

Long Day S Journey Into Night Critical Edition

Gale, Cengage Learning

Long Day's Journey Into Night O'Neill, Eugene, 2016-03-31 The American classic—as you've never experienced it before. This multimedia edition, edited by William Davies King, offers an interactive guide to O'Neill's masterpiece. -- Hear rare archival recordings of Eugene O'Neill reading key scenes. -- Discover O'Neill's creative process through the tiny pencil notes in his original manuscripts and outlines. -- Watch actors wrestle with the play in exclusive rehearsal footage. -- Experience clips from a full production of the play. -- Tour Monte Cristo Cottage, the site of the events in Long Day's Journey Into Night, and Tao House, where the play was written. -- Delve into O'Neill's world through photographs, letters, and diary entries. And much, much more in this multimedia eBook.

Eugene O'Neill's Long Day's Journey Into Night Eugene O'Neill, 2014-05-14 Presents a collection of critical essays on O'Neill's play, arranged in chronological order of their original publication.

Long Day's Journey Into Night Eugene O'Neill, 2014-05-06 div Eugene O'Neill's autobiographical play Long Day's Journey into Night is regarded as his masterpiece and a classic of American drama. With this new edition, at last it has the critical edition that it deserves. William Davies King provides students and theater artists with an invaluable guide to the text, including an essay on historical and critical perspectives; glosses of literary allusions and quotations; notes on the performance history; an annotated bibliography; and illustrations. This is a worthy new edition, one that I'm sure will appeal to many students and teachers. William Davies King provides a thoughtful introduction to Long Day's Journey into Night—equally sensitive to the most particular and most encompassing of the play's materials.—Marc Robinson/DIV

Long Day's Journey Into Night Eugene O'Neill, 2002-01 A play set in 1912 at the summer home of a family whose members confront their own guilts and failures.

Long Day's Journey Into Night Eugene O'Neill, 2002-02-08 A play about a family of four psychologically disturbed people reveals aspects of the author's own life.

Eugene O'Neill Robert M. Dowling, 2014-10-28 An “absorbing” biography of the playwright and Nobel laureate that “unflinchingly explores the darkness that dominated O'Neill's life” (Publishers Weekly). This extraordinary biography fully captures the intimacies of Eugene O'Neill's tumultuous life and the profound impact of his work on American drama, innovatively highlighting how the stories he told for the stage interweave with his actual life stories as well as the culture and history of his time. Much is new in this extensively researched book: connections between O'Neill's plays and his political and philosophical worldview; insights into his Irish American upbringing and lifelong torment over losing faith in God; his vital role in African American cultural history; unpublished photographs, including a unique offstage picture of him with his lover Louise Bryant; new evidence of O'Neill's desire to become a novelist and what this reveals about his unique dramatic voice; and a startling revelation about the release of Long Day's Journey Into Night in defiance of his explicit instructions. This biography is also the first to discuss O'Neill's lost play Exorcism (a single copy of which was only recently recovered), a dramatization of his own suicide attempt. Written with both a lively informality and a scholar's strict accuracy, Eugene O'Neill: A

Life in Four Acts is a biography worthy of America's foremost playwright. "Fast-paced, highly readable . . . building to a devastating last act."

–Irish Times

Long Day's Journey Into Night Eugene O'Neill, 2021-11-17 Long Day's Journey into Night is a play in four acts written by American playwright Eugene O'Neill in 1941-42, first published in 1956. The play is widely considered to be his magnum opus and one of the finest American plays of the 20th century.

Hughie Eugene O'Neill, 1982-10 THE STORY: Originally produced on Broadway, revived to sellout houses in 1996 starring Al Pacino, HUGHIE was one of O'Neill's last works. It was originally intended as part of a series of short plays, but it became the lone survivor when O'Neill de

Selected Letters of Eugene O'Neill Eugene O'Neill, 1994 (Limelight). . . . essential to any understanding of . . . O'Neill if only because they demystify him. Arthur Miller, The New York Times Book Review

The Curious Incident of the Dog in the Night-Time Mark Haddon, 2009-02-24 A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

A Wind is Rising Agnes Boulton, Eugene O'Neill, 2000 Under his influence, she tried to set a higher standard for her writing, without much success, while ironically his plays, which steered away from popular show shop trends, went on to earn a sizable fortune. The maintenance of their increasingly lavish homes and the rearing of their two children, Shane and Oona, fell to her, while he retreated into Art..

