Norman Percy Grubb

Norman Grubb Geoff & Janet Benge, Janet Benge, 2019 This best-selling, missionary biography series - Christian Heroes: Then & Now - chronicles the exciting, challenging, and deeply touching true stories of ordinary men and women whose trust in God accomplished extraordinary exploits for His kingdom and glory.

The Key to Everything Norman Grubb, 1985-01-01 This book illustrates the position of the believer as a container for God's presence. It then explains how to become a container and how to take the first steps of growth in the Christian life.

**Think on These Things** Norman Grubb, 2014-06-10 During the last decade of Norman Grubb's life, in addition to the hundreds of letters he wrote each month, Norman penned several booklets in his quest to leave the body of Christ what had become to him an ever more clear understanding of the Lord's revealings throughout Scripture. I chose Think on These Things as the title knowing he so desperately wanted each one who believed in Jesus Christ to come into their full inheritance described in these writings. In Think on These Things you will find a collection of his last booklets, as well as several transcribed talks.

Knight of Faith, Volume 1 Norman Percy Grubb, 2006-03-06 The title, Knight of Faith, is taken from Fear and Trembling by Soren Kierkegaard. This knight is an ordinary man who believes God's word to him against all appearances like Abraham, the original knight of faith, did with Isaac. He enters this narrow way of faith, where few venture. Kierkegaard says he is very different from the knight of infinite resignation who believes the answer will come sometime, if not in this life then in the next. About this knight of faith Kierkegaard writes, But if I knew where there was such a knight of faith, I would make a pilgrimage to him on foot, for this prodigy interests me absolutely. I would not let go of him for an instant, every moment I would watch to see how he managed to make the movements, I would regard myself as secured for life and would divide my time between looking at him and practicing the exercises myself, and thus would spend all my time admiring him. This knight of faith is found in Norman Percy Grubb. He looked the ordinary man, such as any ordinary man, but he had discovered the keys of the kingdom of faith and shared it with all. As you read his letters you too will find a remarkable, yet very human, person who spent a lifetime seeking God's face, believing by virtue of the absurd and relentlessly sharing in every way possible that which God had given him. The world will not always recognise the true knight, but he is there butcher, baker or candlestick maker or a housewife with a vision of the impossible!

*C.T. Studd* Norman Grubb, 2014-12-25 Nurtured in the lap of comfort, educated at Eton and Cambridge, the hero of the British sport-loving public, C. T. Studd, whose Cambridge career has been described as one long blaze of cricketing glory, created a stir in the secular world of his youth by renouncing wealth and position to follow Christ. He was captain of the Eton XI in 1879, and of Cambridge University in 1883, being accorded in the latter year (vide *The Cricketing Annual*) the premier position as an all-round cricketer for the second year in succession. The illness of a brother brought him face to face with realities and the transitoriness of worldly riches and fame. He obeyed the divine command, Go thy way, sell what thou hast and give to the poor ... take up thy cross and follow me, throwing himself into the work which had called him with the same thoroughness and earnestness with which he had learned to play a straight bat. Henceforward his life was dedicated to the service of God and his fellow men, and the story of his labours and adventures makes an epic of faith and courage against great odds that will be an inspiration to all who rejoice in a tale of high endeavour.

After C.T. Studd Norman Percy Grubb, 1946

Jonathan Goforth Janet Bengé, Geoff Bengé, 2000-01-01 A biography of late nineteenth and early twentieth-century Canadian missionary to China, Jonathan Goforth.

**Hudson Taylor** Janet Bengé, Geoff Bengé, 1998 *Christian Heroes: Then & Now* have set a new standard of quality in Christian biography. These thrilling true adventures are the best-written biographies for ages 10 and up! A pioneer missionary to China at age 21, Hudson Taylor eventually led 641 missionaries, about half the entire Protestant force in China (1832-1905).

C.T. Studd Janet Bengé, Geoff Bengé, 2005 A biography of the man and his missions, written in simple English.

Leap of Faith Norman Grubb, 2010-01-01 More than just a history book, and perhaps even a romance, this story of the beginnings of CLC International includes the very human, the comic, the daring, the unlikely, and the impossible, in this deadly serious work of taking Christ to the nations through the printed page.

The Story of Faith Missions Klaus Fiedler, 2011-07-20 Born of nineteenth-century Evangelical Awakening, and closely linked to Hudson Taylor and the China Inland Mission he founded in 1865, faith missions were unique in two key areas: they were interdenominational and they held firmly to the 'faith principle' of financial support. The faith mission movement has lost none of its vitality and relevance as it continues to play an important evangelistic role in Africa and worldwide. The result of more than a decade of research in

Africa, Europe and the United States, and extensively supported by maps and charts, this book is the most comprehensive study available on the faith mission movement in Africa. Setting faith missions in the context of the many revival and missionary movements, which have shaped Protestant church history, the author describes their spiritual and practical evolution over 125 years, and outlines the challenges they face today.

**C.T. Studd, Athlete and Pioneer** Norman Percy Grubb, 1946

Once Caught, No Escape Norman Grubb, 2005-11-01 In Once Caught, No Escape, Norman Grubb's autobiography, we come to know a remarkable soldier of Christ, one who has made a unique contribution to Christian thinking in the 20th century. This riveting account of his life includes a fascinating description of missionary life in the early 1900's in the heart of Africa, his memories of World War I army days, and his little-known role in the development of the Christian Literature Crusade and Intervarsity Fellowship. Norman shares the three spiritual crises that shaped his life-his salvation, his identity in Christ, and his seeming loss of faith. How he forever settled his Galatians 2:20 identity by faith is critical to an understanding of his life and serve as a roadmap for all facing the same heart cry, and his interpretation of his final crisis is a superb and concise summary of what he came to call the total truth, expanded and developed in his later works and was to become the keystone of his theology for the rest of his life. In the foreword to Once Caught, No Escape, Norman says that he has written straight out of my heart and mind, and that he has surely done. He writes with unreserved honesty, self-deprecating humor, and profound insight. He was a man drenched in the scriptures, and totally dedicated to sharing the great truth of Jesus Christ-our savior, indweller, and life. He laid down his life that many others might come to know who they are in Christ, and paid the intercessor's price to do so. The book is aptly titled, for once God captured him, Norman was driven to share the truth he knew, no matter the cost.

**Mission and Development** Matthew Clarke, 2012-01-26 This book considers the implications, consequences, opportunities and constraints faced when mission and development endeavours coincide. This is explored from various perspectives, including that of history, theology and those involved in mission work and missionary organizations. Despite eighty per cent of the world's population professing religious belief, religion has been largely excluded from consideration of those seeking to achieve development in poorer countries. Moreover, the work of missionaries has often involved the provision of basic welfare services that in many parts of the world predate the interventions undertaken by 'professional' secular aid workers. Are missionaries doing development work or is development a critical aspect of mission?
