's playful, poignant conversation on the road to Emmaus after his resurrection, Pete draws deeply from the insights of a wide range of Christian traditions; weaving together the evangelical emphasis on hearing God in the Bible, and the charismatic commitment to hearing God in the prophetic, with the contemplative understanding of God's still, small voice within. Pete transcends the Christian tribalism of our day... rooting us in something far more ancient, unchanging, timeless. What the early Christians called the Way. This ancient form of Christianity is the antidote to much of the modern church's pain. The cure for our ills.

**Is that Really You, God?** Loren Cunningham, 2001-08 In a time before youth were welcomed in short-term missions, Loren Cunningham founded Youth With A Mission to unlock the world for millions. He called young and old, women and men, and every ethnicity to go. Loren Cunningham's dream began with a vision - waves of young people from every nation going to every nation, telling everyone, everywhere about Jesus. How did God move Loren's dream from vision to reality and take him to every country on earth? Loren and his wife, Darlene, grew through tough lessons

on hearing and obeying the Lord. This exciting story of Youth With A Mission shows how hearing God's voice is for every believer. Translated into 150+ languages, *Is That Really You, God?* is a practical guide to hearing God's voice and following His direction to change our hearts and our world. In this legacy edition, read a special new chapter *On to Eternity*, on the biggest vision I can imagine where Loren unveils his final call, to rally this generation to translate the Bible orally into every mother tongue on earth. In addition, see a special tribute called 'Grateful Reflections on Loren's life from dear friend and senior YWAM leader David Joel Hamilton from his up close and personal experience serving Loren over the decades.

**God of All Things** Andrew Wilson, 2021-03-02 Abstract theology is overrated, for God can be found in even the most ordinary of things. Jesus used things like a lily, sparrow, and sheep to teach about the kingdom of God. And in the Old Testament, God repeatedly describes himself and his saving work in relation to physical things such as a rock, horn, or eagle. In *God of All Things*, pastor and author Andrew Wilson invites you to rediscover God in this way, too--through ordinary, everyday things. He explores the idea of a material world and presents a variety of created marvels that reveal the gospel in everyday life and fuel worship and joy in God--marvels like: Dust: the image of God Horns: the salvation of God Donkeys: the peace of God Water: the life of God Viruses: the problem of God Cities: the kingdom of God *God of All Things* will leave you with a deeper understanding of Scripture, the world you live in, and the God who made it all.

*God Hears Her*, 2017-08-30 Take comfort in knowing that God hears you. The story of Hannah in 1 Samuel tells of one woman's personal heartache and trust in the One who could fulfill her desires. She poured her heart out to God, and He heard her. The Our Daily Bread devotions selected for this collection reassure you that God is with you, God is for you, and God hears you. The personal stories and Scripture passages lift you up and remind you

that God is bigger than the trials you face.

**Hearing God in Conversation** Sam Williamson, 2016-06-27 I picked it up out of curiosity and I couldn't put it down.--Eugene Peterson Christians are comfortable saying that Christianity is about a relationship with God. Yet many might also say that they sense little meaningful relationship with God in their own lives. After all, the foundation of good relationship is communication—but conversation with God often seems to go only one way. We may sing of walking and talking with God in the garden, His voice falling on our ears, but few have heard that beloved voice themselves. Sam Williamson acknowledges the fundamental human longing to hear God's voice and offers a hopeful supposition: God is always speaking—we've just never been taught how to recognize His voice. Williamson handles this potentially heady topic with his characteristic straightforwardness and leavening humor. This book deftly bridges the gap between solid biblical theology and practical application, addressing topics such as how to truly pray without ceasing, how to brainstorm with God, how to navigate our emotions, how to answer God's questions, and how to hear God's voice for others. *Hearing God in Conversation* offers simple, step-by-step lessons on how to hear God. Williamson begins with Scripture meditation. He then expands the practice of listening for that voice everywhere—in the checkout line, on the job, in a movie theater, and even in silence. From there, he demonstrates how to hear God's guidance when making any decision. By the end, readers' eyes and ears will be opened to the limitless methods through which God speaks.