Journey to the End of the Night Louis-Ferdinand Céline, 1988 When it was published in 1932, this revolutionary first fiction redefined the art of the novel with its black humor, its nihilism, and its irreverent, explosive writing style, and made Louis-Ferdinand Celine one of France's--and literature's--most important 20th-century writers. The picaresque adventures of Bardamu, the sarcastic and brilliant antihero of Journey to the End of the Night move from the battlefields of World War I (complete with buffoonish officers and cowardly soldiers), to French West Africa, the United States, and back to France in a style of prose that's lyrical, hallucinatory, and

hilariously scathing toward nearly everybody and everything. Yet, beneath it all one can detect a gentle core of idealism.

The Book of Disquiet: The Complete Edition Fernando Pessoa, 2017-08-29 For the first time—and in the best translation ever—the complete Book of Disquiet, a masterpiece beyond comparison The Book of Disquiet is the Portuguese modernist master Fernando Pessoa's greatest literary achievement. An "autobiography" or "diary" containing exquisite melancholy observations, aphorisms, and ruminations, this classic work grapples with all the eternal questions. Now, for the first time the texts are presented chronologically, in a complete English edition by master translator Margaret Jull Costa. Most of the texts in The Book of Disquiet are written under the semi-heteronym Bernardo Soares, an assistant bookkeeper. This existential masterpiece was first published in Portuguese in 1982, forty-seven years after Pessoa's death. A monumental literary event, this exciting, new, complete edition spans Fernando Pessoa's entire writing life.

Dancing at Lughnasa Brian Friel, 1993 THE STORY: This extraordinary play is the story of five unmarried sisters eking out their lives in a small village in Ireland in 1936. We meet them at the time of the festival of Lughnasa, which celebrates the pagan god of the harvest with drunken

The American Play Marc Robinson, 2009-05-26 In this brilliant study, Marc Robinson explores more than two hundred years of plays, styles, and stagings of American theater. Mapping the changing cultural landscape from the late eighteenth century to the start of the twenty-first, he explores how theater has--and has not--changed and offers close readings of plays by O'Neill, Stein, Wilder, Miller, and Albee, as well as by important but perhaps lesser known dramatists such as Wallace Stevens, Jean Toomer, Djuna Barnes, and many others. Robinson reads each work in an ambitiously interdisciplinary context, linking advances in theater to developments in American literature, dance, and visual art. The author is particularly attentive to the continuities in American drama, and expertly teases out recurring themes, such as the significance of visibility. He avoids neatly categorizing nineteenth- and twentieth-century plays and depicts a theater more restive and mercurial than has been recognized before. Robinson proves both a fascinating and thought-provoking critic and a spirited guide to the history of American drama.

Eight Modern Plays Anthony Francis Caputi, 1991 This Norton Critical Edition presents some of the most important voices in modern drama and, through the inclusion of supporting materials, places each play in its proper intellectual, artistic, and historical context.

A Study Guide for Eugene O'Neil's A Long Day's Journey into Night Gale, Cengage Learning, 2015-09-24

Eugene O'Neill's Long Day's Journey Into Night Harold Bloom, 1987 A collection of ten critical essays on O'Neill's play, arranged in chronological order of their original publication.

The Night and Its Moon Piper CJ, 2022-09-20 An addictive fantasy romance from TikTok sensation Piper CJ, now newly revised and edited. Two orphans grow into powerful young women as they face countless threats to find their way back to each other. Farleigh is just an orphanage. At least, that's what the church would have the people believe, but beautiful orphans Nox and fae-touched Amaris know better. They are commodities for sale, available for purchase by the highest bidder. So when the madame of a notorious brothel in a far-off city offers a king's ransom to purchase Amaris, Nox ends up taking

her place – while Amaris is drawn away to the mountains, home of mysterious assassins. Even as they take up new lives and identities, Nox and Amaris never forget one thing: they will stop at nothing to reunite. But the threat of war looms overhead, and the two are inevitably swept into a conflict between human and fae, magic and mundane. With strange new alliances, untested powers, and a bond that neither time nor distance could possibly break, the fate of the realms lies in the hands of two orphans – and the love they hold for each other.

The Iceman Cometh Eugene O'Neill, 2021-11-09 This is a play that revolves around a group of alcoholics who live together in a flop house above a saloon. They always discuss their dreams but never take a step toward actualizing them. This group of misfits always awaits the coming of the salesman whose name is Hickey. Hickey determines to strip them of their pipe dreams and then reveals that he has been on the run after murdering his wife.
