

Le Tragique Destin D Un Train De Permissionnaires

Jean-François Jagielski

Le tragique destin d'un train de permissionnaires Andre Pallatier,2013-05-01 1917, un train transportant des permissionnaires de l'Armée française en Italie déraile en Savoie. Le désastre qui en est résulté reste aujourd'hui encore méconnu. Le secret militaire qui a entouré la catastrophe explique que la plupart des questions que se sont posées les Mauriennais de l'époque soient toujours d'actualité cent ans après. Il aura fallu plus de quatre années d'enquêtes et d'investigations à l'auteur pour lever le voile sur l'un des drames les plus effroyables de la guerre et qui reste de loin l'accident le plus meurtrier des chemins de fer français.

Le nouveau lien ferroviaire mixte transalpin Lyon-Turin Louis Besson,2016-06-01 Lyon et Turin... Deux eurocités séparées par l'imposant Massif alpin exposé à la pollution des trafics routiers. Par la volonté de l'Europe, de l'Italie et de la France, le « Lyon-Turin » est un chantier mobilisant entre 500 et 600 emplois pour la construction d'une ligne ferroviaire mixte, marchandises et voyageurs, remplissant des conditions inégalées de performance et de sécurité. Maillon-clé d'un des 9 grands corridors projetés pour structurer l'espace européen, ce chantier suscite des interrogations : selon quelles modalités ce grand projet a-t-il été défini ? Quelle est la réalité de son coût ?...

Promise at Dawn Romain Gary,2017-10-31 A classic of modern French literature, the thrilling real-life story of the military hero, ambassador, ladies man, writer, and loving son I grew up longing for the day when I could tear down the veil of darkness and absurdity concealing the true face of the universe and discover at last a smile of kindness and wisdom; I grew up in the certitude that one day I should help my fellow men to wrest the world from our enemies and give back the earth to those who ennoble it with their courage and warm it with their love. *Promise at Dawn* begins as the story of a mother's sacrifice: alone and poor, she fights fiercely to give her son the very best. Romain Gary chronicles his childhood in Russia, Poland, and on the French Riviera; he recounts his adventurous life as a young man fighting for France in World War II. But above all he tells the story of the love for his mother that was his very life—their secret and private planet, their wonderland “born out of a mother's murmur into a child's ear, a promise whispered at dawn of future triumphs and greatness, of justice and love.”

Pour l'ensemble, sept volumes sont prévus. Les trois premiers volumes concernent le cinéma muet: v. 1: 1968, 470 p.; v. 2: 1969, 520 p.; v. 3: 1973, 630 p. Les index à la fin du volume 3 couvrent les trois premiers volumes. Le reste traite du cinéma parlant: v. 4: 1980, 735 p.; v. 5: 1980, 652 p. L'ensemble convient plutôt à des études avancées en cinéma, mais une catégorie plus large de lecteurs peut y trouver des réponses à des questions sur des aspects particuliers. [SDM].

Literary Translation, Reception, and Transfer Norbert Bachleitner,2020-09-21 The three concepts mentioned in the title of this volume imply the contact between two or more literary phenomena; they are based on similarities that are related to a form of 'travelling' and imitation or adaptation of entire texts, genres, forms or contents. Transfer comprises all sorts of 'travelling', with translation as a major instrument of transferring literature across linguistic and cultural barriers. Transfer aims at the process of communication, starting with the source product and its cultural context and then highlighting the mediation by certain agents and institutions to end up with inclusion in the target culture. Reception lays its focus on the receiving culture, especially on criticism, reading, and interpretation. Translation, therefore, forms a major factor in reception with the general aim of reception studies being to reveal the wide spectrum of interpretations each text offers. Moreover, translations are the prime instrument in the distribution of literature across linguistic and cultural borders; thus, they pave the way for gaining prestige in the world of literature. The thirty-eight papers included in this volume and dedicated to research in this area were previously read at the ICLA conference 2016 in Vienna. They are ample proof that the field remains at the center of interest in Comparative Literature.

Challenges of Security Sector Governance in West Africa Alan Bryden,Boubacar N'Diaye,'Funmi Olonisakin,2008 There is currently no comprehensive study of the status of security sector governance in West Africa. Many efforts to understand governance of the security sector in Africa have been directed either at individual countries or at providing a general analysis of the state and security in Africa. This book is intended to contribute to confidence and peace-building through developing a better understanding of the challenges of security sector governance and generating practical policy recommendations based on work conducted by West African experts. It analyses the nature of security sector governance in each of the 16 West African states, provides an assessment of the effectiveness of governance mechanisms, in particular relating to democratic oversight of the security sector, and takes into account the regional and international dimensions to the issue.

My Friends Emmanuel Bove,2019-05-07 Bove's tale of a World War I veteran living in postwar Paris, searching for friendship and warmth, is an ironic, entertaining masterpiece by one of France's favorite authors. *My Friends* is Emmanuel Bove's first and most famous book, and it begins simply, though unusually, enough: “When I wake up, my mouth is open. My teeth are furry: it would be better to brush them in the evening, but I am never brave enough.” Victor Baton is speaking, and he is a classic little man, of no talent or distinction or importance and with no illusions that he has any of those things, either; in fact, if he is exceptional, it is that life's most basic transactions seem to confound him more than they do the rest of us. All Victor wants is to be loved, all he wants is a friend, and as he strays through the streets of Paris in search of love or friendship or some fleeting connection, we laugh both at Victor's meekness and at his odd pride, but we feel with him, too. Victor is after all a kind of everyman, the indomitable knight of human fragility. And, in spite of everything, he, or at least his creator, is some kind of genius, investing the back streets and rented rooms of the city and the unsorted moments of daily life with a weird and unforgettable clarity.
