**Make It Happen** Jordanna Levin,2019-05-06 A fun, practical and easy-to-follow guide to manifestation for a whole new generation. 'Like a best friend, Jordanna will hold your hand and guide you towards your dream life.' - Melissa Ambrosini, bestselling author of Mastering Your Mean Girl 'Witty, practical and laugh out loud funny.' - Cassie Mendoza-Jones, You Are Enough Everyone can manifest. We're all doing it-every second of every day-without even realising it. For years, journalist and podcaster Jordanna Levin thought that she was psychic. She would worry about things and they would come true. But she wouldn't just worry; she would feel them, take subconscious action towards them and believe with every cell of her being that they would happen-and most of the time, they did. A broken foot, a cancelled flight, a tragic love story... the list went on. She soon realised that she wasn't just predicting the future, she was manifesting it. Until one day she changed the game. If she could manifest mishaps and disasters, why not the things she actually wanted? In this warm and witty book, Jordanna shares her personal experiences and struggles along with her foolproof equation for manifesting whatever you desire, from your dream job to a lasting relationship. Whether you're a matter-of-fact skeptic or a somewhat hippie yoga-lover, Make It Happen will empower you to take ownership of your life and create anything you want.

*The Pollen Room* Zoë Jenny,1998 An international bestseller, this highly acclaimed debut novel by an award-winning young writer portrays in stark, lyrical prose a young girl's search for love in the aftermath of her parents' divorce.

How to Fall in Love with a Man Who Lives in a Bush Emmy Abrahamson,2018-03-20 For readers of quirky Scandinavian fiction comes this charming and witty debut novel by Emmy Abrahamson—perfect for fans of Jonas Jonasson Love stinks. Or maybe it just needs a shower . . . Vienna: famous for Mozart, waltzes, and pastry; less famous for Julia, a Swedish transplant who spends her days teaching English to unemployed Austrians and her evenings watching Netflix with her cat or club hopping with a frenemy. An aspiring novelist, Julia's full of ideas for future bestsellers: A writer moves his family to a deserted hotel in the dead of winter and spirals into madness! A homely governess loves a brooding man whose crazy wife is locked up in the attic! Fine, so they've been done. Doesn't mean Julia won't find something original. Then something original finds Julia—sits down next to her on a bench, as a matter of fact. Ben is handsome (under all that beard) and adventurous (leaps from small bridges in a single bound). He's also sexy as hell and planning to shuffle off to Berlin before things can get too serious. Oh, and Ben lives in a public park. Thus begins a truth stranger than any fiction Julia might have imagined: a whirlwind relationship with a guy who shares her warped sense of humor and shakes up the just-okay existence she's been too lazy to change. Ben challenges her to break out; she challenges him to settle down. As weeks turn to months, Julia keeps telling herself that this is a chapter in her life, not the whole book. If she writes the ending, she can't get hurt. But what if the ending isn't hers to write?

**Strange Skies Over East Berlin #1** Jeff Loveness,2019-10-16 Herring is a disillusioned American spy stationed on the eastern side of the Berlin Wall, struggling with his role in a Cold War that seems to have no end. But when he's sent on a mission behind enemy lines to infiltrate East German intelligence, he soon learns the Soviets have a secret weapon that could change the tides of the conflict: an alien monster that they don't understand, and can't control. The Soviets are about to learn that they're not in charge of the monster - it's already in their minds and has twisted them to its will. Now Herring must find a way to understand the impossible - before it transforms him into a monster unlike any other. Writer Jeff Loveness (Judas) and Lisandro Estherren (Redneck) team up for a story in the spirit of Cold War classics, for fans of period piece science fiction as well as alien action such as *Barrier*.

**The Star-Crossed Sisters of Tuscany** Lori Nelson Spielman,2020-11-17 An International Bestseller! A LibraryReads and Indie Next Pick! A trio of second-born daughters sets out on a whirlwind journey through the lush Italian countryside to break the family curse that says they'll never find love, by New York Times bestseller Lori Nelson Spielman, author of *The Life List*. Since the day Filomena Fontana cast a curse upon her sister more than two hundred years ago, not one second-born Fontana daughter has found lasting love. Some, like second-born Emilia, the happily-single baker at her grandfather's Brooklyn deli, claim it's an odd coincidence. Others, like her sexy, desperate-for-love cousin Lucy, insist it's a true hex. But both are bewildered when their great-aunt calls with an astounding proposition: If they accompany her to her homeland of Italy, Aunt Poppy vows she'll meet the love of her life on the steps of the Ravello Cathedral on her eightieth birthday, and break the Fontana Second-Daughter Curse once and for all. Against the backdrop of wandering Venetian canals, rolling Tuscan fields, and enchanting Amalfi Coast villages, romance blooms, destinies are found, and family secrets are unearthed—secrets that could threaten the family far more than a centuries-old curse.

Life is a struggle and Themba has to grow up fast. To be very honest: in soccer Themba seems to be simply better than I was.” Archbishop Desmond Tutu “READ OF THE MONTH” Pride magazine “...an inspirational coming of age drama about a young South African boy’s escape from poverty and the pursuit of a dream.” Spling onliner “It’s a rags to riches story – a story of hope, of dreaming your dreams and achieving them, and it’s also a story of friendship...” The Sunday Independent “It’s a really engaging book, and because Aids is a serious issue, it made us want to carry on reading more about it.” Durning Library teenage reading group “Beautifully translated from the original and it is an easy and straightforward read. However, the storyline is tough – poverty, AIDS and death haunt the pages of the book. The reader learns about the hardship of life for many ordinary South Africans (even after Mandela came to power) and the struggle for those families who have a family member suffering from AIDS. The problems they face do not lie solely in a lack of medication and good nutrition; it also lies in the ignorance of their neighbours and friends and a refusal of many to acknowledge the illness and help the ill. However this is not a depressing book – it is a book full of hope and the more young people who read books like this and who come to understand how other young children live, the more this hope will spread.” Books, Teens and Magazines
